SOUTHERN DISTRICT OF OHIO
WESTERN DIVISION**

The Gorilla Glue Company,

Case No. 1:17-cv-193

PLAINTIFF,

Judge _____

vs.

**COMPLAINT FOR TRADEMARK
INFRINGEMENT, DILUTION AND
UNFAIR COMPETITION**

GG Strains LLC,

DEFENDANT.

COMPLAINT

For its Complaint against GG Strains LLC, Plaintiff The Gorilla Glue Company (“Gorilla Glue”) states as follows:

NATURE OF THE ACTION

1. This is a civil action for trademark infringement, dilution, unfair competition and cybersquatting under federal, state, and common law. Gorilla Glue brings this action because GG Strains LLC (“Defendant”) is unlawfully advertising and selling products and services under a confusingly similar name to Gorilla Glue's trademarks, in violation and dilution of Gorilla Glue's trademark rights. Gorilla Glue seeks to enjoin Defendant's acts, to recover damages and Defendant's profits, and to secure other relief, including attorney fees and costs.

2. Throughout the United States, Gorilla Glue's adhesive products are well known and trusted for their strength and stickiness. That reputation has been built over the course of more than two decades, through maintaining rigorous quality standards and investing millions of dollars in the brand. On information and belief, "strength" and "stickiness" are also considered

to be desirable characteristics in marijuana strains and products. Unfortunately, Defendant is trading on Gorilla Glue's reputation and goodwill by marketing marijuana products and services under the names Gorilla Glue #1, Gorilla Glue #4 and Gorilla Glue #5. As medical and recreational use of marijuana has become authorized under the laws of more and more states, Defendant's public use of the name has increased, as have Defendant's apparent ambitions with respect to continued use and growth of the name. This lawsuit is not a comment on any federal or state policy matters, medical or pharmaceutical issues, or choices in recreation. But Gorilla Glue has a famous, valuable brand built through tremendous products and strong consumer confidence, and as a business matter must take appropriate steps to protect its rights.

THE PARTIES

3. The Gorilla Glue Company is an Ohio corporation having a principal place of business at 2101 East Kemper Road in Sharonville, Ohio, 45241. Since at least as early as 1994, and prior to Defendant's use, Gorilla Glue and its predecessors in interest have used the trademarks GORILLA and GORILLA GLUE, along with related marks and designs (collectively, the "GORILLA GLUE marks") in interstate commerce in advertising and selling glue, and also in connection with expanded product lines such as tape, sealant and clothing.

4. On information and belief, Defendant is a Nevada limited liability company having a principal place of business at 9360 West Flamingo Road #110-212 in Las Vegas, Nevada, 89147. Defendant uses the marks GORILLA GLUE #1, GORILLA GLUE #4 and GORILLA GLUE #5 (collectively, the "GORILLA GLUE # marks") in connection with its own products and services in a way that infringes and dilutes Gorilla Glue's trademark rights.

JURISDICTION AND VENUE

5. This action arises under the federal Lanham Act, 15 U.S.C. §§ 1051, et seq., the Ohio Deceptive Trade Practices Act, O.R.C. §§ 4165.01 et seq., and under the common law of the State of Ohio.

6. This Court has jurisdiction over the subject matter of this action pursuant to 15 U.S.C. § 1121 and 28 U.S.C. §§ 1331, 1338(a), and 1338(b). Pursuant to 28 U.S.C. § 1367, this Court also has supplemental jurisdiction over Gorilla Glue's state-law claims because those claims are so related to Gorilla Glue's federal Lanham Act claims that they form part of the same case or controversy. This Court also has diversity jurisdiction under 28 U.S.C. § 1332 because Gorilla Glue and Defendant are citizens of different states (Ohio and Nevada respectively) and the amount in controversy exceeds \$75,000 exclusive of interest and costs.

7. This Court has personal jurisdiction over Defendant and venue is appropriate in this Court. Defendant is an entity that is subject to this Court's personal jurisdiction with respect to this action, and it has sufficient contacts with Ohio and with this District. In addition, a substantial part of the events giving rise to Gorilla Glue's claims occurred in this District.

