Dear Charles:

Since Bob sent you a copy of our proposed escrow agreement with regard to your contribution we have received a draft of our request for an advisory opinion, which is enclosed. A very slightly revised version of the request is being submitted to the Federal Election Commission tomorrow. A response from them will take from four to six weeks.

There is good reason to believe that the Supreme Court will hand down a ruling on the FECA suit next Tuesday. If it goes against us I hope we can utilize the escrow agreement idea prior to the end of the year. The plan is straight forward and would appear to legally protect you or anyone else who gave a large contribution to the LP.

I'll give you a call Tuesday or Wednesday to discuss these matters further. I'd be interested in your comments of the enclosed literature.

Cordially,

Edward H. Crane, III  
National Chairman
