Re: Claim Number: 517865 FRE 408 Settlement Communication

Dear Daniel Quinn,

The Law Firm of Higbee & Associates represents Michael Grecco Photography, Inc. . Copyright images owned by Michael Grecco Photography, Inc. were discovered on DQuinn.net website(s). Please see the attached exhibits that show the use of the copyrighted works. Our client has no record of you having a license to use their copyrighted work and has authorized us to contact you on their behalf. If you have a license, please contact us immediately with a copy of that license at claims@higbeeassociates.com, please include the claim number (517865).

Michael Grecco is an accomplished photographer whose photos have been used by the world's biggest news outlets. His photos typically license for \$15,000 to \$35,000 a year. The unauthorized use of his work hurts his livelihood and results in him having to spend tens of thousands of dollars and countless hours stopping such use.

If DQuinn.net does not have a license, we believe the use of the work is a violation of The Copyright Act, Title 17 of the United States Code. As the violation occurred on a company website, the company is liable for the unauthorized use, including cases in which a website designer, employee or a third party is responsible for the inclusion of this image on your website. Even if your use of the image without a license was unintentional, for example; if the image was found on the internet and believed to be available for free use, it is still a violation of copyright law, and ceasing use of the images now may reduce the liability, but not release you or your organization from liability.

The unauthorized use of my client's work threatens my client's livelihood. While Michael Grecco, does have the right to bring a lawsuit for damages, my client is willing to settle this in an amicable way, out of court and without a lawsuit. I was asked to contact you and see if we can negotiate a settlement and save everyone the stress and costs of going to court. Please know that I only have a limited amount of time to settle this claim out of court.

If forced to go to court, my client will ask for the maximum relief possible, which may include statutory damages under 17 U.S.C. §504 for up to \$150,000 for intentional infringement or \$30,000 for unintentional infringement. My client would also ask the court to have you pay court costs and attorneys fees. Copyright lawsuits can result in judgments, wage garnishments and liens on property. In some instances, the business owner can be held individually liable.

This type of claim is often covered by business insurance. You may wish to forward this to your insurance carrier. You may also wish to hire an attorney.

If we do not hear from you within 30 days from the date of this letter, we will have no choice but to take this to mean that you do not have a license and do not want to settle this matter out of court.

To resolve this matter efficiently and amicably out of court, please follow these steps:

(1) Within five business days after receipt of this letter, remove all occurrences of the image from your website(s), cease using it in any way, and confirm in writing that you have done so.

AND

(2) Within seven business days after receipt of this letter, return to our firm the attached Release License, along with your payment in the form of a valid cashier's check or money order for **\$20000** payable to "**Higbee & Associates Client Trust Account**". This can be returned to us via US Mail. You can also pay over the phone or online at <http://copyright.higbeeassociates.com/resolution>. Your login is 517865. Your password is scm40q2e. If you choose to make your payment online, you can return the Release License via email to claims@higbeeassociates.com. Please include the case number (517865) in the subject line.

Please feel free to call or email us to discuss this matter, 800-716-1245 or send email to claims@higbeeassociates.com

Sincerely,

Mathew K. Higbee
Attorney at Law
