

#### TRANSPORTATION PROGRAM SUMMARY ILLINOIS DEPARTMENT OF TRANSPORTATION REGION 1, DISTRICT 1, SCHAUMBURG

#### <u>Overview</u>

Highway District 1 encompasses six counties in northeastern Illinois and includes the city of Chicago, suburban Cook County, and the five collar counties of DuPage, Kane, Lake, McHenry and Will. The state highway system in District 1 consists of 2,714 miles of highways and 1,444 bridges, supporting more than 75 million miles of travel daily.

#### State Program

The program for state and local highways will average \$1.84 billion annually for the FY 2019-2024 period. Approximately \$2.9 billion will be provided during FY 2019-2024 for improvements to state highways in District 1. The following table summarizes anticipated accomplishments on the state highway system in District 1 during this time frame.

#### FY 2019-2024 Programmed Improvements

Roadway Maintenance	
Interstate NHS (miles)	63
Non-Interstate NHS (miles)	507
Non-NHS Marked (miles)	90
Non-NHS Unmarked (miles)	244
Bridges	
Interstate NHS (Sq. Ft.)	463,213
Non-Interstate NHS (Sq. Ft.)	1,147,893
Non-NHS Marked (Sq. Ft.)	121,903

New Bridges (Sq. Ft.)	5,183
Preservation	
Roads & Bridges (\$M)	241.152

Major Highway projects of interest that are tentatively scheduled during the FY 2019-2024 time frame include:

• Interstate 55 and Interstate 55 Frontage Roads from Illinois 129 to Lorenzo Road in Will County. Interchange reconstruction, bridge replacement and utility adjustments at Illinois 129; interchange reconstruction and utility adjustments at Lorenzo Road; addition of auxiliary lanes, reconstruction of 5.6 miles, widening and resurfacing on 2.5 miles, construction engineering, engineering for contract plans, land acquisition and utility adjustments along the entire corridor are programmed during FY 2020-2024 at an estimated cost of \$142.3 million. *Provides for efficient freight movement.* 

- Interstate 55 from south of Interstate 80 to south of Weber Road in Will County. Resurfacing on 13.5 miles is programmed during FY 2020-2024 at an estimated cost of \$23.5 million.
- Interstate 57 from south of Interstate 294 (Tri-State Tollway) to Illinois 1 (Halsted Street) in Markham, Posen, Dixmoor, Riverdale, Blue Island, Calumet Park and Chicago. Resurfacing on 8.1 miles, bridge deck sealing and engineering for contract plans are programmed during FY 2020-2024 at an estimated cost of \$14.9 million.
- Interstate 80 from Ridge Road to US 30 (Lincoln Highway) in Joliet, New Lenox and Minooka. Various roadway and bridge projects within the corridor, including interchange reconstruction at Houbolt Road: resurfacing on nearly 9 miles from Kendall County Line to Wheeler Avenue; resurfacing on nearly 3.5 miles from east of Rowell Avenue to US 30 (Lincoln Highway); bridge replacements at River Road, over Joliet Junction Trail and at Briggs Street; bridge replacements and bridge widening at Rock Run Creek; bridge superstructures and new bridge decks at Center Street/Meadow Street Interchange; new bridge deck and bridge widening at Gougar Road; bridge superstructures, bridge replacements, new bridge decks, bridge widening, reconstruction, bridge painting, bridge repair, bridge fabrication, and ramp repair at eastbound and westbound structures from Illinois 53 (Chicago Street) to Rowell Avenue. Also included along the entire corridor is patching, land acquisition, engineering for contract plans, railroad flaggers, construction engineering, utility adjustments and miscellaneous work. The estimated total cost of the programmed work within this corridor during FY 2019-2024 is \$148.4 million. Of this total, \$64.1 million is included in FY 2019 for interchange reconstruction at Houbolt Road; bridge superstructure, bridge replacements, a new bridge deck, bridge widening, reconstruction, bridge painting, bridge repair, bridge fabrication, engineering for contract plans and construction engineering at eastbound structures from Illinois 53 (Chicago Street) to Rowell Avenue; patching from Kendall County Line to east of Houbolt Road and land acquisition at River Road.
- Interstate 90/94 (Kennedy Expressway) from Interstate 94 (Edens Expressway) to Hubbard Street in Chicago. A total of 38 bridge deck overlays, engineering for design, location and environmental studies, engineering for contract plans and construction engineering are programmed during FY 2019-2024 at an estimated cost of \$73.8 million. Of this total, \$1.2 million is included in FY 2019 for engineering for design, location and environmental studies.
- Interstate 90/94 at Interstate 290/Congress Parkway (Jane Byrne Interchange) in Chicago. • Interchange reconstruction, a new bridge, ramp repair, retaining walls, bridge replacements, bridge rehabilitation, lighting, noise barriers, landscaping, miscellaneous work, construction engineering, surveillance and engineering for contract plans are programmed during FY 2019-2024 at an estimated cost of \$294 million. Of this total, \$117.5 million is included in FY 2019 for a new bridge, bridge replacements, bridge rehabilitation, ramp repair, retaining wall, noise barriers, lighting, landscaping, surveillance and ongoing work zone safety from the eastbound Jane Byrne ramps to the northbound Interstate 90/94 (Kennedy Expressway) and at various interchange ramps. In addition, there is \$19.6 million in FY 2019 for engineering for contract plans and construction engineering. The FY 2020-2024 portion of the program includes \$156.9 million for engineering for contract plans, interchange reconstruction, construction engineering, landscaping and miscellaneous work. The I-90/94 (Kennedy Expressway) and I-290 Jane Byrne Interchange in downtown Chicago has been identified as one of the nation's worst freight bottleneck locations. The Jane Byrne Interchange links the Dan Ryan Expressway (I-90/94) to the south, the Eisenhower Expressway (I-290) to the west, Congress Parkway to the east and the Kennedy Expressway (I-90/94) to the north. The interchange is congested for many hours of the day causing substantial backups in every direction. Provides for efficient freight movement.
- Interstate 290 (Eisenhower Expressway) at Des Plaines River in Forest Park. A pump station, water main and construction engineering are programmed during FY 2020-2024 at an estimated cost of \$53 million.

