## **SECTION II** **CHILD PROTECTION IN ONTARIO**

#### **2.01 Relevant Applicable Legislation for Child Protection in the Province of Ontario**

Relevant Applicable Code and Legislation in the Province of Ontario that effects this Policy includes but is not limited to the following:

- (i) *Child and Family Services Act*, R.S.O. 1990, c. C.11 (the "Act")
- (ii) *Criminal Code* [R.S. 1985, c. C-46] (the "Criminal Code")

This Policy complies with and endorses the child protection principles that are outlined in the Act and the Criminal Code. Some of these principles are outlined below.

In Ontario, the primary child protection legislation is the Act. The Act prescribes the policies, procedures and standards that will apply in ensuring that Children within the Province are protected. The Act also prescribes the duties and responsibilities that are placed on the general public to report instances or suspicions that a Child is in Need of Protection.

Under the Act, and for the purposes of Child protection, a "Child" is defined as a person under the age of sixteen unless the "Child" is subject to a Child protection order, in which case a Child is defined as any person who is 16 or 17 years of age.

All persons have a duty to report when a Child is in need of Protection. This means that, the duty to report a Child in need of Protection applies to any Child who is, or appears to be under the age of sixteen. The duty to report also applies to a Child who is subject to a Child protection order who is 16 or 17 years of age.

Under Ontario Law, a Child that is suffering from Child Abuse or that is exploited is a Child in Need of Protection, as defined under the Act. Under Section 37 (2) of the Act, a Child is in need of Protection where:

1. The Child has suffered physical harm, inflicted by the person having charge of the Child or caused by or resulting from that person's,
  - (a) failure to adequately care for, provide for, supervise or protect the Child, or
  - (b) pattern of neglect in caring for, providing for, supervising or protecting the Child.
2. There is a risk that the Child is likely to suffer physical harm inflicted by the person having charge of the Child or caused by or resulting from that person's,
  - (a) failure to adequately care for, provide for, supervise or protect the Child, or
  - (b) pattern of neglect in caring for, providing for, supervising or protecting the Child.
3. The Child has been sexually molested or sexually exploited, by the person having charge of the Child or by another person where the person having charge of the Child knows or should know of the possibility of sexual molestation or sexual exploitation and fails to protect the Child.
4. There is a risk that the Child is likely to be sexually molested or sexually exploited as described in paragraph 3.
5. The Child requires medical treatment to cure, prevent or alleviate physical harm or suffering and the Child's Parent/Guardian or the person having charge of the Child does not provide, or refuses or is unavailable or unable to consent to, the treatment.
6. The Child has suffered emotional harm, demonstrated by serious,
  - (a) anxiety,
  - (b) depression,
  - (c) withdrawal,
  - (d) self-destructive or aggressive behaviour, or
  - (e) delayed development,and there are reasonable grounds to believe that the emotional harm suffered by the Child results from the actions, failure to act or pattern of neglect on the part of the Child's Parent/Guardian or the person having charge of the Child.
7. The Child has suffered emotional harm of the kind described in subparagraphs (a), (b), (c), (d) or (e) of paragraph 6 and the Child's Parent/Guardian or the person having charge of the Child does not provide, or refuses or is unavailable or unable to consent to, services or treatment to remedy or alleviate the harm.
8. There is a risk that the Child is likely to suffer emotional harm of the kind described in subparagraphs (a), (b), (c), (d) or (e) of paragraph 6 resulting from the actions, failure to

act or pattern of neglect on the part of the Child's Parent/Guardian or the person having charge of the Child.

9. There is a risk that the Child is likely to suffer emotional harm of the kind described in subparagraphs (a), (b), (c), (d) or (e) of paragraph 6 and that the Child's Parent/Guardian or the person having charge of the Child does not provide, or refuses or is unavailable or unable to consent to, services or treatment to prevent the harm.
10. The Child suffers from a mental, emotional or developmental condition that, if not remedied, could seriously impair the Child's development and the Child's Parent/Guardian or the person having charge of the Child does not provide, or refuses or is unavailable or unable to consent to, treatment to remedy or alleviate the condition.
11. The Child has been abandoned, the Child's Parent/Guardian has died or is unavailable to exercise his or her custodial rights over the Child and has not made adequate provision for the Child's care and custody, or the Child is in a residential placement and the Parent/Guardian refuses or is unable or unwilling to resume the Child's care and custody.
12. The Child is less than 12 years old and has killed or seriously injured another person or caused serious damage to another person's property, and services or treatment are necessary to prevent a recurrence and the Child's Parent/Guardian or the person having charge of the Child does not provide, or refuses or is unavailable or unable to consent to, those services or treatment. The Child is less than 12 years old and has on more than one occasion injured another person or caused loss or damage to another person's property, with the encouragement of the person having charge of the Child or because of that person's failure or inability to supervise the Child adequately.

