

Wight Noize is a Platform One College of Music initiative aimed at supporting young bands and solo artists resident on the Island. The Wight Noize Showcase is a professional industry showcase (not a 'Battle of the Bands') and allows performers to receive constructive feedback from an experienced panel of selected music industry professionals.

One band / artist will be selected to perform on the main stage on Sunday 16 June at the Isle of Wight Festival.
The selected band / artist will also have the opportunity to record a single for free at Studio 5a.
The selected band / artist will receive a headline slot at Strings Music Venue in order to release their new single.
