It amazes me, without fail, every conman/charlatan/unethical person I encounter has the same response when confronted: attack you like they were a rabid animal caught in a corner.

In other words, it's time for me to expose another one. Get the popcorn ready, it's gonna be fun.

Stay tuned.

Hi Brett, can you call me?

Brett Haddock accepted your request.

What's this in regards to?

The write of of Mr. Weber. I own
VIP RECON.

I'm unable to speak at the
moment, but how can I help you?

Sean Weber has zero interest in
my operation and the write up
concerns me as I have a very
small business and two small
children to support.

2:26 PM

He asks me if I wanted a post on
his FB and I said absolutely, I
thought any exposure could help.
If I would have known my name
would be thrown out there I
would have denied his free post.

Allen Ayers Voters rights are going to be dependant on a lot of factors, such as if the case was disposed of in a manner that created a final conviction. Of course California is different from Texas so there may be differences.