8. Among other things, Defendant's marketing and advertising reach into Ohio and into this District; its confusion of consumers and dilution of Gorilla Glue's trademark rights occur in Ohio and in this District, among other places; the harm to Gorilla Glue's trademark rights and goodwill takes place in this District; Defendant sells goods through its website by way of knowing and repeated transmissions of computer files over the internet, including, on information and belief, to customers in Ohio and in this District; Defendant operates an interactive website that establishes additional contact with residents of Ohio and of this District; Gorilla Glue's trademark rights arise from, among other things, its business in this District, and

the trademark rights are owned in this District; and Gorilla Glue's applications for trademark registrations originated from this District.

9. Defendant does business directly over the internet, including with respect to Ohio, through its website <*gorillaglue4.com*>. It sells "Gorilla Gear," including T-shirts and other clothing, directly to customers through its website. The products are marketed in connection with the GORILLA GLUE # marks on the website and the merchandise itself also bears the GORILLA GLUE # marks.

10. In addition to direct sales of merchandise out of which this action arises, Defendant's website also engages in a very high level of interactivity. The website has an interactive "Contact Us" page in which communications can be sent to Defendant directly through a web form submission. The web form solicits information about the contacting user, including his or her name, email address and telephone number. The web form also asks whether the inquiry is on behalf of a dispensary or someone seeking to become an authorized cultivator.

11. The "Distributors" section of Defendant's website encourages users to contact Defendant through the website "to becom[e] an authorized distributor, cultivator or dispensary," with a hyperlink to the interactive "Contact Us" page described above. Further, the "Seeds" link under "Our Strains" leads to a sign-up page for Defendant's email distribution list "to get updates and news" about Defendant's seeds.

12. Defendant's website also allows and encourages customers to use an interactive map showing distributors of products sold under the GORILLA GLUE #4 mark and office locations of Defendant. It provides hyperlinked icons that direct the website user to Defendant's social media feeds, encouraging the user to "follow" Defendant. These social media feeds

broadcast yet more infringing and dilutive use of the GORILLA GLUE # marks. The website also links to third parties' Instagram posts that feature the GORILLA GLUE # marks and certain of the GORILLA GLUE marks.

13. Defendant's website also advertises "Testimonials" from customers, with an advertisement encouraging users to "Send us a note." Additionally, it offers links to news releases regarding Defendant's infringing and dilutive activities. Overall, it is on the extremely high end of the spectrum of website interactivity.

14. On information and belief, one or more residents of Ohio have purchased clothing directly through Defendant's website, the Defendant received payment from Ohio through its website, and the clothing was shipped to Ohio.

15. Further, Defendant sells marijuana and related services outside of Ohio in a way that foreseeably caused and causes tortious injury within Ohio. Defendant has sold and released strains of marijuana to cultivators under the GORILLA GLUE # marks and has sought to maintain the link in consumers' minds between the GORILLA GLUE # marks and Defendant's marijuana (as sold by cultivators and distributors) on a nationwide basis.

16. On information and belief, as a foreseeable and intended result of Defendant's release of strains of marijuana branded with the GORILLA GLUE # marks (as well as Defendant's efforts to preserve and promote the link between said marijuana and the brand) Defendant's marijuana has entered Ohio and been used in Ohio in connection with the GORILLA GLUE # marks. Users within Ohio have broadcast public social media posts associating the GORILLA GLUE # marks and certain of the GORILLA GLUE marks with said marijuana. Non-exhaustive examples are attached as **Exhibit A**. As noted above, Defendant

encourages the use of social media, including Twitter, Facebook and Instagram, in connection with Defendant and its use of the GORILLA GLUE # marks.

24. Copies of the registration certificates and status printouts for the above federal registrations, taken from the U.S. Patent and Trademark Office's Trademark Status Document Retrieval, are attached hereto as **Exhibit B**.