- US 6 (Southwest Highway) from east of Cedar Road to Will-Cook Road in Homer Glen and New Lenox. Reconstruction of 3.1 miles, resurfacing, bridge replacements, ADA improvements, tree removal and construction engineering are programmed during FY 2019-2024 at an estimated cost of \$19.5 million. Of that total, \$250,000 is included in FY 2019 for tree removal.
- US 12/20/45 (LaGrange Road) over Santa Fe Drive, Sanitary Drainage and Ship Canal, Illinois & Michigan Canal, and ICG Railroad in Hodgkins and Willow Springs. Reconstruction of approximately 1 mile, bridge repair, new bridge decks, lighting, construction engineering and engineering for contract plans are programmed during FY 2019-2024 at an estimated cost of \$29.1 million. Of that total, \$1 million is included in FY 2019 for engineering for contract plans. This project has been approved for Illinois Major Bridge Program funding.
- US 30 (Cass Street) at Des Plaines River in Joliet. Rehabilitation of two bridges, engineering for design, location and environmental studies, engineering for contract plans and construction engineering are programmed during FY 2019-2024 at an estimated cost of \$22.8 million. Of this total, \$300,000 is included in FY 2019 for engineering for design, location and environmental studies.
- US 41 (Skokie Highway) at Deerpath Road in Lake Forest. A pump station, drainage improvements, utility adjustments, retaining wall and land acquisition are programmed during FY 2019-2024 at an estimated cost of \$9.3 million. Of this total, \$220,000 is included in FY 2019 for land acquisition.
- Illinois 22 (Half Day Road) from Quentin Road to west of Illinois 83 (Mundelein Road) in Kildeer and Long Grove. Reconstruction and construction of additional lanes for 3.5 miles, retaining wall, culvert replacement, construction engineering and utility adjustments are programmed during FY 2020-2024 at an estimated cost of \$52.2 million.
- Illinois 43 (Harlem Avenue) over US 12/20 (95<sup>th</sup> Street) 0.6 mile north of Interstate 294 (Tri-State Tollway) in Bridgeview. Rehabilitation of four bridges, bridge widening, interchange reconstruction, a bridge deck overlay, bridge joint repair, land acquisition, a pump station, construction engineering, lighting, a railroad flagger, railroad engineering and utility adjustments are programmed during FY 2020-2024 at an estimated cost of \$37.9 million.
- Illinois 47 at Kishwaukee River in McHenry County. Bridge replacement and construction engineering are programmed during FY 2020-2024 at an estimated cost of \$7.4 million
- Illinois 47/US 30 from Cross Street to south of Galena Boulevard in Sugar Grove and Yorkville. Reconstruction and construction of additional lanes for 4.3 miles, culvert replacement, engineering for contract plans and construction engineering are programmed during FY 2019-2024 at an estimated cost of \$76.6 million. Of this total, \$1.8 million is included in FY 2019 for engineering for contract plans. *This is a SAFTEA-LU National Corridor Infrastructure Project.*
- Illinois 53 from south of US 12 (Rand Road) to Illinois 62 (Algonquin Road) in Arlington Heights. Rehabilitation of 14 bridges, engineering for design, location and environmental studies, engineering for contract plans and construction engineering are programmed during FY 2019-2024 at an estimated cost of \$45.9 million. Of this total, \$1 million is included in FY 2019 for engineering for design, location and environmental studies.
- Illinois 56 (Butterfield Rd) from west of Illinois 53 to west of Interstate 355 and at Illinois 53 in Downers Grove. Intersection reconstruction, bridge rehabilitation, reconstruction and construction of additional lanes for 2 miles, noise barriers, retaining wall, ADA improvements, land acquisition, construction engineering and utility adjustments are programmed during FY 2019-2024 at an estimated cost of \$30.5 million. Of that total, \$1.8 million is included in FY 2019 for land acquisition.

- Illinois 56 at Hankes Road in Kane County. Bridge replacement, reprofiling, construction engineering and utility adjustments are programmed during FY 2019-2024 at an estimated cost of \$14.5 million. Of that total, \$13.6 million is included in FY 2019 for bridge replacement, reprofiling, construction engineering and utility adjustments. *This project has been approved for Illinois Major Bridge Program funding.*
- Illinois 132 (Grand Avenue) from Munn Road to Deerpath Drive in Lindenhurst. Widening and resurfacing on 1.7 miles, traffic signal modernization, ADA improvements, construction engineering and utility adjustments are programmed during FY 2019-2024 at an estimated cost of \$16 million. Of this total, \$15.5 million is included in FY 2019 for widening and resurfacing, traffic signal modernization, ADA improvements, construction engineering and utility adjustments. *This project has been approved for Highway Safety Improvement Program funding.*
- Cermak Road over IHB Railroad and Gardner Road, 25<sup>th</sup> Avenue and Addison Creek in Broadview. Bridge superstructure, new bridge decks, engineering for contract plans, construction engineering and a railroad flagger are programmed during FY 2019-2024 at an estimated cost of \$13.3 million. Of that total, \$500,000 is included in FY 2019 for engineering for contract plans. *This project has been approved for Illinois Major Bridge Program funding.*
- **Congress Parkway at Old Post Office in Chicago.** Bridge superstructures, new bridge decks, engineering for design, location and environmental studies, engineering for contract plans and construction engineering are programmed during FY 2019-2024 at an estimated cost of \$26 million. Of that total, \$1.2 million is included in FY 2019 for engineering for design, location and environmental studies.
- Western Avenue at Cal Sag Channel in Blue Island. Bridge rehabilitation, ADA improvements, a railroad flagger, bridge painting and lighting are programmed during FY 2019-2024 at an estimated cost of \$12.5 million. Of that total, \$10.7 million is included in FY 2019 for bridge rehabilitation, ADA improvements, lighting and a railroad flagger.
- Willow Road from east of Des Plaines River to Waterview Drive/Protection Parkway in Prospect Heights and Glenview. Reconstruction and construction of additional lanes for nearly 1 mile, new bridge decks, bridge repair, intersection improvement, noise barriers, land acquisition, construction engineering, lighting and utility adjustments are programmed during FY 2019-2024 at an estimated cost of \$22.9 million.

