DocumentCloud,

Who within DocumentCloud is the correct recipient of this request that documents be taken down from public viewing on your site?

I am the Group IP Counsel for Landis+Gyr and we have noticed that assets.documentcloud.org is hosting two documents that both infringe our Copyrights and Registered Trademarks and violate the stated Confidentiality and Proprietary Notices on the documents.

Both of these documents are being posted without our permission:

<https://assets.documentcloud.org/documents/2843266/Landis-Gyr-Managed-Services-Report-2015-Final-1.pdf>

<https://assets.documentcloud.org/documents/2843265/Landis-Gyr-Req-9-Security-Overview.pdf>

If you are the correct recipient of such a take-down request:

This letter is official notification under [Section 512\(c\)](#) of the Digital Millennium Copyright Act ("DMCA") that Landis+Gyr is seeking the removal of this infringing material from your servers. I request that DocumentCloud immediately notify the infringer of this notice and inform them of their duty to remove the infringing material immediately, and notify them to cease any further posting of infringing material to your server in the future.

Please also be advised that law requires you DocumentCloud to remove or disable access to the infringing materials upon receiving this notice. Under US law, you enjoy immunity from a lawsuit provided that you act with deliberate speed to investigate and rectify ongoing infringement.

Please let me know if there is another group within DocumentCloud that I should contact.

Should you wish to discuss this with me please contact me directly.

Thank you very much,
Heather McNay
