Dear Charles:

This is to let you know that John Bolton at Covington & Burling is now completing the semi-final draft of our Advisory Opinion request for the Federal Election Commission. The request is specifically designed to determine whether or not the LP can lawfully accept unearmarked contributions of up to \$25,000 from a single individual in a calendar year. We now expect to have the draft next week. Enclosed is a copy of an escrow agreement that John has drafted on our behalf. As you can see it is to be used in conjunction with our Advisory Opinion request, and is a short, straight forward document that covers all necessary contingencies.

Things are well on the way to being completely organized at headquarters and our first in-house fundraising letter for the MacBride for President Committee will go in the mail on Monday.

Ed and I will be in touch with next week about the escrow agreement and Advisory Opinion.

I hope you had a pleasant Thanksgiving and please give My regards to your mother and Liz.

All the best,

Robert H. Meier  
Chairman
