Ad Text Fellow Texans! It's time to say a strong NO to the establishment robbers. It is unacceptable for us to see them ruin all we've been building for decades. For centuries. The establishment thinks they can treat us like stupid sheep but they are wrong. We won't put up with this anymore. The corrupt media does not talk about the crimes committed by Killary Rotten Clinton, neither does it mention the leaked emails but it would rather keep on kicking around some outdated tapes featuring Trump. Even Republicans are now offering her a victory by renouncing their nominee. What is this if not treason? No, no, no. We are free citizens of Texas and we've had enough of this cheap show on the screen. We're ready to prove our commitment to liberty, low taxes and gun rights. If Trump wins, there will be a possibility to secede peacefully but not without tension. What will happen if Hitlery becomes President? Higher taxes to feed undocumented aliens. More refugees, mosques, and terrorist attacks. Banned guns. Continuing economic depression. Let's remind them what Texas is made of and show that we're ready to SECEDE!

Use our page to team up with other locals. Invite your friends and family, spread the word and let's make this effort together! Get Ready to Secede!

Ad Text After a Cleveland officer killed 12-year-old Tamir Rice in cold blood last December and his family is still in mourning, the city has filed a creditor's claim against the "estate" of the little boy. This is heartlessness in the highest degree! Even though \$500 is not so much to pay, suing them was useless considering the fact that they were responsible for this calamity that came upon this family.

Ad Text A Fort Worth man broke into the State Capitol in Austin to deface a Civil War-era portrait

Apparently, the man's main goal was to destroy the portrait of former Texas Governor Fletcher Stockdale. The man was arrested right in the Capitol and charged with felony burglary and criminal mischief.

It is not clear for now if his actions were inspired by the hatred towards Confederate symbols or namely towards Governor Stockdale.

Nevertheless, this incident perfectly illustrates how liberal propaganda influences even on Southern people.

The names of dignified Southern politicians and warriors should not be blurred out by Washington. These people played a huge role in American history; they fought for their beliefs and earned people's respect.

It is absolutely unpatriotic now to demonize their names! We should protect our history and fight against liberal brainwashing.
