Austin, Texas 78711-2967

Christi Craddick, Chairman
Ryan Sitton, Commissioner
Wayne Christian, Commissioner

Re: Resignation

Chairman and Commissioners:

Pursuant to the meeting with Chairman Craddick on Monday, September 18th, please accept this letter as formal notification of my resignation from the position of Executive Director of the Railroad Commission of Texas effective November 7, 2017.

I'm proud to have served Texas in this capacity and privileged to have worked with some of the best, most dedicated employees in the state. Together we have accomplished a great deal in a short period of time. After two previous attempts failed, we had a successful Sunset review process with exceptionally positive results that will benefit the people of Texas for many years. We secured a robust budget that will, among other things, enable the agency to finally set a course to exit the mainframe environment and build a solid foundation for the IT innovations so fundamental to information access and transparency. We've built a strong leadership team and transformed the agency into a performance based organization focused on Safety, Customer Service and Operational Excellence. We have instituted a health and wellness program for employees, and importantly made significant progress towards completing standard operating guidelines and ensuring consistent interpretation of commission rules across all RRC districts.

I hope progress will continue on and the numerous other important initiatives already underway.

Thank you for the opportunity to serve our great state.

Sincerely,

Kimberly Corley
