Dear Senator Toomey:

This responds to your inquiry concerning the military records of your constituent Mr. Nelson Henry.

Your constituent has an open application (AR20190003834) being reviewed by the staff of the Board to ensure it complies with applicable statutes and governing Army regulations before presentation to the Board.

The ABCMR has identified Mr. Henry's case for expeditious processing based on his age. His case has been assigned to an analyst for review. Once the review is completed, the packet will be sent to the Board for consideration. I cannot provide a definitive timeline for completion but can assure you Mr. Henry's case is being processed as quickly as possible.

Once a decision is rendered, your office and Mr. Henry will be notified by separate correspondence.

Sincerely,