In addition to the Act, the *Criminal Code* prohibits:

- (a) any sexual activity between an Adult and a Child under the age of 16 – a Child under 16 is incapable in law of consenting to sexual activity with an Adult;
- (b) any sexual activity between an Adult in a position of trust or authority towards a Child between the ages of 16 and 18 years;
- (c) any sexual activity without the consent of a Child of any age; and
- (d) use of Children in prostitution and pornography.

**SECTION III**  
**LEGAL OBLIGATIONS, CHILD PROTECTION POLICIES AND PROCEDURES**  
**APPLICABLE TO ALL CHILDREN**

**3.01 Policy, Procedure and Legal Obligations as it Relates to Reporting Child Abuse and Sexual Exploitation**

(a) Duty to Report

Generally, reporting when a Child is in Need of Protection is the duty of all persons in the Province including members of the public, Parents/Guardians, family members, caregivers, service providers, police, priests, ministers and religious leaders, health care providers and teachers.

(b) Who to Inform

- (i) The Act imposes a duty on any person who suspects on reasonable grounds that a Child is or may be In Need of Protection to report this suspicion and the information upon which the belief is based to the Children's Aid Society ("CAS"). Where a Member reasonably suspects that a Child is or may be In Need of Protection, it is the legal obligation of the Member to report this suspicion to the CAS. St. Michael's stresses that this obligation is not only a legal one but is also a moral one in keeping with Christian values. Pursuant to their legal and moral obligations, Members shall report suspected Child Abuse or Sexual Exploitation to both the CAS and the Principal of St. Michael's. The local office of the CAS is located at 30 Isabella Street, Toronto, ON M4Y 1N1 and their 24-hour telephone number is: 416-924-4646.
- (i) In emergencies, Members are encouraged to immediately contact the local Police department. The contact information for the local Toronto Police Services office is 13<sup>th</sup> Division, 1435 Eglinton Av. W., Toronto, ON, M6C 3Z4 and their telephone number is 416-808-1300 or 911.
- (ii) In addition to their legal reporting obligations, Members are directed to promptly report the Child Abuse and/or Sexual Exploitation to the Principal or his designate where appropriate, in order to ensure that St. Michael's can take all reasonable and appropriate steps to limit the Child Abuse or Sexual Exploitation and the threat posed by the Accused if the Accused is a Member who has access to St. Michael's facilities or participates in St. Michael's activities.
- (iii) Members are required, where appropriate, to keep the Principal, or his designate where appropriate, fully informed of any investigation they may be involved in arising from the reporting of Child Abuse or Sexual Exploitation, unless they are otherwise directed not to do so by a criminal or civil authority of competent jurisdiction, such as an investigating police force or the CAS.
- (iv) The Act expressly provides that persons who perform professional or official duties with respect to Children, including a teacher or a religious official, such as a priest, a

rabbi and a member of the clergy, will be guilty of an offence if s/he contravenes the reporting obligations by failing to report suspicions of Child Abuse or Sexual Exploitation.

- (v) Any professional or official including those named above, who fails to report a suspicion that a Child is in Need of Protection based on knowledge obtained in the course of professional or official duties is liable on conviction to a fine of up to \$1,000.
  - (vi) Members do not need to be sure that a Child is suffering Child Abuse and/or Sexual Exploitation in order to make a report of Child Abuse or Sexual Exploitation to the CAS. If Members are unsure about possible Child Abuse or Sexual Exploitation, then they are directed to err on the side of caution and immediately report their concerns to the CAS.
  - (vii) The obligation to report Child Abuse or Sexual Exploitation is ongoing. In such cases Members must report any additional grounds that they might have to suspect that a Child is suffering Child Abuse or Sexual Exploitation.
  - (viii) The legal duty to report overrides any duty of confidentiality, except a solicitor-client relationship.
- (c) Content of Report

Without limiting the generality of the forgoing, a report made to the CAS shall include the following:

