

WASHINGTON STATE

Road Trip Bingo

from THE DAILY HERALD

In this file you will find five versions of Washington State Road Trip Bingo:

- Traveling west-east bingo
- Traveling north-south bingo
 - Bumper sticker bingo
- Washington license plate bingo
- Construction zone bingo

There are enough bingo boards in each game for two players.

At the end of the document, find a blank bingo sheet and extra tiles. Use these to make more boards for additional players — or to customize the game for your own family. Or leave the board blank and play blackout bingo: Pick a goal — green cars, school buses, barns, fields of cows — then mark a box for each one you find. Who can get blackout first? Will you see more school buses or more green cars?

Have ideas for other tiles?

Send feedback to streetsmarts@heraldnet.com for future game updates.