#### TRANSPORTATION PROGRAM SUMMARY ILLINOIS DEPARTMENT OF TRANSPORTATION REGION 2, DISTRICT 2, DIXON

#### <u>Overview</u>

Highway District 2 encompasses 10 counties in northwestern Illinois and includes the cities of Rockford, Rock Island-Moline, Geneseo, Rochelle, Dixon, Freeport, Belvidere, Kewanee and Sterling-Rock Falls, plus many smaller communities which serve as satellites for the larger employment centers or as focal points of this farming area. The state highway system in District 2 consists of 1,605 miles of highways and 833 bridges, supporting 10.3 million vehicle miles of travel daily.

#### State Program

The program for state and local highways will average \$1.84 billion annually for the FY 2019-2024 period. Approximately \$560 million will be provided during FY 2019-2024 for improvements to state highways in District 2. The following table summarizes anticipated accomplishments on the state highway system in District 2 during this time frame.

#### FY 2019-2024 Programmed Improvements

Roadway Maintenance

Preservation	
Roads & Bridges (\$M)	14.905

Major Highway projects of interest that are tentatively scheduled during the FY 2019-2024 time frame include:

• Interstate 39/US 20/US 51 from 0.4 mile north of Baxter Road to Interstate 90 0.3 mile north of Harrison Avenue Interchange in Winnebago County. Resurfacing on 6.6 miles is programmed during FY 2020-2024 at a cost of \$22 million.

- Interstate 74/US 6 (new bridge) over the Mississippi River in Moline. Iowa is the lead agency on the project, and Illinois will reimburse Iowa as projects are let for construction and work is completed. The Central Section of the new bridge was split into multiple construction contracts: two contracts for the river bridge, three contracts on the Illinois side and multiple contracts on the Iowa side. The reimbursement to Iowa for the Central Section for construction of the new bridges across the Mississippi River including lighting and construction engineering is programmed during FY 2019-2024 at a cost of \$164.6 million. Of this total, \$82.1 million is programmed in FY 2019. In addition, there is one additional Illinois contract for landscaping programmed during FY 2020-2024 at a cost of \$1.5 million. *Provides for efficient freight movement*.
- Interstate 74 from 0.4 mile south of Illinois 81 to 0.2 mile north of Illinois 17 in Henry County. Resurfacing, patching and cold milling on 7.3 miles are programmed during FY 2020-2024 at a cost of \$14 million.
- Interstate 80 from Rock River to US 6 in Henry County. Resurfacing and patching on 3.1 miles and a new bridge deck are programmed during FY 2020-2024 at a cost of \$9.5 million.
- Interstate 280 at the Mississippi River southwest of Rock Island in Rock Island County. A new bridge deck, bridge rehabilitation, bridge painting and engineering for contract plans are programmed during FY 2019-2024 at a cost of \$39 million. Of this total, engineering for contract plans is programmed in FY 2019 at a cost of \$3 million. *Illinois is the lead agency for this project with Iowa sharing equally in the costs.*
- US 20 (Rockford Bypass) from Simpson Road to Rock River and Illinois 2 from south of Southrock Drive to south of US 20 Interchange in Rockford. Interchange reconstruction including a bridge replacement, reconstruction of 1.9 miles, traffic signal installation and lighting are programmed in FY 2019 at a cost of \$26 million.
- Illinois 2 over the Rock River in Rockton. A bridge replacement, median crossover, engineering for contract plans and construction engineering are programmed during FY 2020-2024 at a cost of \$16.4 million. This project has been approved for Illinois Major Bridge Program funding.
- Illinois 251 over the Union Pacific Railroad 2.5 miles south of Illinois 75 and over Rockton Road 2.6 miles south of Illinois 75. Replacement of four bridges, engineering for contract plans, land acquisition and utility adjustments are programmed during FY 2020-2024 at a cost of \$13 million.

#### TRANSPORTATION PROGRAM SUMMARY ILLINOIS DEPARTMENT OF TRANSPORTATION REGION 2, DISTRICT 3, OTTAWA

#### <u>Overview</u>

Highway District 3 encompasses 9 counties in east central Illinois and includes the cities of DeKalb, Kankakee, LaSalle-Peru, Mendota, Morris, Oswego, Ottawa, Pontiac, Princeton, Streator and Watseka, plus many smaller communities which serve as satellites for the larger employment centers or as focal points of this farming area. The state highway system in District 3 consists of 1,691 miles of highways and 788 bridges, supporting 11.2 million vehicle miles of travel daily.

#### State Program

The program for state and local highways will average \$1.84 billion annually for the FY 2019-2024 period. Approximately \$464 million will be provided during FY 2019-2024 for improvements to state highways in District 3. The following table summarizes anticipated accomplishments on the state highway system in District 3 during this time frame.

