- (v) any recovery from the current defendants in the Data Breach Litigation will be solely and exclusively limited to available coverage under the Insurance Policies, **provided** that any recovery from the proceeds of the Beazley Policy shall not include any of the \$2.5 million of proceeds available under the regulatory sublimit in the Beazley Policy (the "Regulatory Sublimit"), **provided further** that, notwithstanding the foregoing limitation, the Data Breach Claimants may recover from any coverage remaining under the Beazley Policy after all claims covered under the Regulatory Sublimit have been paid and/or settled;
- (vi) the Data Breach Claimants shall not pursue any other actions or proceedings arising out of or relating to the facts alleged, or that could have been alleged, in the Complaint if such actions or proceedings would give rise to an Uncovered Claim;
- (vii) the Data Breach Claimants waive any argument that the Debtors, the Reorganized Debtors, the Debtors' estates, or their successors shall be required to pay or otherwise satisfy (a) any self-insured retention or deductible liability; (b) any obligation to post any security or deposit with any Insurer pursuant to the terms of the Insurance Policies; (c) any defense costs; (d) any portion of a judgment or settlement that exceeds the aggregate available coverage under the Insurance Policies; or (e) any other costs of any kind, including, without limitation, any claims by any Insurer against the Debtors, the Reorganized Debtors, the Debtors' estates, or their successors arising from the Data Breach Litigation, **provided, however**, that the Data Breach Claimants do not undertake, and shall not have, any obligation to (x) satisfy any self-insured retention or deductible liability or

- (y) pay any defense costs on behalf, or in the place, of the Debtors, the Reorganized Debtors, the Debtors' estates, or their respective successors, and the Data Breach Claimants reserve all rights with respect to (including but not limited to the rights to contest and defend against) any such claim asserted by any Insurer or any other person or entity.
- (b) Concurrent with the execution of this Settlement Agreement by the Parties, Debtors' counsel shall prepare and file all papers necessary to obtain entry of the Approval Order, including a motion for the same (the "Approval Motion"). The Approval Motion will be heard following the Voting Deadline (as defined in the Disclosure Statement Order) and may be heard in connection with, but is not contingent upon, confirmation of the Plan. The Debtors and the Data Breach Plaintiffs will endeavor to resolve in good faith any objections to the Approval Motion.
- (c) Upon the Approval Order becoming a Final Order, the Data Breach Plaintiffs, if applicable, shall be deemed to have withdrawn their respective election forms opting out of the Third Party Release and will use best efforts to encourage and assist all other Data Breach Claimants to do so, including communicating directly with the Data Breach Claimants' counsel.
- (d) It shall be a condition precedent to the effectiveness of this Settlement Agreement that either:
- (i) each 3018 Movant shall vote to accept the Plan;<sup>3</sup> or
  - (ii) alternatively, to the extent any 3018 Movant wishes to maintain the ability to opt out of the Third Party Release, such 3018 Movant shall withdraw its respective 3018 Motion, shall not vote on the Plan, and shall submit its Election Form by the Voting Deadline.

2. **Assignment of Rights to Seek and Receive Insurance Coverage.**

- (a) The Debtors hereby, to the fullest extent permitted by applicable law, assign to the Data Breach Plaintiffs, for themselves and for the benefit of any class, all of the Debtors' rights to pursue any and all Coverage Litigation and seek and receive coverage under the Insurance Policies for the claims and causes of action now or hereafter asserted in the Data Breach Litigation, including but not limited to claims of bad faith against the Insurers. Consistent with paragraph 1(a)(iv), the Approval Order will provide that, to the extent such assignment is determined by an order of the Florida District Court, another court of competent jurisdiction, or an arbitrator or regulatory agency to (1) be invalid or unenforceable for any reason or (2) adversely impact coverage under the Insurance Policies for the Data

<sup>3</sup> In the event a 3018 Movant wishes to vote to accept the Plan, the Debtors shall stipulate to such 3018 Movant having a general unsecured claim allowed for voting purposes in the amount of \$1.00.

