A Fully Accredited, Missouri A+ School District . . .

March 6, 2017

Greetings neighbors,

Center School District hopes to begin working with a new bus company for the 2017-2018 school year. The new contract will provide better service for our students at a lower cost to our district. The contract includes parking busses in the lower parking lot to the west of the Center High School stadium. This is on the south side of the road that goes from our Administrative Office to Troost. We will build a one-stall mechanic shed next to the current district maintenance building. Some of the busses are diesel-fueled and could be started early on really cold days during the winter months. We do not believe you will be disturbed by this but we wanted you to be aware. If you have questions do not hesitate to call or stop in to talk to us.

Thank you for being our neighbors,

Michael Weishaar, Director of Business
Sharon Nibbelink, Superintendent