#### FY 2019-2024 Programmed Improvements

Major Highway projects of interest that are tentatively scheduled during the FY 2019-2024 time frame include:

• Interstate 55 at Illinois 47 Interchange in Dwight in Grundy County. Reconstruction on 0.7 mile, a bridge replacement, engineering for contract plans, utility adjustments and construction engineering are programmed during FY 2019-2024 at a cost of \$15.9 million. Of this total, engineering for contract plans is programmed in FY 2019 at a cost of \$1 million. This project has been approved for Illinois Major Bridge funding.

- Interstate 55 from 0.3 mile south of Gardner Road in Gardner to the Will County line (Reed Road) in Grundy County. Resurfacing on 7 miles, a bridge deck overlay, bridge joint repair, bridge repair and culvert repair are programmed during FY 2020-2024 at a cost of \$19.5 million.
- Interstate 57 from Ford County line to 2.4 miles north of US 24 in Iroquois County. Resurfacing on 22 miles, a bridge deck overlay, bridge joint repair, bridge repair, culvert repair and a new bridge deck under County Highway 9 at the Buckley interchange are programmed during FY 2020-2024 at a cost of \$61 million.
- Interstate 57 from 0.5 mile north of Clifton to south of Kankakee River Bridge in Kankakee County. Resurfacing on 12 miles, bridge repair, bridge joint repair, a bridge deck overlay, culvert repair and a bridge replacement at the US 45/52 interchange are programmed during FY 2020-2024 at a cost of \$39.4 million.
- Interstate 80 from Henry County line to east of Illinois 40 in Bureau County. Resurfacing on 9.5 miles, a bridge deck overlay, bridge joint repair and bridge repair are programmed during FY 2020-2024 at a cost of \$25 million.
- Interstate 180/Illinois 26 at Illinois River in Hennepin in Bureau and Putnam Counties. A bridge new deck, bridge rehabilitation, bridge painting, engineering for contract plans, land acquisition, utility adjustments and construction engineering are programmed during FY 2019-2024 at a cost of \$37.2 million. Of this total, engineering for contract plans, land acquisition and utility adjustments are programmed in FY 2019 at a cost of \$1.2 million. *This project has been approved for Illinois Major Bridge Program funding,*
- Illinois 38 from Illinois 23 in DeKalb to the Kane County line. Resurfacing on 8.2 miles and ADA improvements are programmed during FY 2020-2024 at a cost of \$5 million.
- Armour Road over the Illinois Central Gulf Railroad 0.3 mile west of Illinois 50. A bridge replacement, railroad flagger and railroad engineering are programmed during FY 2020-2024 at a cost of \$5.1 million.

#### TRANSPORTATION PROGRAM SUMMARY ILLINOIS DEPARTMENT OF TRANSPORTATION REGION 3, DISTRICT 4, PEORIA

#### <u>Overview</u>

Highway District 4 encompasses 12 counties in west central Illinois and includes the cities of Peoria, Canton, Chillicothe, Galesburg, Macomb, Monmouth and Pekin, plus many smaller communities which serve as satellites for the larger employment areas or as focal points of this farming area. The state highway system in District 4 consists of 1,634 miles of highways and 692 bridges, supporting 9.4 million vehicle miles of travel daily.

#### State Program

The program for state and local highways will average \$1.84 billion annually for the FY 2019-2024 period. Approximately \$671 million will be provided during FY 2019-2024 for improvements to state highways in District 4. The following table summarizes anticipated accomplishments on the state highway system in District 4 during this time frame.

#### FY 2019-2024 Programmed Improvements

Roads & Bridges (\$M)	23.370

Major Highway projects of interest that are tentatively scheduled during the FY 2019-2024 time frame include:

Interstate 39/US 51 from McLean County line to 1 mile north of Illinois 116 in Woodford County. Resurfacing on 14.6 miles, bridge rehabilitation and bridge repair over US 24 and Toledo, Peoria & Western (TP&W) Railroad at the El Paso interchange are programmed during FY 2019-2024 at a cost of \$29.7 million. Of this total, bridge rehabilitation and bridge repair over US 24 and TP&W Railroad at the El Paso interchange and 6.6 miles of resurfacing from McLean County line to 1 mile north of US 24 are programmed in FY 2019 at a cost of \$12.9 million.

- Interstate 74 from east of Illinois 78 to west of Kickapoo/Edwards Road in Peoria County. Resurfacing on 11.2 miles, a bridge new deck, bridge repair and a bridge superstructure at Bell School Road and a bridge new deck and bridge repair at Maher Road are programmed during FY 2020-2024 at a cost of \$22.3 million.
- Interstate 74/Illinois 29 at Illinois River/Murray Baker Bridge in Tazewell and Peoria Counties. A bridge new deck and bridge rehabilitation are programmed during FY 2020-2024 at a cost of \$35 million. This project has been approved for Illinois Major Bridge Program funding.
- Interstate 474/US 24 from Interstate 74 to Illinois River in Peoria County. Resurfacing on 14.6 miles, ramp repair, bridge rehabilitation at Illinois 6, bridge rehabilitation, bridge joint repair, bridge deck overlay and bridge deck waterproofing at Kickapoo Creek and Burlington Northern Railroad, bridge replacement over Illinois 116, and a new bridge deck and bridge rehabilitation at Airport Road and Closen Road over Interstate 474 are programmed during FY 2020-2024 at a cost of \$42 million.
- US 24/Illinois 9 over Copperas Creek at the east edge of Banner. A bridge replacement, utility adjustments and construction engineering are programmed during FY 2020-2024 at a cost of \$15.9 million. *This project has been approved for Illinois Major Bridge Program funding.*
- US 67/Illinois 135 from Illinois 135/Alexis Road to US 34 at Monmouth. Resurfacing on 4.6 miles, widening and resurfacing on 6.9 miles, new shoulders, a culvert replacement and land acquisition are programmed during FY 2020-2024 at a cost of \$31.8 million.
- US 150 (War Memorial Drive) eastbound over the Illinois River. A bridge replacement, ramp modifications, culvert replacement, utility adjustments, railroad flagger and construction engineering are programmed during FY 2019-2024 at a cost of \$204.6 million. Of this total, the bridge replacement, ramp modifications, culvert replacement, utility adjustments and railroad flagger are programmed in FY 2019 at a cost of \$194.6 million. *This project has been approved for Illinois Major Bridge Program funding.*
- Illinois 8/Illinois 116 (Cedar Street Extension) over the Tazewell and Peoria Railroad and Illinois 29 in East Peoria. A bridge replacement, interchange reconstruction, land acquisition, utility adjustments, railroad flagger, hazardous material mitigation and construction engineering are programmed during FY 2019-2024 at a cost of \$40.2 million. Of this total, land acquisition is programmed in FY 2019 at a cost of \$200,000. This project has been approved for Illinois Major Bridge Program funding.

