Dear Jeremy,

We write to raise the issue of the disappearance of Jamal Khashoggi.

Clearly this is a very concerning case, with serious implications for the future of Saudi Arabia and her relations with liberal democracies worldwide.

We support your comments on this case wholeheartedly, and agree that there must be full transparency from all parties involved throughout the duration of any investigation.

The UK must call for a full and thorough investigation into the circumstances surrounding the disappearance of Mr Khashoggi, and stand ready to support all authorities in their enquiries.

Yours sincerely,
