Hello Mr. Stetting/Mrs. Sewell,

7/11/2017

Gmail - Records request for future litigation and bar complaints

Is Homestead and WSH refusing to allow me to personally inspect these records? I have not been provided any procedure to inspect these records and it has been a month now. I know Mrs. Sewell unlawfully mandates an appointment to inspect records, i.e. automatic delay. So when can I make an appointment for inspection, since apparently you and/or Homestead have no desire to timely comply with this request?

Thank you.

Dr. James Eric McDonough
