Exceptional Service as an Employee of the District Attorney's Office

This certificate is hereby presented to Michelle Baughman who has provided outstanding service to the Citizens of York County, thereby bringing credit upon the office and the Law Enforcement Community.

In December of 2017, Michelle was asked to consider transferring into what was a newly created position, of Deputy Administrator of Grant and Office Management. I had determined this to be a priority of my administration, understanding that we must do everything in our power as public servants to leverage our resources. Despite this being a daunting request, Michelle agreed to leave a job in which she was extremely successful and skilled at for the good of the office.

Your institutional knowledge of the criminal justice system and understanding of our offices mission and goals allowed you to successfully seek, apply for and be awarded the following grant opportunities in your first nine (9) months.

- Firehouse Subs Community Grant (Two (2) Tactical Vests for the York County Quick Response Team)
- JAG – York County Prison Livescan Fingerprinting Grant (Purchase of one (1) livescan fingerprinting machine for the York County Prison, in order to increase compliance in York County)
- JAG – Office of Intelligence and Security Grant (Provides equipment and training to members of the York County Prison and DA's Office, designed at increasing our ability to collect and monitor intelligence inside and outside of the prison)
- BJA School Safety Grant (School Violence Threat Assessment and Technology Reporting Program for Central York School District)

In addition to cumulative money awarded, I am extremely proud that each one of these grants was a collaborative effort that will improve the safety of our law enforcement officers and its most vulnerable citizens.

In the rare times when she doesn't read my mind, all I need to do is give her a vision and deadline and you can consider it done, she's the best of the best, said Kyle King, Chief Administrator.

My office is fortunate to have an employee with your expertise and dedication within its ranks. No matter the task, you not only meet, but exceed expectations and requirements.

As District Attorney of York County, it gives me great pride to award you this commendation for your excellent service.
