IS IT TRUE?

It's about to get real.

REALTALK

PART TWO

IS IT TRUE?

There exists a general “student” culture where students feel that, while in college, there is a certain degree of rule bending/breaking that takes place for the sake of experimenting or having a good time.

IS IT TRUE?

If true, this culture suggests that some violations are viewed as normal college behavior. Instead calling it a risky/bad decision, we say, college is the time to experiment, aka do stupid stuff.

IS IT TRUE?

Let's try another.

IS IT TRUE?

There exists a general “**athlete** culture” and that athletes feel separate from non-athletes (muggles) and feel more comfortable being around athletes.

IS IT TRUE?

If true, student culture suggests that the ideas and behaviors of students, good and bad, are contagious and may infect the entire group.

IS IT TRUE?

Think “my crew”

Think **groupthink**

IS IT TRUE?

Groupthink is a psychological phenomenon that occurs within groups where, in a desire for

harmony/acceptance, the group overrides a realistic appraisal of alternatives or viewpoints.

IS IT TRUE?

For instance, instead of calling out a friend that calls a female a derogatory term, or loosely uses an epithets to describe themselves or others, the group accepts the behavior and may perhaps even use it themselves. **That THOT?**

IS IT TRUE?

If that is true, then it may be completely ok to “hook up,” with someone they don’t know, or to be a “playa,” or establish sexual situations through alcohol – **RAPE?**

QUESTIONS FROM ATHLETES

Don't want to?
If you are not ready
for sex or if you
don't want to
participate in a
certain activity
don't do it.

(b)(6)

Sexual Assault

(b)(6)

**If I do want to,
what must I do?**

Every time you
want to engage in
a sexual activity,
you need to get
consent.

way.

A green semi-transparent rectangular overlay is placed over the center of the image, containing the text "Said another way." in white, bold, sans-serif font.

UNIVERSITY of **HOUSTON** | EOS

What if the person is drunk/high? You should know that you are assuming a huge risk if you engage in sexual activity with someone who is not aware of the who what when where or why.

(b)(6)

Define Incapacitation

**What if I am
drunk too?**
EOS will look
at the
evidence.

What if s/he is lying?

You worry about what you can control, get consent. BTW it helps if you know the person.

**How do I know I
have consent?**

It should be a clear

yes, such as...

I like it when you...

Yes or any variation of it...

Any others?

How do I know I do not have consent? Besides a clear “stop,” “no,” and “don’t,” other signs such as...

Could we stop for a second...

Wait...

Oww or silence...

Any others?

What about the
issue of *control*?

(b)(6)

Domestic and Dating Violence

What if someone hits me?

Just know that there
are consequences for
hitting someone
regardless of who hit
first.

