

COMPOSITE EXHIBIT B

**Document 1: Amendment to
Publishing Agreement**

AMENDMENT TO PUBLISHING AGREEMENTS

THIS Amendment effective as of the 17th day of December, 2018, to the Publishing Agreements dated the 13th day of February, 2013 as previously amended and the 18th day of November, 2016 as previously amended (“Agreements”) between Roger Stone (“Author”) and Skyhorse Publishing, Inc. (“Publisher”)(individually “Party” or together “Parties”).

WHEREAS, the Parties desire to continue to keep certain portions of their Agreements in full force and effect; and

WHEREAS, the Parties desire to replace the reporting and payment terms of the Agreements with the terms herein; and

WHEREAS, Publisher desires to reissue the Work as defined in the November 18, 2016 agreement between the parties as a paperback with a new introduction and a new title;

NOW, THEREFORE, in consideration of the foregoing and other good and valuable consideration described below, the parties agree the appropriate sections of the Agreements shall be amended as follows:

1. The Publisher, immediately following the full execution of this agreement, shall make a one-time wire payment to Author of [REDACTED] as full payment of all amounts owed by Publisher to Author through December 31, 2018. In consideration of said payment and other good and valuable consideration, the Author and the Publisher do hereby release and discharge each other, their respective heirs, officers, directors, employees, executors, administrators, successors, and assigns from all claims and obligations of either against the other, known or unknown, arising for all periods prior to and including the period ending on December 31, 2018. For the purpose of clarity, the reason for this Amendment to Publishing Agreements is to end all joint ventures and settle all monies due between the parties through December 31, 2018. This Agreement supersedes all rights, royalties, profit-sharing or any other payments in any of the agreements between the parties. Going forward on January 1, 2019, the Publisher shall account pursuant to Par.2 hereof but shall not have obligations to consult with the Author regarding regular publishing decisions including but not limited to prints runs. Titles governed by this Amendment to Publishing Agreements include all titles published by the Author with the Publisher, including but not limited to:

Clintons' War on Women
Jeb! And the Bush Crime Family
The Making of the President 2016
Man Who Killed Kennedy
Nixon's Secrets/Tricky Dick
Stone's Rules

2. Beginning with sales on January 1, 2019, Author agrees that he shall be compensated [REDACTED] of the net revenues of all sales covered by the Agreements. For purposes of this agreement, Net Revenues is defined as all revenues of book sales minus returns of all Works covered by the Agreements. Each report submitted to Author with the compensation shall include, by each title and edition, from the internal Publisher records the number of books sold for the just closed quarter, the revenue received, and returns and the value of such, if any. BookScan numbers shall be provided for informational purposes on request. In addition, the following shall apply with respect to the sale of subsidiary rights:

5. Immediately upon submission of an acceptable new introduction for The Making of the President (with a revised title), Publisher shall pay to Author [REDACTED] by wire transfer.

6. This Amendment may be executed in multiple counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the parties have signed this Amendment as of the date first set forth above to make this a binding agreement among them.

Publisher

Tony Lyons, President

Roger Stone, Author

**Document 2: Emails re: First Overture to Do New
Edition**

Subject: Possible options re published titles and new book

Date: Wednesday, November 21, 2018 at 2:54:50 PM Eastern Standard Time

From: Dean Notte

To: Grant Smith

Dear Grant,

Given all of the back and forth with our joint ventures with Roger, I wanted to see if there was interest on your end in working on a settlement for the published titles in addition to a new paperback where we could make a lump sum payment to Roger.

If that's something Roger would like to explore I'd be happy to put something together and discuss some possibilities.

Either way, I hope you have a terrific holiday.

Thank you,
Dean

In view of the fact that revenues generated by the Making of the President 2016 have never even recaptured the promotional costs for the book that I underwrote due Tony's unilateral decision to print 100,000 copies , I have no interest. While such a paperback might make money for Skyhorse I have no confidence I would make a penny.

Subject: Re: Roger Stone

There could be negative numbers in any given period, but it's highly unlikely given that nothing has been published recently.

On the paperback, we want it to be part of the agreement. Can Roger come up with a new title? That would make it easy. How about we say, Roger has until January 15th to deliver the new introduction. If he doesn't, we will just publish it under the new title.

I guess the point is that over printing would lead to more returns which would potentially cause a negative number. In the alternative, if there were no setoff for returns and the [REDACTED] was strictly on gross, we could live with that.

