## **RELEASE AND HOLD HARMLESS AGREEMENT**

### **I.**

FOR THE SOLE CONSIDERATION of the sum of \$3,200.00 (three thousand, two hundred dollars) for claimed monetary damages to Marlin Anderson, Mary Bailey, Matthew Chase, Jack Golden, Leo Rhodes and Jerry Baker (hereinafter "the named plaintiffs"), \$37,000 in claimed attorneys' fees and costs to the Oregon Law Center, and the non-monetary terms set out below, the undersigned named plaintiffs in United States District Court for the District of Oregon Case No. 08-1447-AA, hereby release and forever discharge Police Chief Michael Reese, the City of Portland, its agents, officers, employees, officials, and all other persons, firms, corporations or other entities liable or who might be claimed to be liable from any and all claims for damages and/or injuries from or relating to the events alleged in their complaint.

#### **A. Monetary terms of settlement**

1. The City agrees to pay \$3,200.00 (three thousand, two hundred dollars) for claimed economic damages to the individually-named plaintiffs and any other unnamed beneficiaries designated by Oregon Law Center.
2. The City agrees to pay \$37,000.00 (thirty-seven thousand dollars) for claimed attorney fees and costs to Oregon Law Center.
3. The named plaintiffs agree that in lieu of payment to them, an equivalent amount to that claimed for attorney fees will be used by the City of Portland Housing Bureau for the specific and restricted use as rent-assistance funds in the Housing Bureau's Homeless program or programs, specifically known as "GF-PHB." Those funds are to be contracted in the City's 2012-2013 Adopted Budget.

#### **B. Non-monetary terms of settlement:**

1. The City will enforce its camping ordinance (PCC 14A.50.020 or successor) and its erecting temporary structures ordinance (PCC 14A.50.050 or successor) citywide in accordance with the protocols set forth in Directive 835.20 and in the June 15, 2009 Central Precinct memorandum, with the following modifications:

- a) The definition of “established campsite” in Directive 835.20 will be revised to include “a camp structure such as a hut, lean-to, tent, or other temporary structure such as carts and/or personal property”.
  - b) Unless an exception as defined in Directive 835.20 applies, officers will provide advance notice before citation and property removal to all campers, including those with only a bedroll, those who are partially blocking sidewalks, and those camping in cars. If a citation without property removal is to occur, the minimum notice will be a verbal warning with reasonable time to relocate; reasonable time is usually one hour but may be shorter if necessary. Both Directive 835.20 and the June 15, 2009 memorandum will be revised to reflect these rules.
  - c) Directive 835.20 will be revised to reflect the additional notice and storage requirements that apply when camp cleanups are to occur on a State of Oregon right-of-way (see OAR Chapter 734, Division 35, Highway Division).
  - d) All activity by any person or persons in any Portland Parks remains governed by Portland City Code Chapter 20, which may include different rules.
2. When engaged in “Posting/Cleanup of Established Campsites,” as defined in PPB Directive 835.20, PPB Officers will:
- a) Include in any posted notice “This campsite will be cleared no less than 24 hours after and within seven (7) days of [the date and time the site is posted for cleanup].” However, the 7-day period is not a guarantee that any clean-up will not take place until seven days have elapsed – clean-up may take place at any time within that seven-day period.
  - b) Keep for storage any item that is reasonably recognizable as belonging to a person and that has apparent use.
  - c) Photograph all confiscated property. Containers, including bags and backpacks, will be photographed, and their contents will be inventoried and photographed.
  - d) Create a written list of all property confiscated showing the location and date of the cleanup, and including a description of each item of property confiscated, including the type of item, color, any known brand-name, and marks thereon identifying an owner.
  - e) Photograph the campsite after all items are collected, to show what is being disposed of instead of confiscated and maintained.

f) Include in any posted notice "All property confiscated from this camp will be maintained at Stanton Yard, 2929 N. Kerby Avenue, Portland, Oregon for a minimum of 30 days. Property owners may inquire there to attempt to locate confiscated property: (503) 823-1700; 6:30 a.m. – 3:00 p.m. Monday thru Friday."

3. The City will train its officers on these new rules.

a) The City will make these guidelines available to the public, and the City's police officers will tell potential campers and outdoor sleepers about these guidelines.

## II

IT IS UNDERSTOOD AND AGREED that the payment and promises made under this agreement are not to be construed as an admission of liability. PPB Chief Reese and the City of Portland expressly deny liability to the plaintiffs or any other person for injuries or damages arising out of the events and/or condition alleged in the aforementioned federal lawsuit.

## III

IT IS FURTHER UNDERSTOOD AND AGREED that this agreement releases Chief Reese and the City of Portland, its employees, agents and officers from any and all claims arising out of the above-described cause of action, and claims against the proceeds of said action including, but not limited to, medical liens, hospital liens, Social Security Administration liens, Medicare liens, workers' compensation liens and all other liens against the above-described causes of action at the time of execution hereof.

## IV

THE UNDERSIGNED AGREE AND WARRANT that all expenses incurred to date or which will be incurred in the future, which are related in any way to claims being released herein, have either been paid or will be paid from the proceeds of this settlement and that the plaintiffs will hold Chief Reese and the City of Portland, its agents, employees and officers harmless from any claim for any such expense whenever incurred and, if any suit is filed against them to collect such claim, the plaintiffs will accept the tender of defense of any such claim,

defend at their expense and pay any judgment entered therein and agree to compensate the Chief, the officers, and/or the City of Portland for any expense or liability incurred as a result of the filing of such suit.

V

THE UNDERSIGNED HEREBY DECLARE that they have read this Release and Hold Harmless Agreement and that it is fully understood and voluntarily accepted for the purpose of making a full and complete settlement and compromise of any and all claims, in whatever legal form or theory the plaintiffs might assert, whether disputed or otherwise, arising out of the events described in their complaint in the United States District Court for the District of Oregon, entitled:
