But the activist philosophy of a few stood in their way.

Ed Sheehy defended the Christmas Day Killer and asked the Court to strike down Montana's death penalty as unconstitutional.

IT WAS A SLAP IN THE FACE FOR VICTIMS' FAMILIES AND JUSTICE!

When Partisan Politicians Call,
Who is There to Answer
????

The Montana Supreme Court should not answer the call of partisan politics. Montanans have a right to a fair and impartial Montana Supreme Court that is free from the influence of partisan politics.

So it's troubling when candidates for Montana's Supreme Court—a non-partisan institution—have strong ties to one party.

Former lobbyist and criminal attorney Ed Sheehy has answered the call of partisan politicians.

Over the last 20 years, Ed Sheehy contributed to Democrats time and time again. In fact, he has given to 5X more Democrat candidates than Republicans.

How can justice be fair and impartial when it is beholden to a political party?

Contact Ed Sheehy and tell him that you want an impartial Supreme Court. Tell him to sign our judicial pledge at www.montanagrowthnetwork.com
