Not really. They just gave him 16 hours per week. Whats the big deal to give him a normal workingweek?

I honestly can't understand why something like this should be so difficult. I would understand if this was new employment but since he is already engaged and all he is requesting is a normal working week.

A certain Simon Curmi who works in Marketing at Wasteserv has been for over 15 years.

This notwithstanding he is still employed for a 20-25hrs per week and has requested for years on end to have this addressed and given a proper full-time job.

Can you look into and let me know if this is possible?

Ray,

We have not forgotten the case. Permit me to indicate that your other mail on the same subject was sent yesterday.

We have met DG MFEI as the person involved and agreed that we would be setting a meeting between the three parties, if to see a way forward.

In the meantime we have advised tar-Robba that, legally the contract is not yet finalised and has to be considered as ongoing.

Saviour,

I am hereby seeking your assistance once again. Due to urgent and unforeseen circumstances I need Louis to replicate the arrangement we had last month for the period 7 January – 7 March 2013.

Basically, one of our drivers has been advised by doctors that he has to rest with immediate effect, hence he cannot continue with his duties. In view of this I need Louis to carry out driver duties with the Minister on alternate dates during the said period.

I intend to call you next week but I suggest that we replicate the arrangement we had last month regarding payment etc.

Thank you.

Email below is being forwarded for your info. If you would like that we contact the Engineer to commence while I'm away, Benji has his details. Meanwhile Nicky Vella will be contacting the three successful gas technicians of the first interviews held, to visit Ghallis. Afterwards we will schedule the 2<sup>nd</sup> interviews.

These were the other three candidates who were interviewed for the post of Gas Technician. Advert was issued beginning of July and closing date was 18<sup>th</sup> July. Everyone had the opportunity to apply.

- John Atkins 12963M Failed
- Melvin Mifsud 229089M Failed
- Etienne Mercieca 342574M was not interested due to the wage offered
- Andrew Fleri Soler 280268M was not short listed
- Michael Incorvaia 333464M was not short listed

The posts of head of shift and Engineer were not advertised as these posts are not with WasteServ but to be engaged with the contractor. The cv's of Engineers were in our data base of general cvs.

The candidate who is being proposed for the post of Head of Shift was found by coincidence with the other candidates of the Gas technicians.

At this point who else was interviewed for the post of Gas Technicians and Engineer?

Where all these three posts advertised? Everyone had the opportunity to apply for these three posts.....how come for the post of Head of Shift no one else had the possibility to apply?

He was interviewed for the post of Gas technician but was over qualified for that position and given that he used to supervise around 200 personnel, the Selection Board agreed that he may be suitable for the Head of shift position. No other candidates were interviewed for the post of Head of Shift.

Ray ...

Allow me to recommend Charlie D'Amato (DOB 8/10/1979 and ID 482979M) for employment with Wasteserv. Charlie is hardworking, responsible and has special driving licenses. He will be terminating his current employment at the end of this month because of the public transport reform (He currently drives one of his families buses).

Thanks for your help.

Best regards ... edgar

Chairman,

Nipreferi li nkellmu lill-Ray meta nkunu l-Ministeru.

Jiena tajt struzzjonijiet li ma johorghux certa dokumenti interni u ghandna nevitaw emails dwar is-sugett. Lil-Christine jiena qed noholqila l-problemi ghax ndum nabsibha biex naqbad u nixtri aktar servizz. It-talbiet jidhlu spiss u mhux facli tiddecidi malajr.

Ghall-aministrazzjoni taghna saret difficli hafna biex nibqaw mixjijn kif konna. Ray baghat struzzjonijiet biex jibda jiltaqa ma Christine minghajr il-prezenza taghna halli tkun tista' taggornah. Dawn il-meetings ghandhom inehhu l-bzonn ta' hafna korrispondenza bl-emails.

