PLEASE HELP

Many of you may know that my husband has lived with type 1 diabetes longer than most anyone that you know. He was diagnosed at the age of five and has managed very well for 53 years. Over time it becomes evident that an engine that is working without all of its parts is going to start to have issues. We decided to try to find some answers to problems that we were experiencing and were lead to a place called Trina Health in Arizona where they do what is called an artificial pancreas treatment. The treatment was developed by a father who's 2 year old child was diagnosed and not given a very good outlook on life. She is now 34 health, happy and has five children. She has been on the treatment that her father developed for over 25 years.

There are 9 Trina Health Clinics in the United States, all in the southern part of the country. When we first looked into it there were 5 clinics and in a matter of 4 months there are now 9. We would like to bring this treatment to our area as it has made a tremendous difference in Ron's life, the treatment tricks the liver into thinking that the pancreas is working and the liver starts to function normally. It is working for Ron and we have come to realize that it is necessary for his well being.

I would like to ask you to contact the people at Trina Health at 1-844-692-6324 and let them know that you support us getting a clinic in our community, either for Ron or if you know anyone that could benefit from the treatment, I feel that it could make life easier for many people with diabetes. If you are interested in the story and getting information on the treatment go to http://www.trinahealth.com/. Thank you in advance for your support.

Sincerely, Julie Briggs

BEAVERHEAD SKI PATROL TO HOST SKI SALE AND PRAY FOR SNOW PARTY

On Friday, October 3rd and Saturday, October 4th the Beaverhead Ski Patrol will have their annual ski sale at the Old IGA building in downtown Dillon. Skis, snowboards, boots, coats, gloves, helmets, hats, and more will be available! A portion of the proceeds goes to support the ski patrol who provides volunteer emergency medical services to patrons of Maverick Mountain. The sale will run from 3:00-9:00 p.m. on Friday and 9:00-3:00 on Saturday. Come on down to find a new pair of skis or board and support Beaverhead Ski Patrol.

On Saturday night from 5:00-8:00 p.m. the ski patrol will be hosting the first annual Pray for Snow Party in conjunction with Beaverhead Brewing Company. Join the ski patrol to pray for snow, enjoy a special pre-release Brown Ale, eat a brat, and enjoy some entertainment. The party will be at The Brewery and also outside across the street in the Prudential parking lot. Proceeds from the party go to support ski patrol! Let's get in the winter spirit, do a few snow dances and get ready to ski and board!
