	Post-puberty	No transgender inclusion policy
Athletics Canada		Did not respond
Badminton Canada	Pre-puberty	a) Individuals undergoing reassignment of male-to-female shall be regarded as female
		b) Individuals undergoing gender reassignment of female-to-male shall be regarded as male
	Post-puberty	a) For male-to-female transgendered persons, to compete as female, must submit documentation from a medical practitioner that gender reassignment has been ongoing for at least one year.
		b) For female-to-male transgendered persons to compete as a male, must submit documentation from a medical practitioner that gender reassignment is ongoing.
		For both a) and b) any transgender person who is not taking hormone treatment for gender reassignment purposes will be deemed their birth gender.
Bobsleigh Skeleton Canada		Did not respond
Boccia Canada		Did not respond
†Bowling Federation of Canada	Developmental/recreational	Athletes are allowed to self-identify; athletes are not required to disclose trans identity or provide evidence of gender.
	High Performance	Same as above unless competing in events subject to international federation rules (tbd, likely be in compliance with IOC Guidelines)
†Bowls Canada		No transgender policy. Currently working with the Canadian Centre for Ethics in Sport to develop national inclusion policy
Broomball Canada		Did not respond
†Canada Basketball		Currently drafting transgender inclusion policy
Canada Snowboard		Did not respond
Canada Soccer	Amateur	For the purposes of registration on gender-based amateur teams, a player may register with the gender team with which the player identifies, and confirmation sufficient for guaranteeing access shall be satisfied by documentation or evidence that shows the stated gender is sincerely held, and part of a person's core identity. Documentation satisfying the herein stated standard includes, but is not limited to, government-issued documentation or documentation prepared by a health care provider, counsellor, or other qualified professional not related to the player.

	National/Professional	The above policy shall not apply to the Canada Soccer's National Teams programs, but application of this or a similar policy shall be re-evaluated at such time as FIFA addresses the issue. This policy shall not apply to Professional Leagues.
Canada Fencing Federation		Did not respond
Canadian Lacrosse Association	Recreational	Allows athletes to self-identify with optional disclosure
	Elite	Allows athletes to self-identify but must comply with doping regulations. Athletes may be required to disclose trans status when participating in extra-jurisdictional events that require such disclosures.
Canadian Powerlifting Union	Pre-puberty	a) Athletes undergoing reassignment of male-to-female shall be regarded as female
		b) Athletes undergoing gender reassignment of female-to-male shall be regarded as male
	Post-puberty	a) Transgender Females, to compete as a female, must submit documentation from a Medical Practitioner that gender reassignment has been ongoing for at least one year
		b) Transgender Males, to compete as a male, must submit documentation from a Medical Practitioner that reassignment is ongoing
		For both a) and b) any transgender athlete who is not undergoing hormone therapy for gender reassignment purposes will only be permitted to compete as the gender they were assigned at birth
Canoe Kayak Canada		Did not respond
Canadian Weightlifting Federation		Did not respond
†Climbing Escalade Canada		No transgender inclusion policy; currently drafting policy
Cricket Canada		Did not respond
†Cross Country Canada		Uses IOC Guidelines for all ages and all levels of play
†Curling Canada	CCA Events	Uses Stockholm Consensus regulations
Cycling Canada		Did not respond
†Diving Canada		No transgender inclusion policy. Currently finalizing transgender inclusion policy, anticipated unveiling spring 2018
†Equestrian Canada		No transgender inclusion policy. Code of Conduct includes respect for gender, gender identity, and gender expression.
†Field Hockey Canada		No transgender inclusion policy. Equity and Access policy condemns discrimination.
Football Canada		Did not respond
Freestyle Canada		Did not respond

