On consideration of the unopposed motion of the United States to supplement the record and the unconsented-to motion of the Electronic Frontier Foundation to participate in oral argument, and it appearing that this matter is scheduled on the Regular Calendar of September 14, 2017, it is

ORDERED on behalf of the merits division assigned to consider this matter that the motion to supplement the record is GRANTED and that the motion of the Electronic Frontier Foundation to participate in oral argument is DENIED.