25. The existence of these valid and subsisting federal trademark registrations constitutes prima facie evidence of the ownership and validity of Gorilla Glue's registered GORILLA GLUE marks.

26. Moreover, Registration Nos. 2449800, 2069032, 2328025, 4026349, 4026350, 3782762, 3782761, 3381899, 3105182 and 3336141 are incontestable pursuant to 15 U.S.C. § 1065, which constitutes conclusive evidence of Gorilla Glue's exclusive right to use those marks for the products specified in the registrations pursuant to 15 U.S.C. §§ 1065 and 1115(b).

27. Gorilla Glue also has trademark registrations in a number of other countries all over the world, including Mexico, Canada, the European Union, China, Turkey, Vietnam, South Africa, Norway and others.

28. Gorilla Glue and its predecessors in interest have used the GORILLA GLUE marks without interruption since at least as early as 1994. To its knowledge, Gorilla Glue's use

of its GORILLA GLUE marks has been exclusive during this time in relation to the products set forth and described above, and no other entity has the right to use a mark similar to the GORILLA GLUE marks in connection with the services set forth and described above or related goods or services.

29. Through its continuous use of the GORILLA GLUE marks over more than two decades, Gorilla Glue has built up substantial goodwill in the mark, and the relevant consumers have come to recognize Gorilla Glue as the source of high-quality adhesive products.

30. Gorilla Glue has advertised its products throughout the United States, including without limitation via its website located at gorillatough.com¹ and through the above-discussed advertising and marketing. Gorilla Glue has received media coverage and accolades for its products and advertising campaigns from, without limitation, *USA Today*, *Ad Age*, *Popular Science* magazine, *Popular Mechanics*, *Reader's Digest*, *Backpacker*, *Cabela's Outfitter Journal*, and *Women's Day*.

31. On information and belief, Defendant is a provider of certain strains of marijuana as well as services, certifications and clothing related thereto. Among other things, Defendant advertises and supplies strains of marijuana known as Gorilla Glue #1, Gorilla Glue #4 and Gorilla Glue #5.

32. On information and belief, Defendant was founded and is operated, in part, by persons going by the names Josey Whales and Lone Watie. Defendant's website states that Mr. Whales and Mr. Watie are the original breeders of the Gorilla Glue #4 strain of marijuana. They, on behalf of Defendant, have entered Gorilla Glue #4 in cannabis competitions and distributed hundreds of "cuts" of the strain to cultivators.

¹ Gorilla Glue also owns the web domain gorillaglue.com, which re-directs to gorillatough.com.

33. Defendant certifies and authorizes select cultivators around the country to market marijuana bearing the GORILLA GLUE mark.

34. The origin of the name of Gorilla Glue #4 demonstrates the fame of the GORILLA GLUE marks and the willful intent of Defendant in selecting Gorilla Glue #4 as the name of its marijuana strain. Based on a published interview he gave, Mr. Whales selected the name during a telephone call that he had with someone after he had been trimming the marijuana strain at issue. He noticed that the phone was stuck to his hand, and he told the other party to the telephone call that the plant made him "stick to things like Gorilla Glue." (On information and belief, certain marijuana strains have buds that are coated in a sticky resin, and there is a connotation among consumers of medicinal and recreational marijuana that "sticky" marijuana is high-quality marijuana.)

35. Defendant selected the name on this basis. On information and belief, this occurred in the Western part of the United States in the early or mid-2010s, although Gorilla Glue only became aware of Defendant's actions, the product name, and the origin story, years later.

36. Defendant thus willfully infringes on Gorilla Glue's trademark rights and dilutes the famous GORILLA GLUE mark. The name of Defendant's product was selected with the express purpose to exploit and trade on the goodwill and reputation for strength and stickiness that Gorilla Glue had built in its GORILLA GLUE mark, which caused it to be top-of-mind with Mr. Whales and others with respect to those characteristics.

37. Defendant operates the website <*gorillaglu4.com*>. The interactive functionality and direct merchandising of the Defendant website are discussed above.

