

Oklahoma State Department of Health
Creating a State of Health

October 30, 2017

Martha Burger, Board President
Oklahoma State Board of Health
1000 NE 10th Street
Oklahoma City, OK 73105

Dear President Burger,

On Saturday, October 30, 2017, I called you and tendered my resignation as Commissioner for the Oklahoma State Department of Health, effective date to be determined. On the following day, I spoke with Governor Mary Fallin, and also tendered my resignation as Oklahoma Cabinet Secretary of Health and Human Services. I would request that my resignation be accepted by the Oklahoma State Board of Health effective immediately.

It has truly been an honor to serve the Board, the Oklahoma State Department of Health (OSDH) and the people of the great state of Oklahoma. I know the OSDH, which is comprised of individuals who are incredibly mission driven and committed to improving the health of the state, will continue to build on the significant improvements we have seen in the health of our state over the last several years.

Respectfully submitted,

Terry Cline, Ph.D.