Tony,

A couple of questions and I think we are almost done:

1. Do you anticipate negative numbers? We would propose that negative numbers are a result of over printing and should not be deducted from the author fee.
 2. Roger did some research and thinks a [REDACTED] fee is more appropriate if returns are included since he has no control over printing
 3. Can the paperback title discussion wait until next month?
- Let me know and I think we can button this up shortly.

Subject: Re: Roger Stone

Tony-

Roger and I have discussed this extensively. Here is what he is proposing:

1. Paperback book title mutually agreeable, the one proposed would not play well either in public or in the administration. THAT MAKES SENSE. WHAT TITLE DOES ROGER HAVE IN MIND?
2. Need to understand the formula for payment, in the body below you propose [REDACTED] of net, and the formula would indicate gross, Roger would accept gross, there is too much

sleight of hand with net. HOW ABOUT GROSS SALES (DEFINED AS TOTAL SALES, LESS RETURNS).

3. Roger Would take [REDACTED] up front payment, by the end of the day Tuesday (he has people who wrote with him that he still owes money because of the messed up accountings and the over printing of books...much more money was expected). WE CAN GO TO [REDACTED] AND WOULD PAY BY WIRE TRANSFER IF WE CAN WORK THIS OUT TODAY.
4. Roger would write the new introduction over the holiday and deliver the first week of January for which he would want [REDACTED]. WE CAN'T PAY MORE THAN [REDACTED] FOR THE PAPERBACK INTRODUCTION.
5. The [REDACTED] author fee would be paid quarterly by the 15th day after the close of the calendar quarter for the immediately preceding quarter – since there is no real reconciliation, it would be based on the straight sales. I'M OKAY WITH THIS.
6. How would revenue be measured? Book Scan, your internal records,...? OUR INTERNAL RECORDS, BUT WE WILL ALSO PROVIDE BOOKSCAN NUMBERS FOR SUPPORT. OUR RECORDS SHOULD ALWAYS BE HIGHER THAN BOOKSCAN. IF THEY ARE LOWER, THERE WOULD BE AN ERROR.

We are ready to move on, but it has to be the right deal.

I look forward to hearing back from you and your team today.

Subject: Roger Stone

Grant,

We pitched Roger on writing a short introduction (maybe 1-2 pages) for a paperback edition of The Making of the President, with a new title. The new title would be My Ties to Trump's Campaign: What I knew, what I didn't know and why Mueller is Wrong. It would give Roger a chance to set the record straight, clear his name, reach a wider audience and make some money.

Roger's concern was that he hadn't made any money on the hardcover of The Making of the President. In fact, he has been paid about [REDACTED] for the hardcover, but I still get the point.

Here's what I propose. I think it would save us all a lot of work in the future and Roger would not have to worry about writing books that didn't make money.

We pay Roger [REDACTED], which approximates everything due without the reserves. Then we pay an advance on the

new paperback of [REDACTED] as soon as Roger sends us the 1-2 page introduction.

Going forward, we start fresh and pay [REDACTED] of our net receipts on all copies sold in any format of all of Roger's title, with no reserves, no profit sharing. His statements would look like this:

copies sold
total revenue
[REDACTED] due

Period.

Let me know what you think.

All the best,

Tony

Ok. He will do the new introduction by January 15th, and work with you on a new title for TMOTP 2016 as he really does not think the one suggested will work.

The wire instructions for the [REDACTED] payment are below:

Drake Ventures, LLC
[REDACTED]

Please let me know when the wire has been sent so I may let Nydia know to confirm.

Subject: Re: Roger Stone

There could be negative numbers in any given period, but it's highly unlikely given that nothing has been published recently.

On the paperback, we want it to be part of the agreement. Can Roger come up with a new title? That would make it easy. How about we say, Roger has until January 15th to deliver the new introduction. If he doesn't, we will just publish it under the new title.

Subject: Re: Roger Stone

There always has to be a setoff for returns. It's the same for any publisher. The more we print and ship, the more we sell. You wouldn't get a reduction for printing costs going forward.

Sent: Mon, Dec 17, 2018 11:57 am
Subject: Re: Roger Stone

I guess the point is that over printing would lead to more returns which would potentially cause a negative number. In the alternative, if there were no setoff for returns and the [REDACTED] was strictly on gross, we could live with that.

