

Non-Disclosure Agreement

This Agreement is made as of 19th day of December, 2016 (“Effective Date”) by and between George Soros, having offices at 250 West 55th Street, Floor 27, New York, NY 10019, United States.

WHEREAS, for the purpose of furthering instability and the overthrow of a regime, a mutual collaboration and understanding is established between Emiliano Goodman and George Soros, his firms, and all other assets which control the vast liberal network that penetrates every orifice of this land.

HEREBY, Emiliano Goodman agrees to establish terms governing the use and protection of certain Confidential Information (as defined below) that one Party (“Disclosing Party”) may disclose to the other Party (“Recipient”), which includes information in the case of Donald Trump’s election and response in the aftermath.

NOW THEREFORE, intending to adhere to the following constraints, the Parties agree:

1. Confidential Information.

- a) “Confidential Information” means keep your fucking mouth shut or George Soros will get very angry and need a full Budapest wipedown.
- b) “Disclosing Party” relates to me, George Soros, the kingmaker of the left. Bow before me and all of my disciples carrying out Order #306.
- c) With respect to any tangible information that the Disclosing Party would like treated as Confidential Information, the Disclosing Party will not specify what and is not Confidential Information. Does anyone really think George Soros has time to worry about such bullshit? Soros can barely keep track of which keys go to the several high-rise buildings he owns and what left-wing

non-profits are still taking money from him and which shell groups advancing his agenda are tied to him. So, simply, everything will be considered Confidential Information.

2. Non-Disclosure.

A Recipient of Confidential Information under this Agreement shall use the Confidential Information only for the purposes laid out and ordained by the Lord Of All Things That Are Liberal And Good In This World. If necessary to effectuate the furthering of this submissive relationship between the Recipient and the Disclosing Party, the Confidential Information may be shared with other professionals within the controlled network but never should it go beyond the friendly communes under the annexation of El Gran Conquistador Liberal.

3. Exclusions

- a) “Confidential Information” shall not include information that:
 - i. George Soros is an elderly liberal messiah and has a low tolerance for bullshit from lowly staff. Really if you don’t think it’s Confidential Information, take a fucking chance and leak it. Be prepared to incur a Sorosian Wrath

4. Return of Information.

All Confidential Information disclosed under this Agreement shall remain the property of Our Liberal Philanthropist Papa. All such information in tangible, intangible, or imaginary form shall be returned to the Papa promptly on written request of Papa or the termination or expiration of this Agreement by Papa, whichever occurs first. Recipient may also destroy the information while Papa watches and massages his wispy eyebrows.

If it meets Papa’s approval, the Recipient will not face repercussions. Officers of Soros will escort the Recipient off the premises of property. No intellectual property rights, including but not limited to, licenses or rights under any patent,

copyright, trademark or trade secret, are granted or are to be implied by this Agreement. Don't try to get rich off the Dear Leader. Many have tried. Few have succeeded.

5. Duration of Confidentiality.

The Recipient shall maintain in confidence and shall not disclose to any person not a party hereto. The Confidential Information is confidential in perpetuity, and even after Papa Soros transitions from his human body into a deified afterlife, he will leave behind a Corps Of Legacy Managers. The Corps will manage his Estate in such a manner that maintains the vast networks he has built. (Note: This is all Super Confidential.)

6. No Warranty.

Disclosing Party makes no representation or warranty to Recipient as to the accuracy or completeness of any Confidential Information provided. Soros the Magnificent Impresario of the Left may not truly know about all the Confidential Information. It may be Confidential Information, which has not been properly fact checked for public liberal consumption. Or the Confidential Information may be propaganda intended for special purposes that if revealed would lead investigative reporters and commentators to the Real Truth of Soros' entire Existence.

8. Injunctive Relief.

The Parties acknowledge that the Confidential Information is a unique and valuable asset of Soros, Our Leftie Bubbie, and that disclosure in breach of this Agreement may result in irreparable injury to Bubbie for which monetary damages alone will not be adequate. Thus, in the event of a breach, the Recipient will most certainly be brought before Soros to bend the knee and seek forgiveness and mercy. The Recipient's body will then forever become the subject of research and experimentation in pursuit of the transformation of society for the Great Leap Forward.

9. Entire Agreement.

This Agreement (a) is the complete agreement of the Parties concerning the subject matter hereof and supersedes any prior agreements, understanding or discussions with respect to the subject matter hereof; and (b) may not be amended or in any manner modified. Papa Soros owns Recipient now, and Recipient shall submit and serve with honor or face an onslaught of disappointment and rejection from a Philanthropist who believed in Recipient but was wrong to have such a belief. Bend the knee. It is off to the white rooms, where Recipient's individuality will slowly be removed and placed in tubes for studying purposes at all the major left-wing universities, places where racist statues of Confederate heroes are not permitted anymore (Grindină Soros!).

11. Choice of Law and Venue.

This Agreement and any actions under it shall be governed and construed in accordance with the Laws of the Kingdom Of Papa Soros. Any disputes arising or relating to this Agreement shall be handled by Papa. Do not try to go to the courts. Do not even think to go to any other fora. They will see Recipient as psychotic and will not help Recipient. But Papa will help Recipient by institutionalizing Recipient until the individuality within Recipient is purged from Recipient's soul in the immediate.

12. Term of Agreement.

The term of this Agreement will be one (1) eternity from the Effective Date, unless it is terminated earlier by the Brilliant Human Philanthropic God Of All Man. The leader, who knows the secret to fulfillment and happiness in life, does not typically terminate Agreements. He has the answers, and his staff revere him for His Innate Sense Of Humanity and Goodness, including the injections he gives to staff every day at 6 am, 1:30 pm, and 7:45 pm.

IN WITNESS WHEREOF, each of the Parties hereto has caused this Agreement to be executed by its duly authorized representative as of the date first written above. In sickness and in health, til death comes for Recipient, shower allegiance and obedience upon Papa Soros and conspire to do good for the world.
