REVIEW

WHY DOES MY DISTRICT QUALIFY?

Districts that show **red** on two or more of the suspension rate, graduation rate, and academic indicators within the California School Dashboard qualify for Differentiated Assistance.

Review Dashboard data results. Differentiated Assistance is like "holding up a mirror" to analyze data and process.

Meet with County Office of Education staff. Districts will engage in a process of self-assessment and review practices and programs.

Develop strategic plan to address concerns. Districts will create changes in their systems that resul in better outcomes for students In the identified groups.

Implement process.

Districts can integrate these potential changes into their Local Control and Accountability Plan.

END RESULT:

ENGAGE

Districts shall closely monitor student outcomes and engage in new practices, based on recommendations from the County Office, with the goal of achieving **improved and more** equitable outcomes for all students!
