

# The Interfraternity Council at The Ohio State University

November 16, 2017

## Statement on the Suspension of IFC Activities

The health and safety of members of the Ohio State community is our top priority. We commit to collaborating with parents, the University, chapters, and their national or international headquarters to enhance safety and accountability in our Ohio State fraternity system. We will continue to advocate for the advancement of tangible solutions to the problems that exist within our community.