Breach Litigation, the Data Breach Plaintiffs or their designee are granted derivative standing and authority, without further action by the Debtors, the Reorganized Debtors, or any Data Breach Claimants, and without further order of the Bankruptcy Court, the Florida District Court, or any other court, to pursue Coverage Litigation on behalf of the Debtors' estates or any successors thereof, and any and all benefits therefrom shall be for the sole purpose of satisfying any and all claims asserted or to be asserted in the Data Breach Litigation.

- (b) The Debtors will provide the Data Breach Plaintiffs with commercially reasonable access to any documents, information (including electronically stored information), and other evidence potentially relevant to any coverage-related claims against the Insurers and will not knowingly or intentionally, after the good faith exercise of reasonable diligence and inquiry, take any action to compromise or interfere with, or knowingly or intentionally, after the good faith exercise of reasonable diligence and inquiry, fail to take any action if such failure would knowingly or intentionally, after the good faith exercise of reasonable diligence and inquiry, jeopardize, compromise, or interfere with, any such coverage or the Data Breach Plaintiffs' efforts to pursue or secure such coverage, without the prior written consent of the Data Breach Plaintiffs, *provided however*, that consistent with paragraph 1(a)(vii) *supra*, the Data Breach Claimants waive any argument that the Debtors, the Reorganized Debtors, the Debtors' estates, or their successors shall be required to pay or otherwise satisfy (a) any self-insured retention or deductible liability; (b) any obligation to post any security or deposit with any Insurer pursuant to the terms of the Insurance Policies; (c) any defense costs; (d) any portion of a judgment or settlement that exceeds the aggregate available coverage under the Insurance Policies; or (e) any other costs of any kind, including, without limitation, any claims by any Insurer against the Debtors, the Reorganized Debtors, the Debtors' estates, or their successors arising from the Data Breach Litigation.
- (c) For the avoidance of doubt, and notwithstanding the assignment and grant of derivative standing referenced in paragraph 2(a) *supra* and in the Approval Order, the Data Breach Plaintiffs do not undertake any affirmative obligation to pursue coverage under the Insurance Policies for the claims and causes of action asserted in the Data Breach Litigation.
3. **Amendment of Complaint.** The Data Breach Plaintiffs may amend the Complaint from time to time as necessary to supplement the factual allegations set forth therein, to add claims related to the Data Breach Litigation and/or to add additional defendants (other than any person serving as an officer or director of any of the Debtors at any time prior to the effective date of the Plan), *provided* that no such amendment shall give rise to any Uncovered Claim.
4. **Form of Confirmation Order.** The Confirmation Order shall in all respects be consistent with this Settlement Agreement and shall provide that, upon the Approval Order becoming a Final Order, the Data Breach Litigation may continue against 21st

Century California notwithstanding the Third Party Release, with any recovery from 21st Century California limited as set forth in paragraph 1(a)(v) of this Settlement Agreement. For the avoidance of doubt, the Data Breach Plaintiffs shall otherwise be deemed to be Releasing Parties under the Plan. The Confirmation Order shall also provide for the preservation by the Debtors, the Reorganized Debtors, the Debtors' estates or their successors, while the Data Breach Litigation is pending, of any documents, information (including electronically stored information) and other evidence that such parties reasonably determine are potentially relevant to the Data Breach Litigation.

