Dear Ed,

The individuals listed below have violated our rules and regulations for conduct on the Cabeza Prieta National Wildlife Refuge during the past year and thus we have refused to issue them permits for this permit year (July 1, 2017 through June 30, 2018). These violations included one or more of the following: driving or being a passenger in a motorized transport on closed roads within designated wilderness or were discovered putting out water, food, or other material in violation of our respective policies. Some of these individuals were also caught in violation in Area B of the BMGR-East.

I request that your office also refuse to issue these individuals permits this permit year as the permits that our four agencies issue allow these individuals to enter the Sonoran Desert National Monument, the Barry M Goldwater Range – West, the Barry M Goldwater Range – East (Area B), and the Cabeza Prieta NWR.

Scott Warren	Gabriel Leon
Paige Corich-Klein	Genna Jackson
Logan Hollarsmith	Caitlin Deighan
Rebecca Richiemer	Zoe Anderson
Violet Elson	Madeline Abbe Huse
Natalie Renee Hoffman	Ona Meagan Holcomb
Zaachila Orozco-McCormick	

Thank you for working with us on this.

Respectfully,

Sid Slone
Refuge Manager
