### RESIDENTS OF AYTOUN ROAD, SHIELDS ROAD & TERREGLES AVENUE

Monday September 21<sup>st</sup> 2015

Dear Resident,

Re CBBC's "Eve".

I write regarding Leopard Drama Eve LTD's plans to film scenes for the second season of CBBC's series "Eve".

#### SYNOPSIS

The Sci-fi drama follows the adventures of Eve (portrayed by Poppy Lee Friar), a female sentient robot, residing with a family in suburbia and trying to make sense of human life as a teenager.

#### FILMING DATES

Friday 2<sup>nd</sup> October, 0800hrs – 1900hrs.

#### LOCATIONS TO BE USED

Outside 5 & 8 Aytoun Road, with some driving scenes being shot on the stretch of Aytoun Road between Shields Road and St. Johns Road.

#### PARKING RESTRICTIONS & ROAD CLOSURES

In order to facilitate the days filming we have requested from Glasgow City Council a Temporary Traffic Restriction Order on:

- Aytoun Road (between Shields Road and St. Johns Road) and on Shields Road (between Aytoun Road and Albert Drive).
- Shields Road (between Aytoun Road and Albert Drive).
- Terregles Avenue (between Springkell Avenue and Glencairn Drive)

All on-street parking will be restricted in these areas while we shoot.

In addition to this TTRO we have also requested a Road Closure for Aytoun Road (between Shields Road and St. Johns Road) as we will be filming some driving scenes. This closure is for your safety as well as ours, however please be assured that we will not restrict access or egress to and from your property, although we may ask you to hold for a few minutes during filming.

I understand that parking here is residential and at a premium, and would like to take this opportunity to apologise in advance for any inconvenience filming may cause, but hope that you will be able to accommodate us on this occasion. Please be assured that it is our intention to cause the least possible disruption to your day to day lives as possible. We would however greatly appreciate it if you could refrain from parking in areas where restrictions are in place.

#### GENERAL INFORMATION

Our Unit Base will be moving into Terregles Avenue as of late afternoon on the 1<sup>st</sup> October. Unfortunately some of our vehicles will be a little late parking up and may not be finished until around 11pm. We will do our utmost to minimise noise levels and aim to be complete as quickly as possible as we are aware that this is a residential area.

We are working very closely with the local authorities and Police Scotland during the making of this fantastic series. Our security firm Media Security will be on hand to answer any questions you may have.

