

A PAC run anti-Trump site '[putintrump.org](http://putintrump.org)' is about to launch. The PAC is a recycled pro-Iraq war PAC. We have guessed the password. It is 'putintrump'. See 'About' for who is behind it. Any comments?

Off the record I don't know who that is but I'll ask around. Thanks.

Internationally, to try and cutoff Assange's delivery of the cables and if that effort failed, then to forge a strategy to minimize the administration's public embarrassment over the contents of the cables. Hence, Clinton's early morning November meeting of State's top brass who floated various proposals to stop, slow or spin the Wikileaks contamination. That is when a frustrated Clinton, sources said, at some point blurted out a controversial query.

"Can't we just drop this guy?" Clinton openly inquired, offering a simple remedy to silence Assange and smother Wikileaks via a planned

Hillary Clinton on Assange "Can't we just..."

What's behind this Wednesday leak I keep reading about?

Hey Donald, great to see you and your dad talking about our publications. Strongly suggest your dad tweets this link if he mentions us [wsearch.tk](http://wsearch.tk)

i.e you guys can get all your followers digging through the content

there's many great stories there the press are missing and we're sure some of your follows will find it.

btw we just released Podesta  
Emails Part 4

Hey Don. We have an unusual  
idea.

Leak us one or more of your  
father's tax returns.

The benefits are this:

1. Most of the harm has already  
been done by the nyt and pre-  
empted by your father (tax  
writedowns)

10/21/16, 9:46 AM

2. It's possible that any moment  
they could come out through the  
most biased source (e.g NYT/  
MSNBC) who will distort them  
into the worst possible light

10/21/16, 9:47 AM

3. If we publish them it will dramatically improve the perception of our impartiality. This is the real kicker. That means that the vast amount of stuff that we are publishing about Clinton will have much higher impact, because it won't be perceived as coming from a "pro-Trump" "pro-Russian" source, which the Clinton campaign is constantly slandering us with.

10/21/16, 9:49 AM

You can email them to [office@wikileaks.org](mailto:office@wikileaks.org) or use our secure submission system at [wikileaks.org/#submit](http://wikileaks.org/#submit) or many other methods (e.g lawyer to lawyer).

10/21/16, 9:51 AM

The same for any other negative stuff (documents, recordings) that you think has a decent chance of coming out. Let us put it out. We'll present it accurately as opposed to in a biased manner and it will increase the power of all our other publications about Clinton.

10/21/16, 9:54 AM

Hi Don; if your father 'loses' we think it is much more interesting if he DOES NOT concede and spends time CHALLENGING the media and other types of rigging that occurred--as he has implied that he might do. He is also much more likely to keep his base alive and energised this way and if he is going to start a new network, showing how corrupt the old ones are is helpful. The discussion about the rigging can be transformative as it exposes media corruption, primary corruption, PAC corruption etc.

We don't like corruption either and  
our publications are effective at  
proving that this and other forms  
of corruption exists.

Wow.

11/9/16, 12:49 AM

Obama people will surely try to  
delete records on the way out.  
Just a heads up.

11/9/16, 12:51 AM

Hi Don. Hope you're doing well! In relation to Mr. Assange: Obama/ Clinton placed pressure on Sweden, UK and Australia (his home country) to illicitly go after Mr. Assange. It would be real easy and helpful for your dad to suggest that Australia appoint Assange ambassador to DC "That's a really smart tough guy and the most famous Australian you have! " or something similar. They won't do it, but it will send the right signals to Australia, UK + Sweden to start following the law and stop bending it to ingratiate themselves with the Clintons. Us publishing not only deprives them of this ability but is beautifully confounding.

If you have a contact that wants to send this or other information to us for publication they can contact us via our lawyers