Golf Canada	Pre-puberty	a) Individuals undergoing gender reassignment of male-to-female shall be regarded as female
		b) Individuals undergoing gender reassignment of female-to-male shall be regarded as male
	Post-puberty	a) Male-to-female transgendered persons, to compete as a female, must submit documentation from a medical practitioner that gender reassignment has been ongoing for at least one year.
		b) Female-to-male transgendered persons, to compete as a male, must submit documentation from a medical practitioner that gender reassignment is ongoing.
		OR c) Any transgender Golfer who is not taking hormone treatment related to gender reassignment may participate in sex-separated events in accordance with his or her assigned birth gender.
†Gymnastics Canada		No transgender inclusion policy. Currently participating in a pilot project to address barriers to participation among LGBTQI2S and reviewing existing policies. Participates in FIG's "Gymnastics for All," an inclusive discipline that includes protections for gender identity and gender expression.
Handball Canada		Allows athletes to self-identify
†Hockey Canada		No transgender inclusion policy
Judo Canada	Pre-puberty	a) Individuals who have undergone sex reassignment from male-to-female prior to puberty may compete as a female athlete, but must elect which gender division for the whole season.
		b) Individuals who have undergone sex reassignment surgery from female-to-male prior to puberty must compete as a male athlete, but may compete in mix gender shiai as per section
	Post-puberty	a) Individuals who are in the process of undergoing sex re-assignment become eligible to compete as a female athlete only when these conditions are met through a certification by a medical specialist who has significant knowledge of endocrinology and transgender patients that:
		i) The athlete must demonstrate that her total testosterone level in serum has been below 10 nmol/L for at least 12 months prior to her first competition (with the requirement for any longer period to be based on a confidential case-by-case evaluation, considering whether 12 months is a sufficient length of time to minimize any advantage in women's competition).
		ii) The athlete's total testosterone level in serum must remain below 10 nmol/L throughout the period of desired eligibility to compete in the female category.

		iii) Compliance with these conditions may be monitored by testing. In the event of non-compliance, the athlete's eligibility for female competition will be suspended for 12 months. Individuals who are in the process of undergoing sex re-assignment must compete as a male athlete until completing a documented hormone suppression therapy administered by a medical specialist who has significant knowledge of endocrinology and transgender patients. Female tournament rules respecting underwear and T-shirt applies to MTF on a case-by-case basis.
		b) Individuals who are in the process of undergoing sex re-assignment who receive testosterone replacement therapy must compete as a male athlete. The hormone therapy must be administered by a medical specialist who has significant knowledge of endocrinology and transgender patients. Female tournament rules respecting underwear and T-shirt applies to FTM athlete who has not undergone a mastectomy.
†Karate Canada		No transgender inclusion policy
Luge Canada		Did not respond
Quidditch Canada	Recreational and competitive	Allows athletes to self-identify
†Racquetball Canada		No transgender inclusion policy
Ringette Canada	Recreational and competitive	An individual shall participate in the gender category in which they identify.
		Individuals are not required to disclose their transgender identity or history to the Association or any of the Association's representatives (e.g., coaches, staff, Directors, officials, etc.). All athletes must be aware that they may be subject to doping control testing pursuant to the Canadian Anti-Doping Program. The administration of hormones as a component of gender reassignment will, in most cases, contravene the World Anti Doping Code. Transgender athletes undergoing gender reassignment are encouraged to contact the Canadian Centre for Ethics in Sport (CCES) to determine what procedures, if any, are required to obtain a TUE (Therapeutic Use Exemption).
†Rowing Canada		No transgender inclusion policy. Code of Conduct includes respect for gender and gender identity.
Rugby Canada		Did not respond
Sailing Canada		Did not respond
†Skate Canada		Skate Canada has a draft trans inclusion policy; still needs to be finalized.
Shooting Federation of Canada		Did not respond

		b) Athletes undergoing gender reassignment of female-to-male shall be regarded as male

	Post-puberty	a) Transgender Females, to compete as a female, must submit documentation from a Medical Practitioner that gender reassignment has been ongoing for at least one year.
		b) Transgender Males, to compete as a male, must submit documentation from a Medical Practitioner that gender reassignment is ongoing.
		For both a) and b) any transgender athlete who is not undergoing hormone therapy for gender reassignment purposes will be deemed their birth gender
Speedskating Canada		Did not respond
Squash Canada		Did not respond
†Swimming Canada	Recreational	An athlete wishing to register may register according to their own gender identification. A swimmer can only identify with one gender at a time. A swimmer changing their gender identification is required to initiate a new registration for the new gender. Only one registration can be active at a time. Reversal of gender identification will require re-activation of the previous gender registration.
	Elite	As it relates to national team selection, a transgender athlete must meet international federation criteria prior to declaring availability for selection at any national team selection event. The transgender athlete must show proof in writing from the international federation that they are eligible to compete at Olympic, Paralympic, FINA or World Para Swimming events.
†Synchro Canada		No transgender inclusion policy
Table Tennis Canada		Did not respond
†Taekwondo Canada		No transgender inclusion policy
