Dear Amy;

I regret to inform you that in light of the government's changes to autism funding as announced today, I must resign my position as your Legislative Assistant, effective immediately.

I believe that the Minister's decision to move to a funding model that does not address individual need will be harmful to most children with autism. I cannot, in good conscience, remain in a post where I would be required to defend the indefensible.

It has been an honour to work for you, and I wish you all the very best in your future endeavours.

Sincerely, and sadly,

Bruce McIntosh