#### TRANSPORTATION PROGRAM SUMMARY ILLINOIS DEPARTMENT OF TRANSPORTATION REGION 3, DISTRICT 5, PARIS

#### <u>Overview</u>

Highway District 5 encompasses 7 counties in eastern Illinois and includes the cities of Bloomington-Normal, Champaign-Urbana, Clinton, Danville and Tuscola, plus many smaller communities which serve as satellites for the larger employment areas or as focal points of this farming area. The state highway system in District 5 consists of 1,305 miles of highways and 679 bridges, supporting 9.7 million vehicle miles of travel daily.

#### State Program

The program for state and local highways will average \$1.84 billion annually for the FY 2019-2024 period. Approximately \$451 million will be provided during FY 2019-2024 for improvements to state highways in District 5. The following table summarizes anticipated accomplishments on the state highway system in District 5 during this time frame.

#### FY 2019-2024 Programmed Improvements

Major Highway projects of interest that are tentatively scheduled during the FY 2019-2024 time frame include:

• Interstate 55 from south of Lexington to Livingston County line in McLean County. Resurfacing on 13 miles and ramp repair at the Chenoa and Lexington interchanges are programmed during FY 2020-2024 at a cost of \$11.5 million.

- Interstate 55 Business (Veterans Parkway) from Commerce Parkway to Old Route 66, Illinois 9 from Service Drive to east of Prospect Road and at Illinois 9 in Bloomington in McLean County. Resurfacing on 6.2 miles and ADA improvements from Commerce Parkway to Old Route 66 and on Illinois 9 from Service Drive to east of Prospect Road and engineering for a feasibility study at Illinois 9 are programmed during FY 2019-2024 at a cost of \$13.6 million. Of this total, the resurfacing on 1.41 miles and ADA improvements on Interstate 55 Business from 0.1 mile north of East Washington Street to Clearwater Avenue and on Illinois 9 from Service Drive to east of Prospect Road is programmed in FY 2019 at a cost of \$3.1 million, and the engineering for a feasibility study at Illinois 9 is programmed in FY 2019 at a cost of \$500,000.
- Interstate 57 at Interstate 74 Interchange in Champaign County. Interchange reconstruction, a new bridge, a bridge replacement, a culvert replacement, a new culvert, utility adjustments and construction engineering are programmed during FY 2019-2024 at a cost of \$121.2 million. Of this total, utility adjustments are programmed in FY 2019 at a cost of \$1.3 million. This project has been approved for Illinois Major Bridge Program funding. Provides for efficient freight movement.
- Interstate 57 under US 150 and Mattis Avenue and Interstate 74 under Mattis Avenue northwest of Champaign in Champaign County. Bridge replacements, utility adjustments and construction engineering are programmed during FY 2019-2024 at a cost of \$28.8 million. Of this total, utility adjustments are programmed in FY 2019 at a cost of \$1.7 million. This project has been approved for Illinois Major Bridge Program funding
- Interstate 74 at Illinois Central Railroad and Township Road 158 in Champaign County. Bridge rehabilitation, engineering for contract plans and railroad flagger are programmed during FY 2019-2024 at a cost of \$26.9 million. Of this total, railroad flagger is programmed in FY 2019 at a cost of \$420,000. This project has been approved for Illinois Major Bridge Program funding.
- Interstate 74 from US 150 west of Danville to Vermilion River in Vermilion County. Reconstruction on 5.8 miles and bridge deck repairs are programmed during FY 2020-2024 at a cost of \$28.1 million.
- Interstate 74 at Salt Fork Vermilion River west of Danville in Vermilion County. Bridge rehabilitation and construction engineering are programmed during FY 2020-2024 at a cost of \$18.7 million. This project has been approved for Illinois Major Bridge Program funding.
- Illinois 9/US 150 from east of Interstate 74 to Royal Pointe Drive in Bloomington and from Locust Street to Towanda Avenue in Bloomington. Resurfacing on 6.9 miles, ADA improvements, engineering for design, location and environmental studies and engineering for contract plans are programmed during FY 2019-2024 at a cost of \$9.7 million. Of this total, engineering for design, location and environmental studies is programmed in FY 2019 at a cost of \$350,000.
- Illinois 133 from US 45 in Arcola to Coles County line. Resurfacing on 13.5 miles, ADA improvements, new shoulders, safety improvements, land acquisition and utility adjustments are programmed during FY 2020-2024 at a cost of \$5.7 million.

