

Dave,

The so-called “experts” are flooding the airwaves for their 30 seconds of fame, but I don’t want ANY of them.

I want to hear directly from you, Dave. No one is more in touch with the American people than the people themselves.

[So I need you to tell me what qualities YOU want to see in 2018 candidates by taking my “GREAT Candidates Survey” right now.](#)

D.C. does not run our Party. YOU RUN IT!

As far as I’m concerned, you are our leadership. You are the lifeblood of this movement, and that’s all I care about.

That’s why it’s so important I hear what you think about the slate of winning 2018 candidates that will pass our America First agenda. So important!

[Please take my GREAT Candidates Survey immediately.](#)

Thank you,

Donald J. Trump  
President of the United States