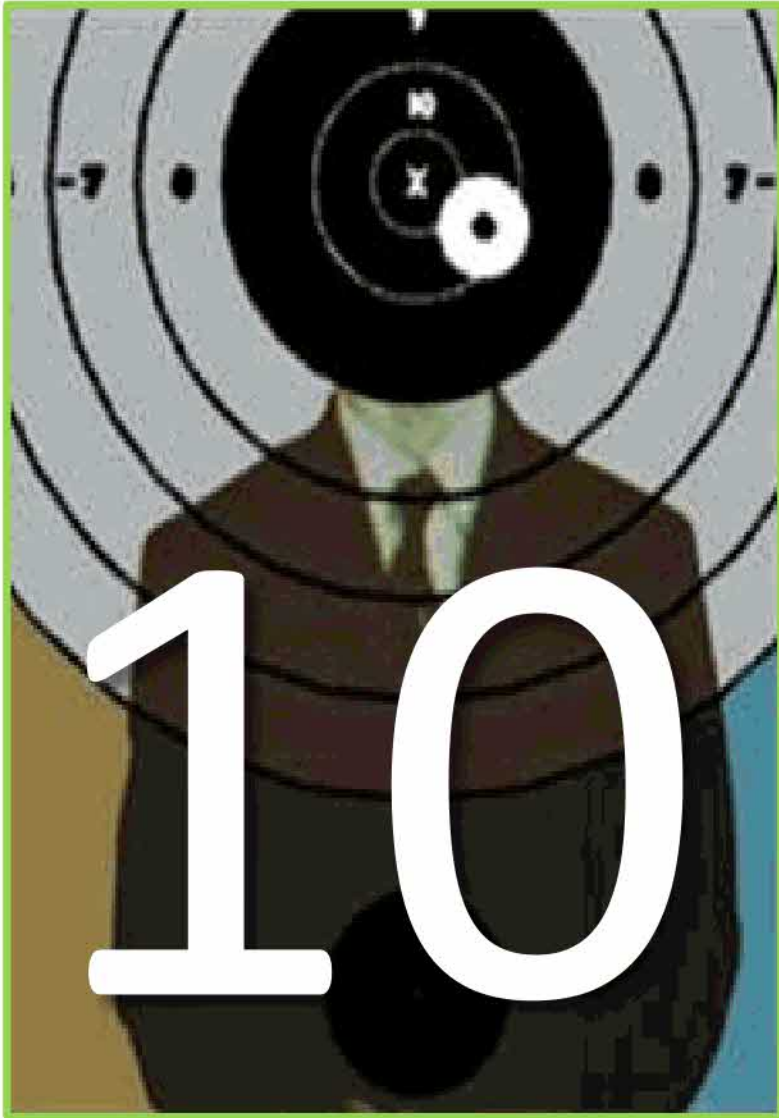

So what should I do to defend myself?

Recognize unhealthy
behavior. Jealousy,
rage, stalking, POWER
and CONTROL is not
signs of love.

Sexual Exploitation

So should not take pictures?

Realize that you must
have permission to
share those pictures
and the consequences
of taken them.

For real, if I do what I
want to do, what can
I expect?

Are you ready to go home?

