Outstanding Service by a Citizen

This certificate is hereby presented to Randolph Wagner whose selfless actions assisted in the apprehension of a subject wanted by the Northern York County Regional Police Department.

On May 4, 2018, a defendant was stopped by Officer Mengel of the Northern York County Regional Police Department. The defendant exhibited manic behavior and Officer Mengel attempted to take him into custody for an outstanding warrant. At that point the defendant attempted to flee from the police, and a civilian, Mr. Wagner, intervened to stop the defendant's escape. When Mr. Wagner stepped into the defendant's way, the defendant punched him in the face. After the incident, Mr. Wagner sought no recognition for his actions or retribution from the defendant.

As District Attorney of York County, it is my honor to recognize you for your quick thinking and desire to assist in the apprehension of a wanted person.
