

I apologize for taking so long to get back to you.

The Sheriff's Office has an open internal investigation into the allegation of improperly classifying inmates. For that reason we are not going to comment on this issue until the investigation is complete. I have requested that the investigation be expedited and respectfully request you allow us to gather all of the facts before publishing the story so we can speak to you with the correct information.

Thank you,

Major Matt Haines

Montgomery County Sheriff's Office
