Good afternoon,

I received this email and do not plan to respond. However, I thought it might be worthwhile for the Special Prosecutor's office to know that this person or entity is reaching out to people in a rather random fashion.

Thanks so much,

Jennifer

Professor Taub,
It's my understanding that you may have had some past encounters with Robert Mueller. I would like to discuss these encounters with you. I believe a basic telephone call, for which I would compensate you for at whatever rate you see fit (inside reason), would be a good place to start.

My organization is conducting an examination of Robert Mueller's past. Tell me a decent method to contact you by telephone (or Signal, which would be ideal) and a beginning rate to talk with you about all encounters you've had with Special Counsel Mueller.

We would likewise pay you for any references that you may have. Lastly, I would appreciate your discretion here, as this is a very sensitive matter.

Very Truly Yours,
Simon Frick