5. **Mutual Limited Release; Covenant Not to Sue.**

(a) Effective upon the occurrence of the Settlement Effective Date, in consideration of the covenants undertaken in this Settlement Agreement, the Debtors, on the one hand, and the Data Breach Plaintiffs, on the other hand, each on behalf of themselves and (i) each of their respective current and former, direct and indirect, parent companies, subsidiaries, and affiliates; (ii) the respective assigns, predecessors, successors, and related entities of the entities in (i); and (iii) all current and former employees, agents, directors, officers, managers, members, stockholders, partners, limited partners, equity holders, professionals, staff, principals, owners, and other representatives of the Parties and of the individuals and entities in clauses (i) and (ii) (collectively, (i) through (iii) are the "Related Parties"), for good and valuable consideration, receipt and sufficiency of which is hereby acknowledged, and having been represented by counsel and having been fully and adequately informed as to the facts, circumstances and consequences of this Settlement Agreement, each hereby irrevocably and unconditionally release, acquit, and forever discharge the other, and all of the other's respective Related Parties, contractors, and attorneys (all of which and whom are collectively referred to as "Releasees"), with respect to and from, any and all claims, demands, charges, additional costs, rights, liens, agreements, contracts, covenants, actions, suits, causes of action, arbitration, tax assessments, obligations, debts, costs, expenses, attorneys' fees, damages, judgments, sums of money, accounts, reckonings, bonds, bills, specialties, covenants, controversies, indemnities, variances, trespasses, damages, compensation, fines, penalties, losses, orders and liabilities, of whatever kind or nature in law, equity or otherwise, whether now known or unknown, compulsory or permissive, sounding in tort, contract, statutory or regulatory violation or otherwise, suspected or unsuspected, discovered or undiscovered, foreseen or unforeseen, vested or contingent, accrued or unaccrued, liquidated or unliquidated, asserted or unasserted, matured or unmatured, direct or indirect, derivative or subrogated, individual, class, representative, or other capacity, that the Parties and their respective Related Parties now own or hold, or have at any time heretofore owned or held, or may in the future hold against said Releasees, or any of them, arising out of or in any way relating to the Security Incident, the Data Breach Litigation, the Data Breach Proofs of Claim, and the Settlement Agreement, *provided, however*, that the foregoing release is made without prejudice to, and shall not impact in any way, the rights of the Data Breach Claimants, individually and/or on behalf of any

class, to (i) continue to prosecute the Data Breach Litigation against the Debtors, 21st Century California, and any other defendant (other than any person serving as an officer or director of any of the Debtors at any time prior to the effective date of the Plan) now or hereafter named in the Data Breach Litigation so long as such prosecution against any other defendant does not give rise to an Uncovered Claim, (ii) commence, continue, prosecute, and/or defend, as applicable, any Coverage Litigation, and/or (iii) pursue and recover from any available coverage under any or all of the Insurance Policies on account of any settlement or judgment in the Data Breach Litigation, in each instance subject to and consistent in all respects with paragraphs 1, 2, and 3 of this Settlement Agreement, ***provided further*** that the foregoing release does not, shall not, and is not intended to release any claims, causes of action, or other rights of any Party arising out of or related to any breach of, or to enforce the terms of, this Settlement Agreement;

- (b) Effective upon the occurrence of the Settlement Effective Date, each of the Parties, on behalf of itself and its respective Related Parties, covenants and agrees not to pursue or prosecute any suit, claim, action, or proceeding seeking recovery against or from any one or more of the Releasees arising out of or relating to any one or more of the claims released hereunder, ***provided, however,*** that the foregoing covenant is made without prejudice to, and shall not impact in any way, the rights of the Data Breach Claimants, individually and/or on behalf of any class, to (i) continue to prosecute the Data Breach Litigation against the Debtors, 21st Century California, and any other defendant (other than any person serving as an officer or director of any of the Debtors at any time prior to the effective date of the Plan) now or hereafter named in the Data Breach Litigation so long as such prosecution against any other defendant does not give rise to an Uncovered Claim, (ii) commence, continue, prosecute, and/or defend, as applicable, any Coverage Litigation, and/or (iii) pursue and recover from any available coverage under any or all of the Insurance Policies on account of any settlement or judgment in the Data Breach Litigation, in each instance subject to and consistent in all respects with paragraphs 1, 2, and 3 of this Settlement Agreement, ***provided further*** that the foregoing covenant does not, shall not, and is not intended to preclude any Party from asserting or prosecuting any claim or cause of action arising out of or related to any breach of, or to enforce the terms of, this Settlement Agreement.

