Subject: Audit Request

SENT ON BEHALF OF COMMISSIONER SCOTT MADDOX:

Mr. Auditor,

Through discussions with citizens and in different news accounts I have received varying information as to the agreement with the operators of the Edison Restaurant. While the issue predates my recent tenure on the commission – it is important that we ensure that all obligations are met and that the public has a clear understanding of the history of the building and its tenant.

As such, I request an audit of the entire transaction, including the history of the request for proposals, the resulting agreement, verified monies spent by both parties and any outstanding obligations.

Thank you for your attention to this matter.

Respectfully,
