Re: Henrys v. Town of Mount Pleasant, et al., 12 cv 7556 (KMK)(LMS)

Dear Judge Karas:

The parties are pleased to advise the Court that they have been able to resolve the remaining claims in this matter, that is those asserted by the Henrys against the Town of Mount Pleasant and Police Officer Ronald Gagnon. It is our expectation that we will have final settlement papers prepared within two weeks and then be in a position to file the Stipulation of Discontinuance with the Court.

We appreciate the Court's extending the time for plaintiffs' papers responsive to defendants' outstanding summary judgment motion and will file with the Court the aforementioned Stipulation as soon as is possible.

Yours respectfully,

Michael H. Sussman