Illum ghamilna nofs ta' nhar flimkien biex lestejna t-talba taghna lid-DoC biex jestendi l-Kuntratt ta' Labour Hire b'3 snin ohra. L-istima ta' l-ispiza telghet minn €10 Miljuni ghal €12 Miljuni mindu dahalna l-operat tad-Digesters u sahhahna l-administration anke fil-Weighbridges. Zgur li mhux sa jkun possibli li nibqghu nahdmu jekk il-prezz ta' zejt jinzel u is-sales jonqsu ghaldaqstant hadna id-decizjoni li nistennew xi rizenji qabel ma nziedu l-haddiema.

Ray irid jifhem li mhux facli tirispondi malajr jekk mhux fin-negattiv.

Chairman,

Nirrferi għall-email t'hawn isfel.

M'għandi xejn kontra Christine, bilkemm nafha, pero naħseb li mhix tifhem il-persjonijiet li jwassluni biex jien nitlobha b'mod regolari updates u informazzjoni li jkollu ngħid, b'mod regolari wkoll, QATT ma jaslu..forsi mhix adekwata biex tkun hi l-bniedma li titkellem magħna. Minn dawn il-mistoqsijiet li qed nistenna twegiba dwarhom jiddependi li jien nagħti twegibiet lill-OPM u lil Chris Said fost l-ohrajn..kellimtha dalghodu kmieniu l-ewwel haġa u issa ftakart li bqajt bla risposta! U tlift ġurnata ohra!

Faċli kulhadd jirreferi kollox lili u nidher jien, pero għall-inqas jien għandi bżonn support. Inutli jien inkellem lil Christine u din trid kollox minghand Vince! Qed nivvintaw kif nikkumplikaw l-affarijiet u fil-frattemp nidher ikrah jien, u b'mod konsegwenzjali l-Ministru.

Bir-rispett kollu, xi hadd irid jifhem li jien għandi bżonn l-informazzjoni u ma nistax nibqa' nitgħabba bi problemi li ta' kuljum qed jizdiedu u mhux jonqsu. Nissuspetta wkoll li forsi m'aħniex nifhmu ċertu prioritajiet..l-email annessa ta' risposta ta' Vince għal email ta' Chris Said huwa eżempju ta' dan.. għandi eżempji ohrajn..jekk trid niltaqgħu u ntek kemm trid eżempji..

Inhossni pero qed nipriedka wahdi u li dawn saru prioritajiet tiegħi BISS.

Ray,

It is not recommended that we keep adding staff that we can not support. It will be very difficult for Hon Said to go through their protests when we have their employment terminated, within a few weeks.

We have a meeting for next Monday regarding this subject. Further, we have Chris discussing with Alfred the position of WasteServ regarding contracted staff and we may have to change current practice.

It may be noted that the best location for Gozo Employees in Malta is at the North region. Works Department may issue a tender to have industrial staff working (hired) for this district and our Ministry will be able to offer an opportunity to these employees without adding the cost of transport in Malta. Gozo Ministry may also issue another tender and solve the problems of staff shortage for their operations.

Jien nircievi email t'hawn taht titlobni kriterji cari ghal min irid japplika ghal post ta' weighbridge operator. Kriterji mfassla minnkom u skont l-esigenzi taghkom. F'daqqa wahda nircievi email annessa titolbuni clearance ghal zewg haddiema, minghajr hafna dettalji kif tista' tara, pero wara li staqsjet ghidtuli li ridtuhom ghal weighbridge. Meta tlabt cv's taghkom insib li dawn ma jilhqux il-kriterji minimi stabbiliti minnkom stess! Kieku ma tlabt xejn u mexxejt kont nispioca ndahhal persuni li m'ghandhom il-kwalifici mitluba minnkom u li m'ghandhom xejn aktar minn persuni ohrajn li ilhom fuq waiting list ix-xhur. Vince int taf uhud minnhom dawn in-nies u taf kemm ilhom jtkarrbu. La kontu lesti tbaxxu l-kwalifici, kellkom allura tikkunsidraw lil kulhadd fuq il-waiting list.

Din mhux serjeta. Turi wkoll nuqqas ta' apprezzament ghar-rwol tal-Ministru u l-Ministeru li, rridu jew ma rridux, f'ghajnejn in-nies ahna responsabbli ghal dak li jigri l-WasteServ.