- (i) all the information in the possession of the person making the report which allows the Child to be identified;
- (ii) the name and address of the Child's Parents/Guardians, if known; and

### **3.02 Sanctions Following an Allegation of Child Abuse or Sexual Exploitation**

- (a) If a report of Child Abuse or Sexual Exploitation (the "Complaint") is made against a Member, then the Member shall be immediately suspended from performing any services, duties for St. Michael's (with pay, if applicable). The suspension of the Member will remain in effect until the Member is exonerated from any criminal charges arising from the Complaint, or any Investigation commenced by the CAS and/or the police or the CAS have completed an Investigation and concluded that the Complaint did not occur. Under these circumstances, the suspension will end and the Member will be entitled to return to performing his or her pre-suspension services or duties.
- (b) If a Member is convicted in a criminal court of Child Abuse or Sexual Exploitation or pleads guilty to some lesser and included offense arising from the Child Abuse or Sexual

Exploitation then the Member shall be immediately terminated with cause from his or her services and duties with St. Michael's.

- (c) Regardless of whether a Member is suspended or terminated, such Member shall not enter onto St. Michael's property and shall not take part in St. Michael's teaching programs or extra-curricular activities during the suspension period or following termination, and will not have any contact, either directly or indirectly, with any Student.
- (d) Upon learning of a Complaint, the Principal's designate, where appropriate, shall notify St. Michael's insurance provider of the Complaint.
- (e) If, as a result of an Investigation by the CAS, or the police, a determination is made that Child Abuse or Sexual Exploitation has occurred, but no criminal charges are laid against the Accused, or if the CAS, or police, are satisfied that the risk of further Child Abuse or Sexual Exploitation by the Accused has been addressed and the CAS, or the police, determines that no further action will be taken by it against the Accused, then St. Michael's will investigate the report of Child Abuse or Sexual Exploitation itself (the "Internal Determination") if it is deemed necessary to ensure the ongoing safety of its Students. The Internal Determination will be undertaken by two Members ("Investigators") appointed by the Principal for the purpose of the Internal Determination.
- (f) As part of the Internal Determination, the Accused will be interviewed by the Investigators to determine the risk of further or ongoing Child Abuse or Sexual Exploitation posed by the Accused to the Students of St. Michael's. - (g) Further, as part of the Internal Determination, such witnesses, family members, Members and Students as are deemed necessary by the Investigators will be interviewed, and the interviews will be reduced to writing.
- (h) At the completion of the Internal Determination, the Principal shall convene a special meeting of the Board of Directors of St. Michael's on seven (7) days' notice in writing to the Accused. The Board of Directors shall meet with the Accused in camera and will discuss the Internal Determination and its findings with the Accused. At the conclusion of the meeting, the Board of Directors shall render its decision as to whether further disciplinary measures will be taken by St. Michael's against the Accused. Such disciplinary measures may include, but are not limited to, the following:
  - (i) requiring counseling;
  - (ii) requiring therapeutic treatment;

  - (viii) permanent ban from the property and facilities of St. Michael's; and/or
  - (ix) making a further report to the CAS, or the police, if it is felt that there is evidence of Child Abuse, or Sexual Exploitation that did not form the basis of the original Complaint against the Member accused.
- (i) The decision of the Board of Directors shall be final and not open to appeal.
  - (j) Pursuant to section 3.02(a) of this Policy, the suspension of the Accused shall remain in effect until the decision of the Board of Directors is delivered pursuant to section 3.02(a) of this Policy.
  - (k) St. Michael's shall maintain the strictest confidentiality over the records of the Internal Determination, the meeting between the Board of Directors and the Accused, and the decision of the Board of Directors respecting disciplinary measures ("Records"). A record of the Complaint, the Investigation and the Internal Determination shall be kept in the records of the Child and Accused to be maintained in accordance with the privacy and confidentiality policies of St. Michael's. The Records shall only be disclosed as required by law and shall be permanently maintained in the employment file of the Accused with St. Michael's.
  - (l) Subject to the legal reporting requirements referred to herein, where a Member who is subject to a Collective Bargaining Agreement is alleged to have committed Child Abuse or Sexual Exploitation then the terms of the Collective Bargaining Agreement respecting discipline of the said Member shall be applicable and shall supersede the terms of this Policy, where the terms of this Policy and the Collective Agreement conflict.
