Officer 1: You got a chance to pull that report up?

Officer 2: Which report?

Officer 1: It's on the 5th.

Officer 2: Oh, this person did a report?

Officer 1: No, no, no. The, she's got officer safety info from June 5th.

Officer 2: What's that?

Officer 1: She, the...she called for a DV. She let them in and then she started talking all crazy about how she, the officers weren't gonna leave. And she had a giant pair of scissors and then started talking about her—

Officer 2: Has she got a mental caution on her?

Officer 1: She's got an officer safety caution.

Officer 2: Okay, but no mental on her?

Officer 1: She...no...

Officer 2: Okay.

Officer 1: ...but this is the first—I've been out there for another DV with her son. I don't know if you were here.

Officer 2: Wait, is this the one with...

Officer 2: Okay.

Officer 1: So I'm like, eh, I gotta go up there. 'Cause they said she was fine at first and then they were inside with her and she had this giant pair of scissors and wouldn't put them down. And then—
