**Re: Dr. Mark Rendell, Superintendent**

Dear Chairman Zorc:

Please be advised that our office has been retained to represent Dr. Mark Rendell, Superintendent for the Indian River School District. We have been retained to advise and assist Dr. Rendell concerning the terms and conditions of his employment with the District. It appears that the terms and conditions of his employment has been a "hot topic" of conversation by Board members amongst themselves as well as with third parties.

During the representation of our client, it will be necessary for us to be included on any and all communications whether those are directly to us or that we are copied on, that concern or otherwise relate to Dr. Rendell's employment.

We look forward to working with you on these issues. If you would like to discuss this matter further, please feel free to contact us at your convenience.

Sincerely,

H. B. Stivers
