RE: Bilingual Instruction in Adams 14 School District

Dear Ms. McDowell and Mr. Malmberg:

The Adams 14 Board of Education has received a proposal from members of the Classroom Teachers' Association to provide bilingual instruction this school year to interested fourth grade students at Dupont, Hanson, Monaco, and Rose Hill Elementary Schools. The Board has reviewed the Association's proposal and anticipates receiving from Superintendent Dr. Javier Abrego by November 1, 2018, a detailed plan for implementation of bilingual instruction for fourth grade students at these four schools during the 2018-19 school year. To ensure that the plan reflects input of teachers at the affected schools, the Board encourages the Association to work with district staff and school leadership in developing the plan. You should hear from district staff soon about scheduling meetings to discuss providing bilingual instruction for fourth grade students at these four elementary schools.

Sincerely,

cc: Adams 14 Board of Education  
Dr. Javier Abrego, Superintendent
