Exceptional Service as an Employee of the District Attorney's Office

This certificate is hereby presented to Dan Smith who has provided outstanding service to the Citizens of York County, thereby bringing credit upon the office and the Law Enforcement Community.

Over the past 12 months, you have coordinated approximately 700 extraditions for people wanted out of York County but are apprehended in another jurisdiction or fugitives from other states, who need to be returned to their original state.

In your capacity as our Extradition Coordinator, you have worked tirelessly to create relationships with hundreds of law enforcement agencies, prisons and District Attorney's Offices, which often make for a smoother transition of prisoners. Furthermore, you have displayed the personality and skill set to navigate the legal complexities that working with multiple state agencies can create.

Your professionalism is on display each week in the courtroom as well. Dan is one of the few non-attorney personnel that go before the court on a consistent basis. The manner in which you conduct yourself with those inside and outside of our judicial system reinforces the reputation of this office.

Assistant Chief Spence describes you as the epitome of a team player. In addition to your normal work duties, Dan fields general phone calls from the public and has become very skilled in working with disgruntled citizens. You are quick to lend a hand to attorneys, detectives or clerical staff in the furtherance of our mission. Quite simply; you do whatever it takes to get the job done.

As District Attorney of York County, it gives me great personal and professional satisfaction to award you this commendation for your excellent service.