6. **Representations and Warranties.**

- (a) Each of the Parties acknowledges, agrees, represents and warrants that:
- (i) It has not heretofore assigned or transferred, or purported to assign or transfer, to any person or entity any claim or cause of action released pursuant to paragraph 5 above;

- (ii) There are no liens or claims of lien, or assignments in law or equity or otherwise, of or against any claim or cause of action released pursuant to paragraphs 5 above;
  - (iii) It has duly executed and delivered this Settlement Agreement and is fully authorized to enter into and perform this Settlement Agreement and every term hereof and has the authority to bind the entity on whose behalf it has executed the Settlement Agreement;
  - (iv) It has been represented by legal counsel in the negotiation and joint preparation of this Settlement Agreement, has received advice from legal counsel in connection with this Settlement Agreement and is fully aware of this Settlement Agreement’s provisions and legal effect; and
  - (v) It enters into this Settlement Agreement freely, without coercion, and based on its own judgment and not in reliance upon any representations or promises made by the other Parties, apart from those set forth in this Settlement Agreement.
- (b) The Debtors represent and warrant to the Data Breach Plaintiffs that, as of November 19, 2017:
- (i) there is approximately \$4,226,257.48 of coverage presently remaining under the Beazley Policy, and approximately \$2,376,753.26 of coverage presently specifically remaining under the Regulatory Sublimit; and
  - (ii) the following claims, and no other claims, are presently outstanding against the Insurance Policies:

INSURANCE POLICY	AMOUNT
Beazley Policy (Regulatory Sublimit)	Potential regulatory and/or government settlement— amount to be determined
Beazley Policy (Regulatory Sublimit)	\$123,246.74
Beazley	\$650,495.78
<u>Travelers CGL Policies</u>	\$11,184.00
Travelers CEL Policy	\$353.00

- (c) Each of the Parties acknowledges the materiality of the foregoing representations and warranties.

7. **Waiver of California Civil Code Section 1542 and Analogous Statutes.** This Settlement Agreement is the result of a compromise and shall not be deemed an admission of the truth or correctness of the claims or contentions of any Party to this Settlement Agreement against any other Party. It is understood by the Parties that there is a risk that subsequent to the execution of this Settlement Agreement the claims of any Party with respect to the subject matter hereof may be discovered to be greater or less than any Party now expects or anticipates. Each Party assumes this risk and the releases contained herein shall apply to all unknown, undiscovered, or unanticipated results, as well as those known, discovered and anticipated. The Parties expressly waive and relinquish all rights and benefits afforded by Section 1542 of the California Civil Code and analogous statutes, and any law of any state or territory of the United States, or principle of common law, or the law of any foreign jurisdiction, that is similar, comparable or equivalent to Section 1542 of the California Civil Code with respect to all claims and other rights released in paragraph 5 of this Settlement Agreement, and do so understanding and acknowledging the significance and consequence of such specific waiver of Section 1542. Section 1542 of the California Civil Code states as follows:

**“A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.”**

Each Party has read and understands the provisions of California Civil Code Section 1542 and acknowledges and agrees that, although it may hereafter discover facts other than or different from those that it knows or believes to be true with respect to the claims released pursuant to the provisions of this Settlement Agreement, it hereby expressly waives the benefits of California Civil Code Section 1542 and analogous statutes, and any law of any state or territory of the United States, or principle of common law, or the law of any foreign jurisdiction, that is similar, comparable or equivalent to Section 1542 of the California Civil Code, and fully, finally and forever settles and releases any known or unknown, suspected or unsuspected, asserted or unasserted, contingent or non-contingent claims related to those claims and other rights released in paragraph 5 of this Settlement Agreement, without regard to the subsequent discovery or existence of such different or additional facts.