Tony,

A couple of questions and I think we are almost done:

1. Do you anticipate negative numbers? We would propose that negative numbers are a result of over printing and should not be deducted from the author fee.
 2. Roger did some research and thinks a [REDACTED] fee is more appropriate if returns are included since he has no control over printing
 3. Can the paperback title discussion wait until next month?
- Let me know and I think we can button this up shortly.

Subject: Re: Roger Stone

Tony-

Roger and I have discussed this extensively. Here is what he is proposing:

1. Paperback book title mutually agreeable, the one proposed would not play well either in public or in the administration. THAT MAKES SENSE. WHAT TITLE DOES ROGER HAVE IN MIND?
2. Need to understand the formula for payment, in the body below you propose [REDACTED] of net, and the formula would indicate gross, Roger would accept gross, there is too much sleight of hand with net. HOW ABOUT GROSS SALES (DEFINED AS TOTAL SALES, LESS RETURNS).
3. Roger Would take [REDACTED] up front payment, by the end of the day Tuesday (he has people who wrote with him that he still owes money because of the messed up accountings and the over printing of books...much more money was expected). WE CAN GO TO [REDACTED] AND WOULD PAY BY WIRE TRANSFER IF WE CAN WORK THIS OUT TODAY.
4. Roger would write the new introduction over the holiday and deliver the first week of January for which he would want [REDACTED]. WE CAN'T PAY MORE THAN [REDACTED] FOR THE PAPERBACK INTRODUCTION.
5. The [REDACTED] author fee would be paid quarterly by the 15th day after the close of the calendar quarter for the immediately preceding quarter – since there is no real reconciliation, it would be based on the straight sales. I'M OKAY WITH THIS.
6. How would revenue be measured? Book Scan, your internal records,...? OUR INTERNAL RECORDS, BUT WE WILL ALSO PROVIDE BOOKSCAN NUMBERS FOR SUPPORT. OUR RECORDS SHOULD ALWAYS BE HIGHER THAN BOOKSCAN. IF THEY ARE LOWER, THERE WOULD BE AN ERROR.

We are ready to move on, but it has to be the right deal.

I look forward to hearing back from you and your team today.

Subject: Roger Stone

Grant,

We pitched Roger on writing a short introduction (maybe 1-2 pages) for a paperback edition of The Making of the President, with a new title. The new title would be My Ties to Trump's Campaign: What I knew, what I didn't know and why Mueller is Wrong. It would give Roger a chance to set the record straight, clear his name, reach a wider audience and make some money.

Roger's concern was that he hadn't made any money on the hardcover of The Making of the President. In fact, he has been paid about [REDACTED] for the hardcover, but I still get the point.

Here's what I propose. I think it would save us all a lot of work in the future and Roger would not have to worry about writing books that didn't make money.

We pay Roger [REDACTED], which approximates everything due without the reserves. Then we pay an advance on the new paperback of [REDACTED] as soon as Roger sends us the 1-2 page introduction.

Going forward, we start fresh and pay [REDACTED] of our net receipts on all copies sold in any format of all of Roger's title, with no reserves, no profit sharing. His statements would look like this:

copies sold
total revenue
[REDACTED] due

Period.

Let me know what you think.

All the best,

Tony

Roger,

Please take a look at the copy below and approve or provide edits. I used the approved copy from last printing to put this together, which will be catalog copy and the basis for jacket flap copy.

Don't believe what you hear from the liberal media and the Russia witch hunt—this is the true story of the Trump campaign, now updated to address Robert Mueller's charges.

Two years ago, Roger Stone, a *New York Times* bestselling author, longtime political adviser and friend to Donald Trump, and consummate Republican strategist, gave us *Making of the President 2016*—the first in-depth examination of how Trump's campaign delivered the biggest presidential election upset in history. But since then, the Deep State political establishment has worked tirelessly to undo those results. *The Myth of Russian Collusion* adds to and updates Stone's initial work to set the record straight.

Trump's election win was a resounding repudiation of the failed leadership of both parties. American people wanted something new, and President Trump has delivered: his tax cuts and regulatory rollbacks have given us the strongest economy in American history, he is relentless in his efforts to protect American citizens, and he refuses to do business as usual.

