I spoke with customer service early today to request a hold for bottled water delivery for the attached set of specified properties under customer #3865531. It is imperative that these deliveries do not take place, including deliveries for 4/4/18. Please place a hold on these properties for the time being and make sure that deliveries to the addresses in the attached Excel spreadsheet do not occur until further notice.

Please contact me as soon as possible.

Thanks,
Spencer