#### TRANSPORTATION PROGRAM SUMMARY ILLINOIS DEPARTMENT OF TRANSPORTATION REGION 4, DISTRICT 6, SPRINGFIELD

#### <u>Overview</u>

Highway District 6 encompasses 15 counties in west central Illinois and includes the cities of Springfield, Quincy, Jacksonville, Lincoln and Taylorville, plus many smaller communities which serve as satellites for the larger employment areas or as focal points of this farming area. The state highway system in District 6 consists of 2,079 miles of highways and 847 bridges, supporting 10.8 million vehicle miles of travel daily.

#### State Program

The program for state and local highways will average \$1.84 billion annually for the FY 2019-2024 period. Approximately \$426 million will be provided during FY 2019-2024 for improvements to state highways in District 6. The following table summarizes anticipated accomplishments on the state highway system in District 6 during this time frame.

#### FY 2019-2024 Programmed Improvements

Roads & Bridges (\$M)	36.706

Major Highway projects of interest that are tentatively scheduled during the FY 2019-2024 time frame include:

• Interstate 55 from 0.8 mile north of Illinois 16 to 0.7 mile south of County Highway 17 at Farmersville in Montgomery County. Resurfacing on 17.6 miles, a new bridge deck, a bridge deck overlay, bridge raising, bridge rehabilitation, bridge repair, bridge joint repair, bridge removal, ditch cleaning, rip rap and slope wall repair are programmed during FY 2020-2024 at a cost of \$49 million.

- Interstate 55 from north of Glenarm Interchange to 0.2 mile south of Lake Springfield Bridge in Sangamon County. Resurfacing on 4.9 miles and bridge approach roadway are programmed during FY 2020-2024 at a cost of \$16 million.
- Interstate 55 from 1.2 miles south of Interstate 55 Business to 0.3 mile north of Illinois 10 west of Lincoln and Interstate 55 Business from 900<sup>th</sup> Avenue 0.4 mile west of Interstate 55 to south of 1056<sup>th</sup> Avenue in Lincoln. Resurfacing on 4.7 miles, a bridge deck overlay, bridge joint repair, bridge deck repairs and bridge repair on the mainline and 1.9 miles of resurfacing on Interstate 55 Business are programmed during FY 2020-2024 at a cost of \$14 million.
- Interstate 72 over Wabash Avenue and over Northern Southern Railroad 1.2 miles east of Wabash Avenue Interchange in Springfield in Sangamon County. A new bridge deck, slope wall repair and bridge painting are programmed during FY 2020-2024 at a cost of \$12 million.
- Interstate 155 from 2 miles south of US 136 to Tazewell County line in Logan County. Resurfacing on 3.1 miles, bridge repair, bridge deck repair and a bridge deck overlay under US 136 are programmed during FY 2020-2024 at a cost of \$7.6 million.
- US 67/Illinois 100 over the Illinois River Bridge at Beardstown. A bridge replacement, new construction, engineering for contract plans, archaeological surveys, land acquisition, utility adjustments, and construction engineering are programmed during FY 2019-2024 at a cost of \$70 million. Of this total, engineering for contract plans is programmed in FY 2019 at a cost of \$3 million. *This project has been approved for Illinois Major Bridge Program funding.*
- Illinois 100/Illinois 106 over the Illinois River Bridge at Florence. Bridge rehabilitation, bridge painting, a bridge deck overlay, catwalk access replacement, engineering for contract plans and construction engineering are programmed during FY 2019-2024 at a cost of \$15.4 million. Of this total, engineering for contract plans is programmed in FY 2019 at a cost of \$650,000. This project has been approved for Illinois Major Bridge Program funding.
- Illinois 125/Illinois 97 from the east corporate limits of Pleasant Plains to east of the Illinois 97 intersection. Resurfacing on 7 miles, shoulder reconstruction, vertical realignment, intersection reconstruction and a culvert extension are programmed in FY 2019 at a cost of \$8.8 million.

#### TRANSPORTATION PROGRAM SUMMARY ILLINOIS DEPARTMENT OF TRANSPORTATION REGION 4, DISTRICT 7, EFFINGHAM

#### <u>Overview</u>

Highway District 7 encompasses 16 counties in southeastern Illinois and includes the cities of Decatur, Charleston, Mattoon, Effingham, Sullivan and Vandalia, plus many smaller communities which serve as satellites for the larger employment areas or as focal points of this farming area. The state highway system in District 7 consists of 1,623 miles of highways and 775 bridges, supporting 9.3 million vehicle miles of travel daily.

#### State Program

The program for state and local highways will average \$1.84 billion annually for the FY 2019-2024 period. Approximately \$330 million will be provided during FY 2019-2024 for improvements to state highways in District 7. The following table summarizes anticipated accomplishments on the state highway system in District 7 during this time frame.

#### FY 2019-2024 Programmed Improvements

Major Highway projects of interest that are tentatively scheduled during the FY 2019-2024 time frame include:

• Interstate 57 at Eastern Illinois Railroad 0.3 mile south of Neoga and US 45 at Neoga Interchange in Cumberland County. A bridge replacement and median crossover are programmed during FY 2020-2024 at a cost of \$18.1 million.