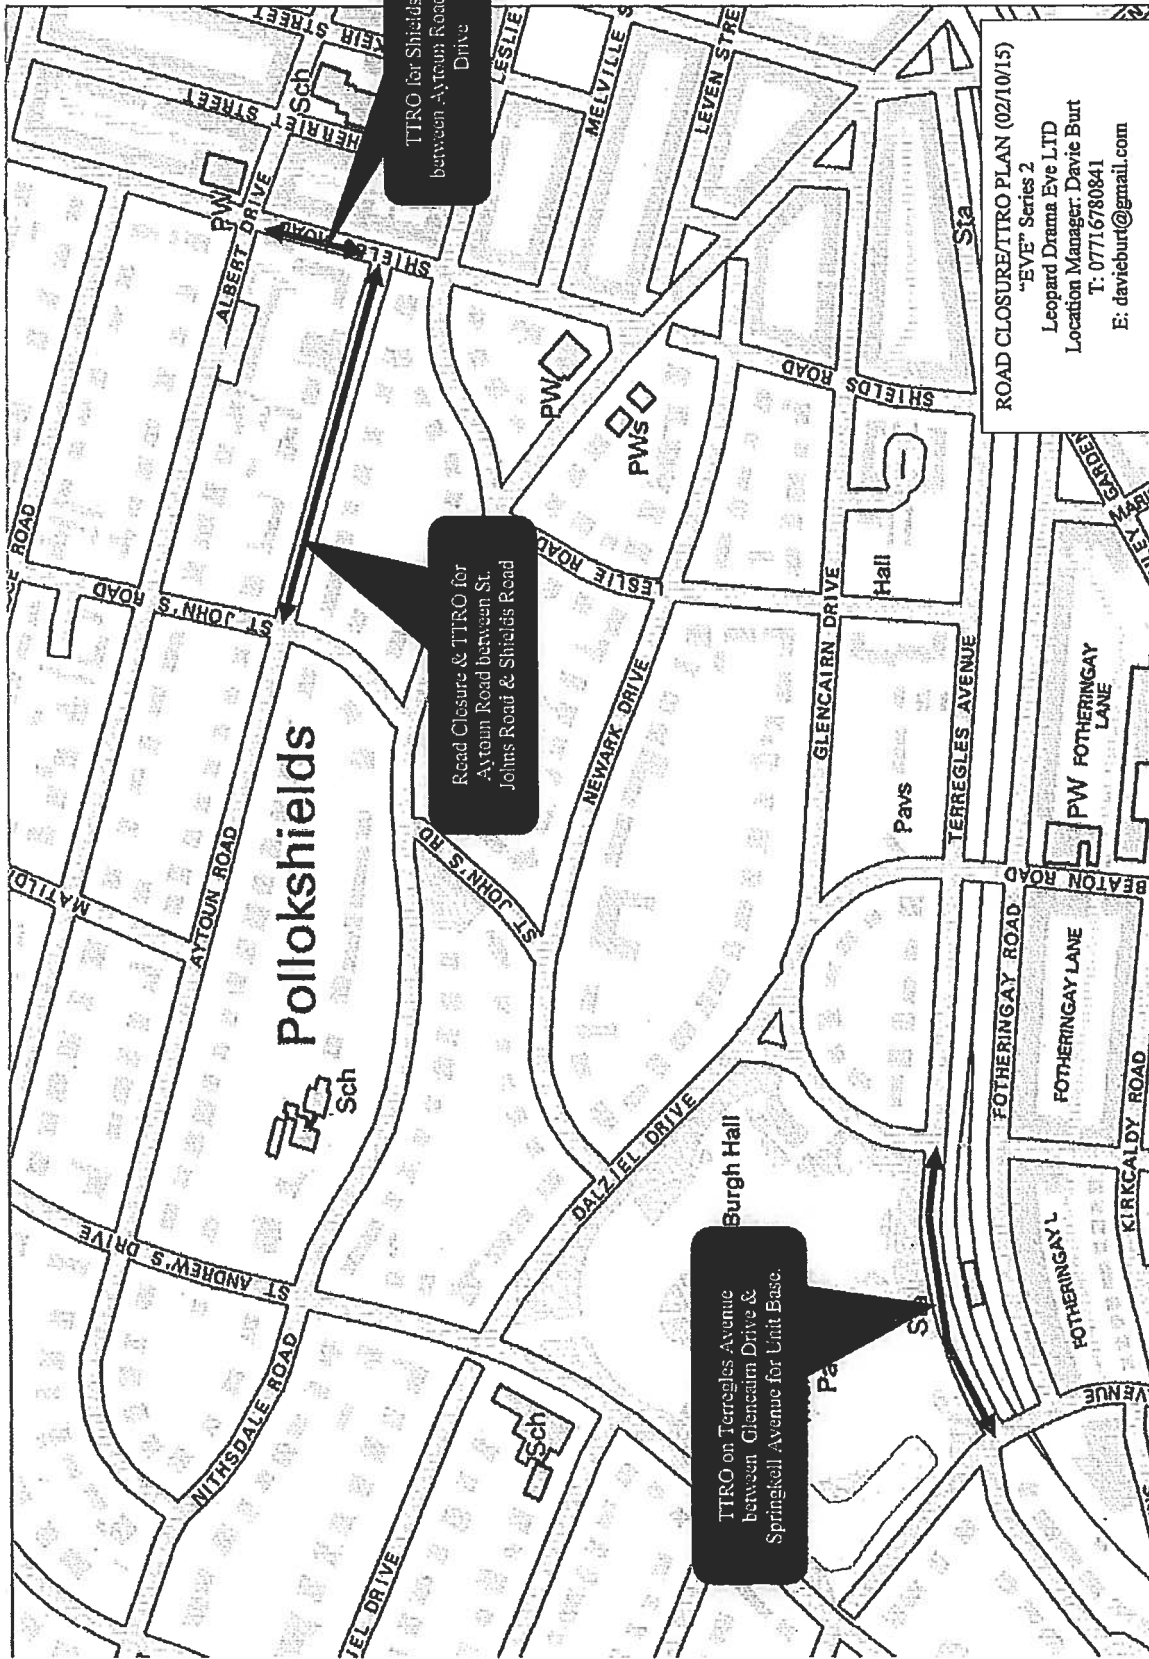

If you have any questions relating to our filming please do not hesitate to give me a call at any time, day or night on my mobile phone - [REDACTED] or email me [REDACTED]

This letter has also been forwarded to the Glasgow Film Office. If you require confirmation on the validity of this request please call [REDACTED] or [REDACTED] on [REDACTED] or email - [info@glasgowfilm.com](mailto:info@glasgowfilm.com)

Thank you in anticipation of your kind cooperation and tolerance.

Yours sincerely,
