

After reviewing the user manual for your victims compensation unit, I am making the following request pursuant to Ohio public record law. I am requesting:

1. Monthly reconsideration reports produced by your reconsideration unit (per page 35 of the manual) for every month through and including January 2016 and May 2017.
2. Monthly summary reports produced by your reconsideration unit (per page 35 of the manual) for every month through and including January 2016 and May 2017.
3. A list of all claims connected to Montgomery County from Jan. 1, 2016 through May 31, 2017. Page 211 of the manual explains how your office can query by county and date (selecting all incident types) and produce such a list. I would prefer the record in a CSV format. If that is not possible, I would like it in a pdf printed from the program. If that is not possible, I would like a digitized printout.