- Interstate 57 from US 45 at Neoga to Coles County line in Cumberland County. Resurfacing on 3.7 miles, ramp repair at the Neoga interchange, rip rap and wing wall repair are programmed during FY 2020-2024 at a cost of \$9.1 million.
- Interstate 57 at Illinois 16 east of Mattoon in Coles County. A bridge replacement and interchange reconstruction are programmed during FY 2020-2024 at a cost of \$31.2 million. This project has been approved for Illinois Major Bridge Funding.
- Interstate 70 from abandoned railroad bridge at Altamont to 0.8 mile east of Altamont Interchange in Effingham County. Rubblization with an overlay on 2.2 miles and ramp repair are programmed during FY 2019-2024 at a cost of \$11.2 million.
- Interstate 72 from the Sangamon County line to 0.5 mile west of US 51 at Forsyth in Macon County. Resurfacing on 19.6 miles, ramp repair and a bridge superstructure over Illinois 121 and Illinois Central Railroad are programmed during FY 2020-2024 at a cost of \$54.1 million.
- Illinois 1 at Embarras River Overflow 1 mile north of US 50 and 0.5 mile north of US 50. A bridge replacement for each structure is programmed during FY 2020-2024 at a total cost of \$13.4 million. This project has been approved for Illinois Major Bridge Program funding.
- Illinois 121 from the east corporate limits of Sullivan to North 20<sup>th</sup> Street in Mattoon. Resurfacing on 15.5 miles and ADA improvements are programmed during FY 2020-2024 at a cost of \$7.6 million.
- Old US 51 Business/North Main Street/Franklin Street/North Water Street from Illinois 121 to US 36 in Decatur. Resurfacing on 4.3 miles, ADA improvements and land acquisition are programmed during FY 2020-2024 at a cost of \$4.9 million.

#### TRANSPORTATION PROGRAM SUMMARY ILLINOIS DEPARTMENT OF TRANSPORTATION REGION 5, DISTRICT 8, COLLINSVILLE

#### <u>Overview</u>

Highway District 8 encompasses 11 counties in southwestern Illinois and includes the cities of Centralia, East St. Louis, Alton, Belleville, Edwardsville, Jerseyville, Highland, Greenville, Mascoutah and Chester, plus many smaller communities which serve as satellites for the larger employment centers. The state highway system in District 8 consists of 1,804 miles of highways and 1,010 bridges, supporting 16.3 million vehicle miles of travel daily.

#### State Program

The program for state and local highways will average \$1.84 billion annually for the FY 2019-2024 period. Approximately \$807 million will be provided during FY 2019-2024 for improvements to state highways in District 8. The following table summarizes anticipated accomplishments on the state highway system in District 8 during this time frame.

#### FY 2019-2024 Programmed Improvements

Major Highway projects of interest that are tentatively scheduled during the FY 2019-2024 time frame include:

• Interstate 55/Interstate 64 at Poplar Street Collector Distributor eastbound from Poplar Street Bridge to Trendley Avenue in St. Clair County. A bridge deck overlay, a bridge new deck, bridge joint repair and bridge repair are programmed during FY 2020-2024 at a cost of \$33 million. A portion of this project has been approved for Illinois Major Bridge Program funding.

- Interstate 55/US 40/Illinois 3/Interstate 64 from Mississippi River to Interstate 64 (Tri-Level) Interchange in St. Clair County. Resurfacing on 2.7 miles and bridge rehabilitation are programmed during FY 2020-2024 at a cost of \$18.4 million.
- Interstate 57 from Jefferson County line to 0.7 mile north of Illinois 161 in Marion County. Reconstruction of 3.8 miles, ramp repair on 1.1 miles, bridge deck repairs, bridge approach roadway, bridge joint repair, bridge deck waterproofing, bridge painting and rip rap are programmed during FY 2020-2024 at a cost of \$25 million.
- Interstate 64 under Illinois 111 in St. Clair County. A bridge replacement, ramp repair, engineering for contract plans, land acquisition, utility adjustments, and construction engineering are programmed during FY 2019-2024 at a cost of \$28.5 million. Of this total, engineering for contract plans are programmed in FY 2019 at a cost of \$2 million. This project has been approved for Illinois Major Bridge Program funding.
- Interstate 70/US 40 from Madison County line to 0.3 mile west of Sugar Loaf Road in Bond County. Resurfacing on 7.8 miles, bridge repair, a bridge new deck, bridge painting, bridge joint repair, a bridge deck overlay, bridge deck sealing, culvert repair, wing wall repair, ramp repair, miscellaneous work and rip rap are programmed during FY 2020-2024 at a cost of \$28.4 million.
- Interstate 255/US 50 from 0.5 mile north of Illinois 157 to Collinsville Road in St. Clair and Madison Counties. Resurfacing on 17.3 miles, patching, ramp repair, bridge rehabilitation, a bridge new deck, bridge repair, shoulder repair, bridge deck waterproofing, rip rap, bridge joint repair, bridge deck sealing and bridge painting are programmed during FY 2020-2024 at a cost of \$96.1 million.
- Interstate 270 at Mississippi River in Madison County. A bridge replacement, engineering for contract plans, land acquisition, utility adjustments and construction engineering, are programmed during FY 2019-2024 at a cost of \$223.3 million. Of this total, engineering for contract plans is programmed in FY 2019 at a cost of \$2 million. There is an additional \$80,000 programmed during FY 2020-2024 for bridge deck sealing on the existing bridges. Illinois is the lead agency for the project with Missouri sharing equally in the bridge replacement and engineering costs.
- **US 67 at Delhi Bypass in Jersey County.** New construction of 3.2 miles of a four-lane expressway for the bypass around Delhi including new construction, grading, paving, drainage, signing and lighting are programmed during FY 2020-2024 at a cost of \$23 million. In addition, land acquisition and utility adjustments from the Madison County line to Jerseyville are programmed during FY 2020-2024 at a cost of \$1.4 million.
- Illinois 4 from 0.3 mile south of Interstate 55 to 0.1 mile south of Illinois 143. Resurfacing on 9.8 miles and new shoulders are programmed during FY 2020-2024 at a cost of \$16 million.
- Illinois 161 over Crooked Creek 8.6 miles east of Illinois 127 and over a creek 1 mile west of Centralia. A bridge replacement and culvert replacement are programmed in FY 2019 at a cost of \$22 million. This project has been approved for Illinois Major Bridge Program funding.
- King Bridge Ramps at the 3<sup>rd</sup> Street exit and ramps to Martin Luther King Drive, over Interstate 55/64 westbound, Missouri Avenue, relocated Illinois 3, Terminal Railroad Association and Union Pacific Railroads in East St. Louis 0.7 mile east of the Mississippi River and approach. A bridge replacement, bridge rehabilitation, bridge joint repair, bridge deck waterproofing, bridge deck sealing, bridge repair, bridge painting, lighting, railroad flagger, resurfacing on 1.3 miles and ramp repair are programmed in FY 2019 at a cost of \$36.2 million. The project on the King Bridge ramps over Interstate 55/64 westbound, Missouri Avenue, relocated Illinois 3, Terminal Railroad Association and Union Pacific Railroads in East St. Louis 0.7 mile east of the Mississippi River project has been approved for Illinois Major Bridge Program funding.