38. Defendant has also filed to register certain relevant marks with state trademark systems. In Colorado, Defendant registered the word trademark "Gorilla Glue #4" in the class "005 Pharmaceuticals" with a product description of "Medical cannabis, the specific Gorilla Glue #4 hybrid cannabis plant strain." Also in Colorado, Defendant registered the following logo in the class "031 Natural Agricultural Products" with the same product description:

39. In Washington, Defendant has registered logos using its business name, "GG Strains" along with an image of a smoking gorilla:

40. On information and belief, Defendant has registered or applied to register additional confusingly similar trademarks in other state trademark registration systems.

41. Defendant's use of the GORILLA GLUE # marks is identical in sound and connotation to Gorilla Glue's registered GORILLA GLUE marks.

42. Defendant's use of the GORILLA GLUE # marks is confusingly similar to Gorilla Glue's use of the GORILLA GLUE marks. The two companies both sell identical goods with respect to clothing. Gorilla Glue owns federal trademark Registration No. 2069032 for one of its GORILLA GLUE marks in connection with "clothing, namely shirts and hats," entitling it to national exclusivity. Moreover, as to all products and services, Defendant is willfully infringing the GORILLA GLUE marks to create an association in its consumers' minds between Defendant and Gorilla Glue for purposes of trading on Gorilla Glue's reputation for products exhibiting strength and stickiness. Defendant is intentionally trading off of Gorilla Glue's name, reputation and goodwill.

43. Defendant's activities described above are without Gorilla Glue's permission or consent.

44. On information and belief, Defendant's activities described above are willful.

45. Defendant's activities described above have directly and proximately caused, and unless enjoined will continue to cause, irreparable harm both to Gorilla Glue and to consumers, who have an interest in being free from confusion, mistake, and deception.

46. Gorilla Glue has no adequate remedy at law and will be irreparably harmed if Defendant is permitted to use the GORILLA GLUE # marks in the United States in connection with its products and services.

73. The <gorillaglu4.com> domain name is confusingly similar to and dilutive of the GORILLA GLUE marks.

74. On information and belief, Defendant has or had a bad faith intent to profit from the GORILLA GLUE marks. As a direct and proximate result of Defendant's conduct, Gorilla Glue has suffered, and will continue to suffer, monetary loss and irreparable injury to its business, reputation and goodwill.

Mixed media coral reef. Took months to complete. Acrylic, glitter, rocks, Gorilla Glue for 3D effect, foam fish. Polyurethaned the water for sheen.

I have decided to use epoxy instead of [gorilla glue](#) as the main bonding agent between the glass and the steel clip, first I will roughen both the glass and the steel with a rotary tool with a little diamond grinding wheel on it.

Since Tiane has been scrubbing Gorilla Glue off of her hands all day, and the kids don't give a damn, we decided to pull a really awesome prank on them.

I noticed that this cocoa butter cream looks EXACTLY like Gorilla Glue. So, Tiane and I smeared it all over her lips an face and then ran to the Destiny's bedroom door doing the OMG it's an emergency knock.

Tiane Stood there going "MMMMMMMMMMMMMMMMMMMM" ... See More

INSTRUCTIONS FOR ATTORNEYS COMPLETING CIVIL COVER SHEET FORM JS 44

Authority For Civil Cover Sheet

The JS 44 civil cover sheet and the information contained herein neither replaces nor supplements the filings and service of pleading or other papers as required by law, except as provided by local rules of court. This form, approved by the Judicial Conference of the United States in September 1974, is required for the use of the Clerk of Court for the purpose of initiating the civil docket sheet. Consequently, a civil cover sheet is submitted to the Clerk of Court for each civil complaint filed. The attorney filing a case should complete the form as follows:

