

Help Turn the 27th Blue!

WE NEED YOUR HELP TO RETAKE THE 27TH DISTRICT!

I am committed to running for the people of the 27th District. That means that my campaign will be funded by gifts from ordinary people, not giant SuperPACs or special interest groups.

Your contribution - no matter what size - makes a tangible difference in the politics of our nation.

We deserve better than Chris Collins. We deserve true representation and a commitment to our community.

Thank you for fighting for the 27th District and our representation.

Thank you for your support,
Nate
