Dear Friend,

On behalf of the Association for Homeless and Disabled Veterans a special program of Center for American Homeless Veterans, Inc. and the men and women who served and sacrificed to provide the blanket of freedom under which we live "Thank You" for your generous pledge of support.

The Association for Homeless and Disabled Veterans is a non-profit Veterans' organization that provides advocacy for those who deserve it the most and have the least - "The American Homeless Veteran".

Here's what we are supporting and why we need your help for our veterans:

- Throughout the course of the year there are about 125,000 homeless veterans in America.
- Approximately 1/3rd of the homeless in America are veterans who served our country and defended our freedom.
- Participants in the veterans assistance programs we support must remain drug and alcohol-free, must maintain a clean-cut appearance, must be responsible for daily chores and must get a job to stay in the program.
- The programs we support have some of the highest success rates getting homeless veterans off the street and into productive lives when they complete the programs.
- There are currently over five million Disabled Veterans in America.

We are very proud of the fact that the veterans assistance facilities we choose to aid, boast job success rates of over 50%! They successfully get one out of every two recipients off the streets, for good!

With your support we will continue our much needed programs. Although our organization's registered address is in Falls Church, VA please use the mailing address provided on the payment coupon for a prompt response to any correspondence. We would like to thank Midwest Publishing-DN, Inc. a paid professional fundraiser for all their great work on this campaign.

The Association for Homeless and Disabled Veterans would like to once again thank you for your generous support for our veterans.

Sincerely,

Brian Hampton MAJ, INF USAR (ret)
President