- I.(a) Plaintiffs-Defendants.** Enter names (last, first, middle initial) of plaintiff and defendant. If the plaintiff or defendant is a government agency, use only the full name or standard abbreviations. If the plaintiff or defendant is an official within a government agency, identify first the agency and then the official, giving both name and title.
- (b) County of Residence.** For each civil case filed, except U.S. plaintiff cases, enter the name of the county where the first listed plaintiff resides at the time of filing. In U.S. plaintiff cases, enter the name of the county in which the first listed defendant resides at the time of filing. (NOTE: In land condemnation cases, the county of residence of the "defendant" is the location of the tract of land involved.)
- (c) Attorneys.** Enter the firm name, address, telephone number, and attorney of record. If there are several attorneys, list them on an attachment, noting in this section "(see attachment)".
- II. Jurisdiction.** The basis of jurisdiction is set forth under Rule 8(a), F.R.Cv.P., which requires that jurisdictions be shown in pleadings. Place an "X" in one of the boxes. If there is more than one basis of jurisdiction, precedence is given in the order shown below.
 United States plaintiff. (1) Jurisdiction based on 28 U.S.C. 1345 and 1348. Suits by agencies and officers of the United States are included here.
 United States defendant. (2) When the plaintiff is suing the United States, its officers or agencies, place an "X" in this box.
 Federal question. (3) This refers to suits under 28 U.S.C. 1331, where jurisdiction arises under the Constitution of the United States, an amendment to the Constitution, an act of Congress or a treaty of the United States. In cases where the U.S. is a party, the U.S. plaintiff or defendant code takes precedence, and box 1 or 2 should be marked.
 Diversity of citizenship. (4) This refers to suits under 28 U.S.C. 1332, where parties are citizens of different states. When Box 4 is checked, the citizenship of the different parties must be checked. (See Section III below; **NOTE: federal question actions take precedence over diversity cases.**)
- III. Residence (citizenship) of Principal Parties.** This section of the JS 44 is to be completed if diversity of citizenship was indicated above. Mark this section for each principal party.
- IV. Nature of Suit.** Place an "X" in the appropriate box. If there are multiple nature of suit codes associated with the case, pick the nature of suit code that is most applicable. Click here for: [Nature of Suit Code Descriptions](#).
- V. Origin.** Place an "X" in one of the seven boxes.
 Original Proceedings. (1) Cases which originate in the United States district courts.
 Removed from State Court. (2) Proceedings initiated in state courts may be removed to the district courts under Title 28 U.S.C., Section 1441. When the petition for removal is granted, check this box.
 Remanded from Appellate Court. (3) Check this box for cases remanded to the district court for further action. Use the date of remand as the filing date.
 Reinstated or Reopened. (4) Check this box for cases reinstated or reopened in the district court. Use the reopening date as the filing date.
 Transferred from Another District. (5) For cases transferred under Title 28 U.S.C. Section 1404(a). Do not use this for within district transfers or multidistrict litigation transfers.
 Multidistrict Litigation – Transfer. (6) Check this box when a multidistrict case is transferred into the district under authority of Title 28 U.S.C. Section 1407.
 Multidistrict Litigation – Direct File. (8) Check this box when a multidistrict case is filed in the same district as the Master MDL docket.
PLEASE NOTE THAT THERE IS NOT AN ORIGIN CODE 7. Origin Code 7 was used for historical records and is no longer relevant due to changes in statute.
- VI. Cause of Action.** Report the civil statute directly related to the cause of action and give a brief description of the cause. **Do not cite jurisdictional statutes unless diversity.** Example: U.S. Civil Statute: 47 USC 553 Brief Description: Unauthorized reception of cable service
- VII. Requested in Complaint.** Class Action. Place an "X" in this box if you are filing a class action under Rule 23, F.R.Cv.P.
 Demand. In this space enter the actual dollar amount being demanded or indicate other demand, such as a preliminary injunction.
 Jury Demand. Check the appropriate box to indicate whether or not a jury is being demanded.
- VIII. Related Cases.** This section of the JS 44 is used to reference related pending cases, if any. If there are related pending cases, insert the docket numbers and the corresponding judge names for such cases.

Date and Attorney Signature. Date and sign the civil cover sheet.