But America's ruling elite and liberal media, feeling threatened, have conspired to create the biggest witch hunt in our country's history. The phony narrative that Trump was in cahoots with Vladimir Putin, Mueller's charges that Roger Stone knew about the Wikileaks emails before release—all is debunked here. With a new introduction that responds to the Mueller investigation, *The Myth of Russian Collusion* is the true story of the Trump campaign that the establishment doesn't want you to believe.

"Roger's a good guy. He is a patriot and believes in a strong nation, and a lot of the things that I believe in."—**President Donald J. Trump**

Roger Stone is a seasoned political operative and pundit. A veteran of eight national presidential campaigns, he served as a senior campaign aide to three Republican presidents before leaving the GOP for the Libertarian Party. He is author of the *New York Times* bestseller *The Man Who Killed Kennedy: The Case Against LBJ*, as well as *Stone's Rules*, *The Clintons' War on Women*, and *Nixon's Secrets*. He splits his time between New York City and Miami Beach, Florida.

Subject: Fwd: The Myth of Russian Collusion Comps - Round 1

First – Brian Peterson is a genius and you should give him a huge raise.

Secondly I like the black-and-white version on the lower right. It's really cleans for bold

Subject: The Myth of Russian Collusion Comps - Round 1

Hi Tony and Mike,

I'm attaching a sheet with five comps for review. Tony, I'll be remote tomorrow (PT at noon) so I left a printout in your inbox.

Let me know if any of these directions work for you guys.

Thanks,
Brian

Roger,

Please take a look at the copy below and approve or provide edits. I used the approved copy from last printing to put this together, which will be catalog copy. Your bio will be the bio on the back cover.

For the first time in paperback, New York Times best-selling author Roger Stone's insider tell-all about the presidential campaign that shocked the world. This consummate political strategist continues to be front page news and has updated the book to respond to Robert Mueller's charges.

Two years ago, Roger Stone, a *New York Times* bestselling author, longtime political adviser and friend to Donald Trump, and consummate Republican strategist, gave us *Making of the President 2016*—the first in-depth examination of how Trump's campaign delivered the biggest presidential election upset in history. But since then, the Deep State political establishment has worked tirelessly to undo those results. *The Myth of Russian Collusion* adds to and updates Stone's initial work to set the record straight.

Trump's election win was a resounding repudiation of the failed leadership of both parties. American people wanted something new, and President Trump has delivered: his tax cuts and regulatory rollbacks have given us the strongest economy in American history, he is relentless in his efforts to protect American citizens, and he refuses to do business as usual.

But America's ruling elite and liberal media, feeling threatened, have conspired to create the biggest witch hunt in our country's history. The phony narrative that Trump was in cahoots with Vladimir Putin, Mueller's charges that Roger Stone knew about the Wikileaks emails before release—all is debunked here. With a new introduction that responds to the Mueller investigation, *The Myth of Russian Collusion* is the true story of the Trump campaign that the establishment doesn't want you to believe.

"Roger's a good guy. He is a patriot and believes in a strong nation, and a lot of the things that I believe in."—**President Donald J. Trump**

Roger Stone is a seasoned political operative and pundit. A veteran of eight national presidential

campaigns, he served as a senior campaign aide to three Republican presidents before leaving the GOP for the Libertarian Party. He is author of the *New York Times* bestseller *The Man Who Killed Kennedy: The Case Against LBJ*, as well as *Stone's Rules*, *The Clintons' War on Women*, and *Nixon's Secrets*. He splits his time between New York City and Miami Beach, Florida.

Roger Stone is the *New York Times* bestselling author of *The Man Who Killed Kennedy*, along with *Making of the President 2016*, among others. He is a legendary American political consultant and strategist who played a role in the election of Republican presidents Richard Nixon, Ronald Reagan, George W. Bush, and Donald Trump. He was the subject of the smash hit, award-winning Netflix documentary *Get Me Roger Stone*.

I had a couple cartons sent.

We sent to 300-400 media outlets—national list, conservative list, and included the progressive media list for this one. Plus followed up with and hits from Making of the President and Stone's Rules.

Received interested from NYT, WSJ, Josh Lesh at CNN, Howard Goldenthal at CBC, John Weber at Premiere, Melissa Parker at Smashing Interviews Mag, Alison Ehrlich at ABC, Gideon Resnick at Daily Best. We sent them all material and forward the requests to Lainie/Kristin at their request. We don't know if they executed, doesn't look like it. Please have them keep us in the loop when they book anything I like TV for you so we can follow up with producers to have cover shown.