Marthese,

L-ewwel haga nixtieq niringrazzja lilek u lil Monica ta' l-interess u **I-konsistenza** fil-kaz. Qabel l-elezzjoni ta' l-MEP u KL jien bhala kandidat tal-PN f'Bormla gejt mitlub mill-partit biex nitkellem ma' familja Tan-Nemusa (PN Hard Core) ghax kienu urtati fuq diversi kazijiet u kien mifhum li ma kienux ser jivvotaw. Dak iz-zmien kont mimmi entuzjazzmu u ghalkemm l-ewwel reazzjoni ta' dawn in-nies kienet wahda ta' rabja kbira b'xi mod wassalna ghal xi tip ta' kompromess. Ghakemm semmewli hafna affarijiet, l-aktar haga li xtaqu dawn in-nies kienet li ma jhallux aktar lit-tifel taghom Cedric ikompli jahdem f'kundizzjonijiet tax-xoghol li nassigurakhom ma jaghtux gieh lill-haddiem.. Cedric kien impjegat ma' kuntrattur (Tal'Watt) jigbor l-iskart mit-toroq. Dan il-kuntrattur jinghata t-tenders mill-KL ta' Bormla, jigifieri one of the untouchables canvassers ta' PELE. Meta kellimt lill-Cedric dan stqar mieghi li l-kundizzjonijiet tax-xoghol li kellu kienu degredanti, paga mizera (below the minimum wage) u lanqas ilbies protetiv ghal dan it-tip ta' xoghol. Huma staqarrghu mieghi li fejn jidhol it-tifel taghom ma kien jidhol hadd u ghalkemm kienu urtati fuq diversi affarijiet li ngheidilkom il-verita' ma tantx rajthom gustifikati, kemm bhala kandidat, kemm bhala Youth Worker u wisq aktar bhala persuna hassejt li ghandi dmir ngihin lil dan iz-zaghzugh johrog minn din is-sitwazzjoni.

- ? Dak il-hin stess cempilt lil Monica fejn qalti li kellu cans kbir jidhol il-'waste serve' li kien xoghol li diga kellu esperjenza tieghu.
- ? Ghintu biex japplika u jaghmel CV kif kien Mitlub
- ? L-informazzjoni li kelli mill-Waste Serve kif tista tikkonferma Monica kienet li dan ser jidhol fi zmien hmistax jew l-aktar tlett gimghat.
- ? Mort mieghu ghal-Interview u kellna l-istess risposta (li dan ser jidhol fi zmien hmistax jew l-aktar tlett gimghat)
- ? Saret l-elezzjoni u tan-nemusa, familja kbira kollha hargu jivvotaw.
- ? Ghaddew it-tlett gimghat u anka xahar u baqgha ma semgha xejn.
- ? Izzewwig 4 days wara l-elezzjonijiet u gurnata qabel ma sifirt ghal tlett gimghat 'honey moon' kellimni Cedric u mort mieghu l-Waste Serve HQ fejn regghu ikkonfermaw li kien ser jidhol fi zmien gimgha.
- ? Wara kwazi xahar u jien kont irritornajt Malta dan kien ghadu bla xoghol.
- ? Kont qbat naqtgha qalbi imma Monica baqghet konsistenti u ghamlitti kuragg.
- ? Il-Bierah Kelmitni Monica u qalti biex incempillek u ghidli li skond l-informazzjoni li ghandek; Cedric ma dahalx il-'waste Serve' ghax kellu xi 'Social Worker' jew xi tip ta carer iehor assigned mieghu.

Hi Edward,

Reference is made to our telephone conversation earlier. Also please see emails below.

I spoke to Duncan again (the person who was taking care of this case initially) and he confirmed that apparently Hon. Jason Azzopardi knows Lawrence Galea personally and his case very well. We are working on this case since it's a humanitarian case. Hon. Mario De Marco is pressuring me as well for obvious reasons.

I'll appreciate your help with this case.

Thanks in advance.