8. **Florida Law and Construction of Agreement.** This Settlement Agreement shall be governed by and construed and enforced in accordance with the laws of the State of Florida. Any ambiguity in or dispute regarding the interpretation of this Settlement Agreement shall not be resolved by any rule of interpretation providing for interpretation against the Party that causes the uncertainty to exist or against the drafting Party.
9. **Jurisdiction.** The Parties (a) consent to the exclusive jurisdiction of the Bankruptcy Court over the approval, implementation, interpretation, and enforcement of this

Settlement Agreement and (b) acknowledge and agree that the Florida District Court retains exclusive jurisdiction over all aspects of the Data Breach Litigation and, upon entry of the Approval Order, any pending Coverage Litigation.

10. **No Admission or Acknowledgement.** Each of the Parties understands, acknowledges, and agrees that this Settlement Agreement constitutes a compromise and settlement of certain disputed claims arising from or relating to the Security Incident, the Data Breach Litigation, and the Data Breach Proofs of Claim, and that this Settlement Agreement shall not constitute an admission of or stipulation to any fact or liability by any of them regarding any claim or cause of action, including but not limited to the claims and causes of action released hereunder, and neither the terms hereof, nor the fact of this Settlement Agreement itself, shall be evidence of any kind in any proceeding other than a proceeding to enforce the terms of this Settlement Agreement or any instrument executed in furtherance hereof or any claim for damages or other relief for breach of any representation or warranty contained herein or in any instrument executed in connection herewith. No action taken by the Parties, or any of them, either previously or in connection with this Settlement Agreement, shall be deemed to be or construed to be (i) an admission of the truth or falsity of any of the claims made and/or raised in connection with such disputed claims or of any question of law or fact; or (ii) an acknowledgment or admission by any Party of any fault, wrongdoing or liability whatsoever.
11. **Entire Agreement; Amendment; Waiver.** This Settlement Agreement constitutes the entire agreement between the Data Breach Plaintiffs and the Debtors with respect to the matters agreed herein. The Data Breach Plaintiffs and the Debtors have executed this Settlement Agreement voluntarily, after having obtained the advice of legal counsel, and with a full and free understanding of its terms, which may not be changed except by a writing signed by all of the Parties.
12. **Binding Effect.** This document, in all of its particulars, is binding on and for the benefit of all Parties and their respective agents, employees, officer, directors, successors, affiliates, subsidiaries, assigns and representatives.
13. **Severability.** If any provision of this Settlement Agreement is declared illegal or unenforceable by a Final Order of a court of competent jurisdiction or an arbitrator or regulatory agency, such provision shall be deemed severable to the extent necessary to eliminate the illegality or unenforceability thereof, and all other terms and provisions shall remain valid and binding on the Parties and their respective agents, employees, officer, directors, successors, affiliates, subsidiaries, assigns and representatives.
14. **Agreement Costs and Expenses.** Each Party will pay its own legal and other costs and expenses incident to this Settlement Agreement.
15. **Counterpart Execution and Use of Photocopies.** This Settlement Agreement may be executed by signature of each of the Parties hereto, or their authorized representatives, on multiple copies of this Settlement Agreement, including copies transmitted by facsimile

machine or electronically, and upon being so executed by all Parties hereto, shall be effective as if all signatures appeared on a single original of this Settlement Agreement.

16. **Additional Documents and Acts.** Each of the Parties agrees to execute or cause its counsel to execute any additional documents and take any further action that may reasonably be required to consummate this Settlement Agreement, or otherwise fulfill the obligations of the Parties hereunder. The Parties shall bear their own costs and attorneys' fees incurred in connection with any such additional action.
17. **Recitals, Acknowledgement & Consent to Terms.** The Parties acknowledge that the recitals contained in this Settlement Agreement are true and correct to the best of their knowledge, and are made a part of this Settlement Agreement and incorporated by reference. The Parties acknowledge that they have read this Settlement Agreement, understand the promises, recitals, mutual covenants, representations, terms and conditions contained herein, and voluntarily consent thereto.
18. **Headings.** Section headings in this Settlement Agreement are included for convenience of reference only and shall not constitute a part of this Settlement Agreement for any other purpose.
