Hi Michelle,

If you need to buy something to record testimonials, get whatever you need. I think it is important.

Thank you for everything. I know that this is hard and we are really proud of the work that you are doing. If you need anything for yourself and want to talk to someone – please let me know. Also, if you need any other support here in the US that will help you with your work in Liberia, please let me know.

I want you and the team to start thinking of ideas of how we can prevent this from happening in the future – cast a wide net and do not worry about cost when making this list.

Thank you!

Katie B.