#### TRANSPORTATION PROGRAM SUMMARY ILLINOIS DEPARTMENT OF TRANSPORTATION REGION 5, DISTRICT 9, CARBONDALE

#### <u>Overview</u>

Highway District 9 encompasses 16 counties in southern Illinois and includes the cities of Carbondale, Mt. Vernon, Marion, Herrin, Harrisburg, Murphysboro, West Frankfort, Benton and Pinckneyville, plus many smaller communities which serve as satellites for the larger employment centers or as focal points of this farming and recreational area. The state highway system in District 9 consists of 1,463 miles of highways and 767 bridges, supporting 9 million vehicle miles of travel daily.

#### State Program

The program for state and local highways will average \$1.84 billion annually for the FY 2019-2024 period. Approximately \$471 million will be provided during FY 2019-2024 for improvements to state highways in District 9. The following table summarizes anticipated accomplishments on the state highway system in District 9 during this time frame.

#### FY 2019-2024 Programmed Improvements

Roads & Bridges (\$M)	12.110

Major Highway projects of interest that are tentatively scheduled during the FY 2019-2024 time frame include:

 Interstate 24 from Johnson County line to Ohio River in Massac County. Resurfacing on 15.1 miles, a bridge deck overlay and a bridge replacement two miles north of US 45 and four miles south of Johnson County line and bridge repair and bridge joint repair at Big Bay Interchange are programmed during FY 2019-2024 at a cost of \$36.7 million. Of this total, bridge repair and bridge joint repair at Big Bay Interchange and bridge replacement two miles north of US 45 are programmed in FY 2019 at a cost of \$6.2 million.

- Interstate 57 (northbound) from 0.5 mile north of Illinois 146 to Interstate 24 in Union and Johnson Counties. Reconstruction on 12.7 miles of the northbound lanes is programmed during FY 2020-2024 at a cost of \$20 million.
- Interstate 57 from south of Johnson City to south of West Frankfort in Williamson and Franklin Counties. Additional lanes for 4.5 miles is programmed in FY 2019 at a cost of \$12.7 million. *This project has been approved for federal TIGER funds*. In addition, a new bridge deck on an overhead structure 1.2 miles north of Johnson City is programmed during FY 2020-2024 at a cost of \$2.5 million. *Provides for efficient freight movement*.
- Interstate 57 from south of West Frankfort to north of Benton in Franklin County. Resurfacing on 9 miles is programmed during FY 2020-2024 at a cost of \$7.6 million.
- Interstate 57 at Atchison Creek 2 miles north of Ina Interchange in Jefferson County. A bridge replacement is programmed in FY 2019 at a cost of \$7 million.
- Interstate 64 at Wabash River in White County. A bridge replacement, construction engineering, bridge deck repairs and bridge joint repair are programmed during FY 2019-2024 at a cost of \$88.6 million. Of this total, bridge deck repair and bridge joint repair are programmed in FY 2019 at a cost of \$600,000. *Illinois is the lead agency and will share the cost equally with Indiana. This project has been approved for Illinois Major Bridge Program funding.*
- US 51/US 60/US 62 over the Ohio River 1 mile south of Cairo. A bridge replacement, bridge approach roadway, engineering for location, environmental and design studies, engineering for contract plans, and land acquisition are programmed during FY 2019-2024 at a cost of \$116 million for Illinois' fifty-percent share only. Of this amount, engineering for location, environmental and design studies is programmed in FY 2019 at a cost of \$8 million. The total cost of this project is estimated at \$232 million. *Kentucky is the lead agency and will share the cost equally with Illinois.*
- Illinois 149 (Main Street) from Interstate 57 to Illinois 37 in West Frankfort. Widening and resurfacing on 0.7 mile, land acquisition and utility adjustments are programmed in FY 2020-2024 at a cost of \$8.3 million.

#### TRANSPORTATION PROGRAM SUMMARY ILLINOIS DEPARTMENT OF TRANSPORTATION STATEWIDE LINE ITEMS FOR HIGHWAY PROJECTS

The <u>FY 2019-2024 Proposed Highway Improvement Program</u> includes \$730 million for Statewide Line Item projects. These budget line items are used to reserve funds for types of work for which the need is anticipated but exact locations or other details are not known in program development. In some cases, actual projects are identified for these line items during the course of the current fiscal year. In other cases, the funds are reserved in the later years of the program for projects to be identified in subsequent programs. A complete list is included, but as examples, the statewide projects provide funding for:

- Work zone and highway safety
- Traffic control improvements
- Bridge maintenance activities
- Roadway-related improvements that are performed by non-state forces
- Emergency road and bridge repairs
- Federally mandated training programs and support services
- Economic Development Program
- Environmental studies
- Engineering for miscellaneous work statewide
- Railroad crossing safety projects
- Local Truck Access Route Program (TARP)
- Illinois Transportation Enhancement Program
- Safe Routes to School Program
