NARRATIVES

Report Date: 2/27/2012 2:28 Reporter: A49160 AYALA, RICARDO Clearance: 0 Open Report Type: O

On 2/26/12, at approximately 1917 hours, I was dispatch to 1111 Retreat View Cir. in reference to a complainant seeing a suspicious person in the area. While en route dispatch stated the they were receiving calls in reference to gun shots being heard in the area where I was responding to.

Ofc. T. Smith stated via radio that he was arriving in the area. Ofc. T. Smith later states that there was one subject shot and he had one at gun point.

Upon arrival Ofc. T. Smith had a white male, later identified as George Zimmerman, in custody. Zimmerman was also the original caller in reference to the suspicious person.

I then noticed that there was, what appeared to be a black male wearing a gray sweater, blue jeans, and white/red sneakers laying face down on the ground. The black male had his hands underneath his body. I attempted to get a response from the black male, but was met with negative results. At that time Sgt. Raimondo arrived and attempted to get a pulse on the black male but none was found. At that time, Sgt. Raimondo and I turned the black male over and began CPR. Sgt. Raimondo did breaths and I did chest compressions.

Sgt. S. McCoy arrived on scene and relieved me continuing compressions. Sanford Fire Rescue arrived on scene and attempted to revive the subject, but could not. Paramedic Brady pronounced the subject deceased at 1930 hours.

The scene was then secured with crime scene tape by Ofc. Mead and Ofc. Wagner. Ofc. Robertson began a crime scene contamination log.

Lt. Taylor arrived on scene and notified dispatch to have Major Crimes respond to the scene.

Ofc. Mead and Ofc. Wagner were able to make contact with neighbors in the area. They were able to obtain statements from all witnesses on scene.

The scene was turned over to SPD Major Crimes.

On 2/26/2012, at approximately 1917 hours, I responded to 1111 Retreat View Cir in reference to a report of a suspicious person. As I arrived on scene, dispatch advised of a report of shots fired in the same subdivision.

I was advised by dispatch that the report of shots fired was possibly coming from 1231 Twin Trees Ln. I was then advised, after receiving multiple calls, that there was a subject laying in the grass in between the residences of 1231 Twin Trees Ln. and 2821 Retreat View Cir. I responded to 2821 Retreat View Cir and exited my marked Sanford police vehicle and began to canvas the area. As I walked in between the buildings I observed a white male, wearing a red jacket and blue jeans. I also observed a black male, wearing a gray hooded sweat shirt, laying face down in the grass.

I asked the subject in the red jacket, later identified as George Zimmerman (who was original caller for the suspicious person complaint), if he had seen the subject. Zimmerman stated that he had shot the subject and he was still armed. Zimmerman complied with all of my verbal commands and was secured in handcuffs. Located on the inside of Zimmerman's waist band, I removed a black Kel Tek 9mm PF9 semi auto handgun and holster. While I was in such close contact with Zimmerman, I could observe that his back appeared to be wet and was covered in grass, as if he had been laying on his back on the ground. Zimmerman was also bleeding from the nose and back of his head.

Shortly after securing Zimmerman, Officer Ricardo Ayala arrived on scene. I advised Officer Ayala that I had not made contact with the black male subject laying on the ground. I observed Officer Ayala make contact with the subject and attempt to get a response, but was met with negative results. Shortly after this, other officers began to arrive on scene along with SFD Rescue 38 who began to give aid to the subject laying on the ground.

Zimmerman was placed in the rear of my police vehicle and was given first aid by the SFD. While the SFD was attending to Zimmerman, I over heard him state "I was yelling for someone to help me, but no one would help me." At no point did I question Zimmerman about the incident that had taken place. Once Zimmerman was cleared by the SFD, he was transported to the Sanford Police Department.

Zimmerman was placed in an interview room at SPD, where he was interviewed by Investigator D. Singleton. Zimmerman was turned over to investigations and this was the extent of my involvement in this case.