**Are you ready to tell your
family why you are home?**

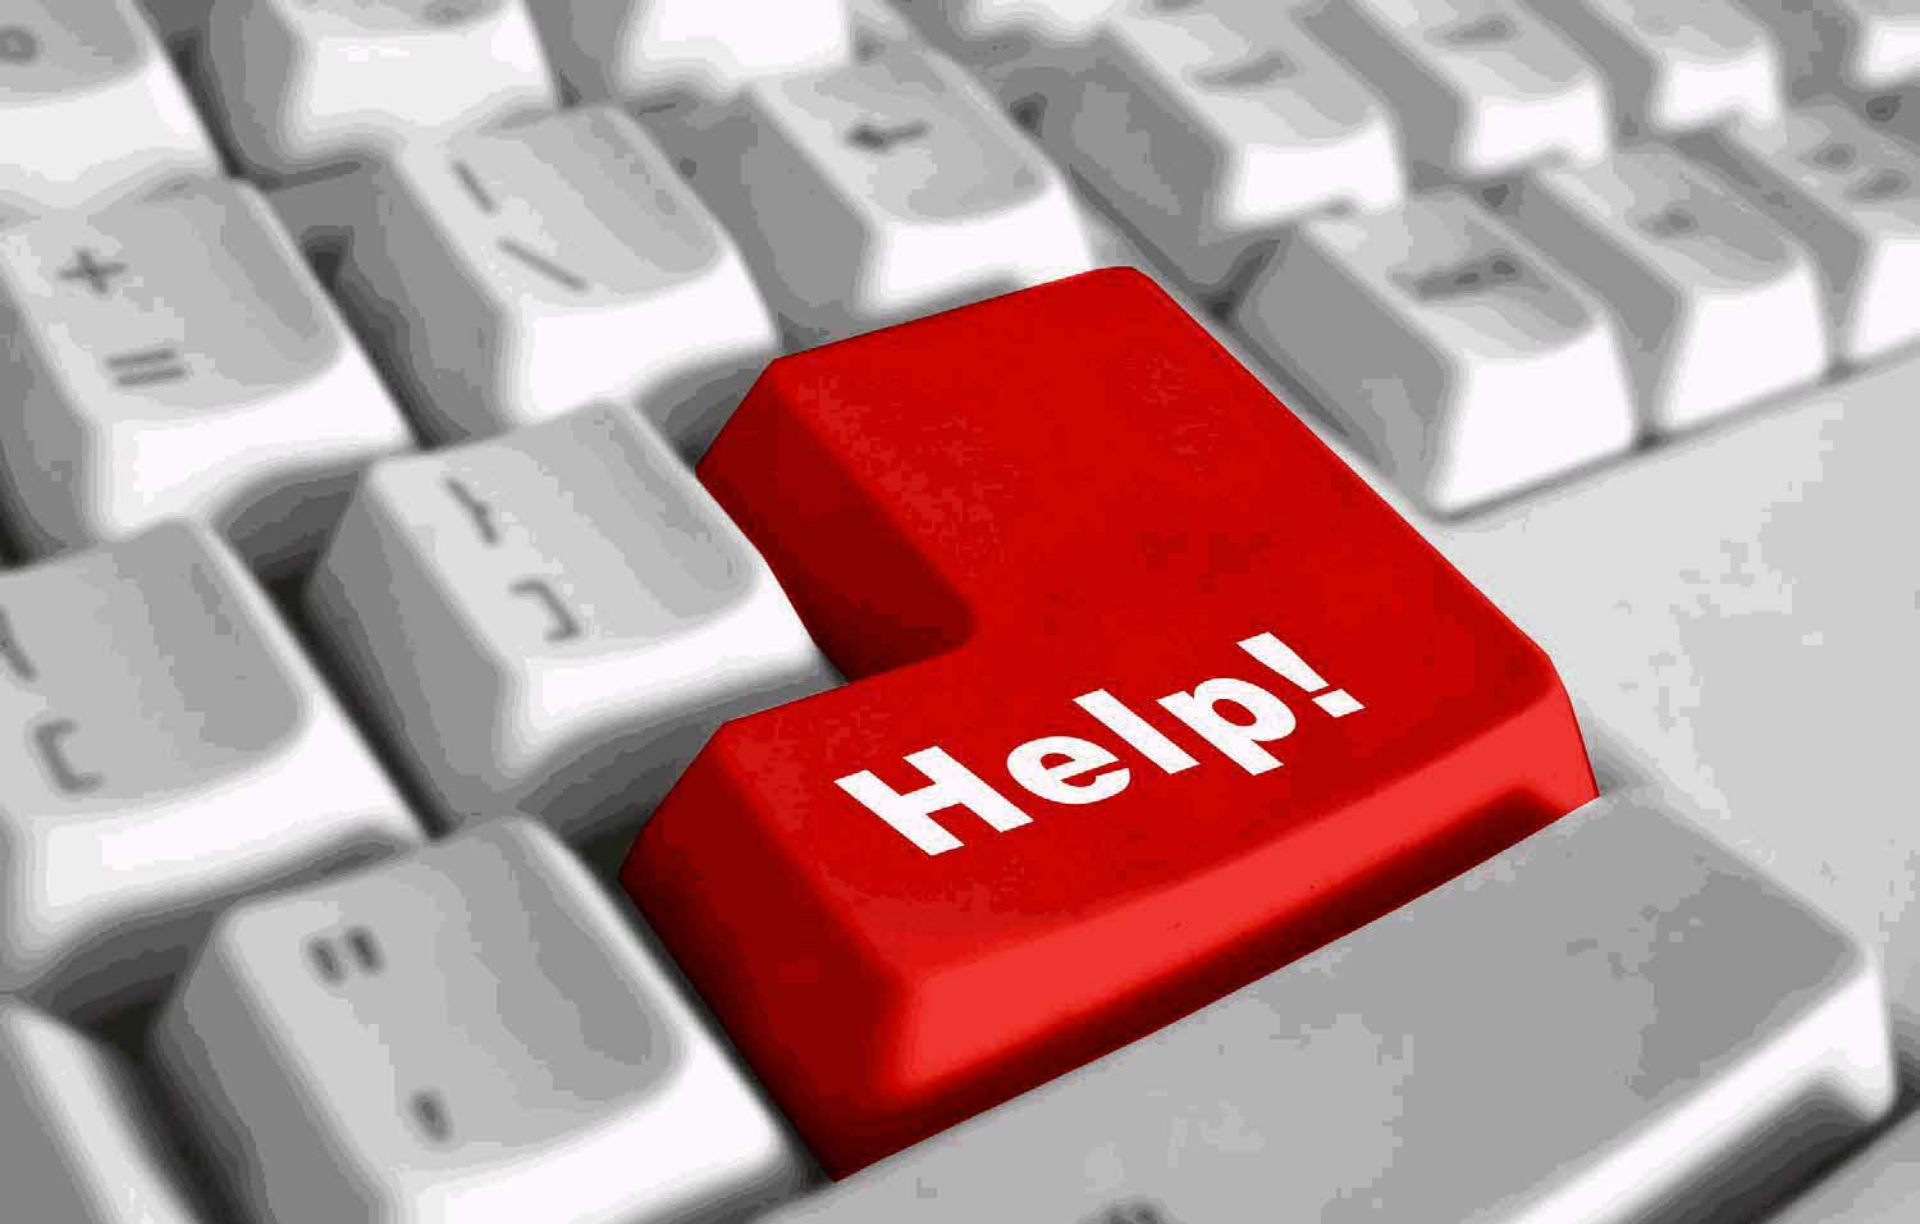

Are you ready for trial?

Are you ready for google?

**Are you ready for the
bankruptcy?**

**Are you ready to let your team
down?**

**Are you ready for
the pain you are
about to cause
someone?**
